

COMMUNITY OUTCOMES PLAN

Community Group		St John Ambulance Association	
Name and Location of Land/Facility		600R Pakuranga Road, Highland Park	
Local Board Area		Howick	
Agreed Annual Report Due Date		30 th June	
Local Board Outcome	Target	Performance Measure	Achievements
Community			
Our people are active and healthy	Facility and first aid emergency response services and equipment that is available and accessible to the community.	Facility is open and on an emergency response basis 24 hours a day, 7 days a week all year round.	
Maori			
Involved and connected communities	Expanding the promotion of the service to Maori communities.	Establish contacts with the local iwi to better engage with the Maori community that are in need of St John community programmes.	
Environment			
A treasured environment	Encourage sustainable practices to staff and volunteer members.	Send out regular recycling reminders and emails on waste reduction methods to all staff and volunteers.
