Area and Address	Preliminary assessment	Evidence base for preliminary assessment	Additional evidence provided by local board	Staff final recommendation	If Reserves Act 1977 applies	Reason for recommendation
Swanson Scenic Reserve Birdwood Rd, Swanson	Restricted - medium protection (to protect access and health and safety)	Hardstand parking area of approximately 750m ² consisting of two areas. Unmarked parking and limited roadside parking (yellow lines along part of the road frontage).	Intensive housing going into area. Board have advised they would want this area prohibited to protect access for park users.	Restricted - medium protection (to protect access and health and safety) subject to addressing default position under Reserves Act	Reserve management plan in place which does not provide for camping	Insufficient information on use of area to enable the site to be prohibited. Restrictions on site would allow management and location of freedom campers. To allow restricted freedom camping to occur on the reserve area, the reserve management plan may require reviewing. Staff are working with legal services on what other legal options are available. Area not located within the Waitakere Ranges Heritage Area Overlay.
