CONSUMER FEEDBACK

Lives in Christchurch, New Zealand

Hi! I am currently a nursing student at a practice clinic placement in Christchurch. Myself and the care coordinator at our practice stumbled upon this app and was amazed how useful this could be to the community. I am doing a little project and aiming to get this app known to everyone in the practice and hopefully introduce it to patients. I am also thinking of putting up posters in the clinic. I just want to let you guys know what an amazing app this is and the great work you do.

Today

Talofa Rej, awesome MYRIVR app. I am sharing with all our teams in Counties Manukau District Health Board. Awesome for our patients so they can access services. Have an awesome weekend ahead.

Kia ora, Im getting in contact with you because I am SO proud of the kaupapa you are influencing nationally and I want to see if there is any way I can be part of that. You see I lost my boyfriend to suicide last December, and ever since then I've had a need to be more actively involved within the community in order to push myself into the conversation of change. I'm based in Christchurch and am in my second year of study at UC, I was wondering if there is any way I can be engaged politically, socially etc in raising awareness for suicide/health specifically drug induced phycosis. Thankyou xx

OTAHUHU-MANGERE
YOUTH GROUP
REPORT
Background

Introduction

Otahuhu-Mangere Youth Group was created in 2014 to inclusively connect community organizations, minority groups and youth leaders together to develop a youth voice mechanism for all young people in our local board area.

We currently have 10 active members and we are continuing to work together in making the group grow.

Our Vision

To become a youth led service, providing opportunities, career pathways, support and connection.

Mission

To encourage and inspire young people to get involved in making a difference in the community.

Core Value

To be the voice and advocate for the Youth in our Community.

Purpose

- To provide opportunities for youth led programmes around leadership.
- To strengthen and enhance the confidence of future youth leaders.
- To provide a safe space for our youth.
- Encourage greater participation and interest in the work and activities of OMYG in the community.
Otahuhu Youth Space

We are really fortunate to be given the activation of the Space and below are things that have been happening in the space.

The space is open from 3pm – 6pm, Monday – Friday.

We now have free wifi at the space and have laptops available for students to come in and do homework or study.

We currently have 2 senior students from Otahuhu College facilitating the space from 3pm – 6pm Monday – Friday. We have put in place procedures such as evacuation plan, health and safety and maintenance procedure.

We hope to continue activating the space with our future plans and continue turning this wonderful space into a safe place for our youth.

Past Programmes

We have had a number of different programmes happen in the past:

2017
Term 1 – Term 3
- La krunk, Cook Island fitness programme by Clara
- Performing Arts by Shirle
- Music and recording by Ivan Fuimaono
- Vogue classes by Jayce Tanuvasa
- Netball upskill by Sarah-Michelle Hansen Vaeau
- Maori carving by Sherrick
- Dance classes by Sam

2018
Term 1
- Guitar Lessons by Francis
- Changes leadership programme by Rocky
- Drama classes by Tim

These programmes/classes were all free for the youth to join, each class varied from 10-15 students in each class and was running for 6 weeks each term.
From the help of the Kings College students we have the homework centre operating everyday from 3pm – 6pm. Otahuhu Intermediate students were coming through to get help on homework and now have a close relationship with the school.

Due to low funds we did not have any programmes happen in term 2 this year but the drop in centre was open.

**Regular Hirers**

Due to maintenance cost and other operating costs we hire the space out to those that want to utilise the space, so far we have:

- Solomon Group runs a class from 9am – 2pm from Tuesdays – Thursdays. We share the costs of the internet, toilet paper and paper towels.
- Power up (homework centre) – Thursday 3pm – 6pm
- Sau e Siva – Thursday 6pm – 8pm
- Samoan Dance Aotearoa Group Mondays & Wednesdays 6pm – 8pm
- Hula Group – Saturday 5pm – 7pm
- Emmanuel Church – Sundays 11am – 1pm

We have had other one off events happen in the Space and we continue to offer services and providers a space to showcase their work to the community.
Future Plans

We hope to continue offering a safe space for youth and to offer more services and opportunities for them to participate in.

We also would like to run Youth Network workshop once a month called “Speak your mind” and this is an opportunity for those who are interested in the youth industry to get some tips or advice from current youth services and opportunity for youth service to network and connect or to talk about topics that have been chosen for that month.

Programmes coming up:

- Changes – Leadership programme
- Stencil Art classes
- Performing arts/Dance
- Guitar/ Piano lessons
- Music singing and recording classes

These programmes will be open to anyone that wants to try something new, it will be running for 6 weeks.

We have more and more enquiries about hireage of the space for community workshops and we continue to build close relationships with our local schools, course providers and other key stakeholders.
Boys to Men and Legacy Diamonds New Zealand is a 10 week programme that caters to the ages of 12+ to 22 years old. Our programme is created to give our youth in the community a safe environment to open up addressing youth issues such as peer pressure, self-harm, addictions and self-esteem. Allowing them to grow in their confidence, leadership skills, mentoring skills and the ability to help their own peers.

In our community we currently have 2 Boys to Men groups operating and 3 Legacy Diamonds Groups:
