13<sup>th</sup> February 2018

To Whom It May Concern:

This letter is written in support of the Mt Wellington Rugby Club and the Mt Wellington Softball Club. We support their endeavours to work together for the betterment of their respective sports and the communities that they represent.

Auckland Softball has placed Mt Wellington in it's priorities for the Regional Facilities Plan due to the catchment area and the growth opportunity for the sport. We have a strong Committee looking to develop the game at the Junior level and we now need a facility that can handle this growth.

We actively support the presentation to the Tamaki Maungakiekie Local Board for access to community facilities to enable Softball to grow and become a vital connector to the community.

Kind regards

A handwritten signature in blue ink, appearing to read 'Gareth Teahan'. The signature is fluid and cursive, with a long horizontal stroke extending to the right.

Gareth Teahan
