To Whom It May Concern

Ruapōtaka Marae provides this letter of support to the Mt Wellington Softball Club in their pursuit to relocate their club to Hamlin Park, Mt Wellington.

Ruapōtaka Marae has a close association with many of the members of this softball club and have to commend the Committee for their dedication and continuous effective and efficient management of the running of the Club. The Committee should also be commended for their proactive initiatives they continuously implement season after season to ensure the well-being of all involved.

Giving the opportunity for Mt Wellington Softball to relocate to a more suitable premises such as Hamlin Park, will give more space for the Club to expand and attract more new and increased membership. Currently, the Club struggles to carry out these initiatives.

We hope our Local Board will support the request of this softball club to relocate to Hamlin Park.
