SEPTEMBER UPDATE

## Tongan Language Week

Malo E Lelei Local Board! We have just finished celebrating Tongan Language Week. Our Cultural Leads have conducted a series of interviews with local young people regarding their culture and language. This is on our Facebook page.

# Rewa Creatives

We are delighted to invite you to “Rewa Creatives” an event displaying the talent of the rangatahi in our community.

## The Space

The old bank counter has been removed and a countertop and cupboards have been installed.

We have also set up a facebook page “The Space”.

# Auckland Youth Voice Meetup

Manurewa Youth Council is hosting the next meetup with different youth voice groups from across Auckland. We will use this opportunity to share what successes/challenges other groups are facing in their areas, and how we can support each other.

## Special Mentions:

- We are supporting our member Harleen Bhathal as she organises and coordinates the South Auckland Model United Nations event.
- We are proud of our member John Chen who has taken home the top prize at the South & East Auckland Science and Technology Fair for his project titled Tend our Taonga: Tāne Mahuta.
