Sites reassessed following workshop. Recommend to Regulatory Committee to apply default rules						
Area and Address	Preliminary assessment	Evidence base for preliminary assessment	Additional evidence provided by local board	Staff final recommendation	If Reserves Act 1977 applies	Reason for recommendation
Newmarket Park 51 Ayr Street, Parnell	Restricted - lower protection	Parking area of 1,300m ² approx for walking track and playground. 24 hour toilet on site.	Could be parking restrictions there in the future. High demand from commuters.	Not scheduled in bylaw - Default rules apply	Reserve Management Plan in place which does not provide for camping.	To allow restricted freedom camping to occur, the reserve management plan may require amendment. Based on feedback received, this is unlikely to be supported.
Outhwaite Park 53 Carlton Gore Road, Newmarket	Prohibited (to protect access)	Small carpark of 230m ² approx provides limited parking for playground and bookable hall.	One members suggested may not be busy enough to require prohibition.	Not scheduled in bylaw - Default rules apply	n/a	Additional information indicated that prohibition may not be required. Activity can be managed with parking restrictions on site.
