
Notice of Motion

Emergency Grant to Counties Manukau Softball Association

In accordance with Standing Orders 2.5.1 and 2.5.2, I hereby give notice that I intend to move the following motion at the Papakura Local Board meeting being held on Wednesday, 26 September 2018.

Recommendations

That the Papakura Local Board:

- a) approve an emergency one-off grant of \$2,000 to the Counties Manukau Softball Association to assist with the reinstatement or purchase of equipment destroyed in the arson incident on Tuesday 18 September 2018.

Background:

1. There was an arson incident involving two storage containers and the referees building belonging to the Counties Manukau Softball Association at Prince Edward Park on Tuesday, 18 September 2018. Equipment for the coming season was significantly damaged.
2. A wooden bollard and gate was broken and a vehicle also caused damage to the softball playing surface.
3. The Softball Association is gearing up for the playing season and has been disadvantaged by the damage caused.
4. Given the playing season is about to commence it is recommended that the Papakura Local Board approve an emergency one-off grant of \$2,000 to assist the Softball Association with the reinstatement or purchase of equipment for the coming season.
