

Community Facilities: Build Maintain Renew Work Programme 2018/2019

ID	LB Plan Outcome	Lead Dept/Unit or CCO	Activity Name	Activity Description	Activity Benefits	Further Decision Points for LB	Timeframe	Budget Source	FY18/19
696	Community facilities are vibrant and welcoming places at the heart of our communities	CF: Operations	Henderson-Massey Full Facilities Contracts	The Full Facilities maintenance contracts include all buildings, parks and open space assets, sports fields, coastal management and storm damage.	With the maintenance contracts, local board assets are able to be maintained to the approved level of service. These contracts provide for required compliance tasks and scheduled activities including planned preventative maintenance to be completed, and for response to requests for maintenance. These contracts benefit all members of the public as local board assets are able to be fully utilised if they are fit for the intended purpose, and it offers better value to ratepayers if assets remain in service for their expected life.	No further decisions anticipated	Q1; Q2; Q3; Q4	ABS: Opex	\$ 7,653,064
697	Natural spaces are valued and restored	CF: Operations	Henderson-Massey Arboriculture Contracts	The Arboriculture maintenance contracts include tree management and maintenance.	With the Arboriculture Contracts, trees in parks and reserves, and on streets, are able to be maintained to the approved level of service. These contracts provide for a programme of tree inspection and maintenance, and for response to requests for maintenance of trees which have become damaged or are obstructions. These contracts benefit all members of the public as trees which are properly maintained are more likely to remain in good health, are less likely to become health and safety issues, and offer greater visual amenity.	No further decisions anticipated	Q1; Q2; Q3; Q4	ABS: Opex	\$ 368,444
698	Natural spaces are valued and restored	CF: Operations	Henderson-Massey Ecological Restoration Contracts	The Ecological Restoration maintenance contracts include pest plant and animal pest management within ecologically significant parks and reserves.	With the maintenance contracts, local board assets are able to be maintained to the approved level of service. These contracts provide for a programme of restoration planting and pest animal and plant control for high value sites, and for response to requests for animal pests in parks. These contracts benefit all members of the public as they improve ensure ecologically significant sites on our local parks and reserves are pest free and offer ecological and wider benefits.	No further decisions anticipated	Q1; Q2; Q3; Q4	ABS: Opex	\$ 561,004
1233	Community facilities are vibrant and welcoming places at the heart of our communities	CF: Operations	Henderson fairy lights maintenance	Annual maintenance on Henderson fairy lights in Henderson and Te Atatu.	Fairy lights are safe and operational	No further decisions anticipated	Q1; Q2; Q3; Q4	LDI: Opex	\$ 4,400

Community Facilities: Build Maintain Renew Work Programme 2018/2019

ID	LB Plan Outcome	Lead Dept/Unit or CCO	Activity Name	Activity Description	Activity Benefits	Further Decision Points for LB	Timeframe	Budget Source	FY18/19
