Transport Meetings and Issues

12 September	Infrastructure and Heritage Cluster.
18 September	Attended presentation on NZ Transport Agency's New National Land Transport Programme with Chair Doig.

Local issues have included the effects of parked vehicles on visibility on John Davis and Cape Horn roads and vegetation growth on the corner of Hillsborough Road and Canberra Avenue. Also delays in installing a bus shelter opposite the Mt. Albert Road / May Road intersection, cats eyes for the Richardson Road White Swan Road intersection and safety concerns at the Mt. Albert Road Hillsborough Road intersection.

Environmental Meetings and Issues

5 September	Hauraki Gulf Forum Seminar – Sessions of particular interest covered the restoration of Rotoroa Island and a successful project to begin mussel bed reseeding.
23 September	Te Auaunga tree planting at O'Donnell Avenue with Member Coury.
26 September	Green Cluster
28 September	Watercare Community Liaison Group Quarterly Meeting on behalf of Manukau Harbour Forum. Reports included good progress on the hydrodynamic model for the harbour. There was also mention of widespread reductions in shellfish numbers.

Representation Review

20 September	Personal (Have Your Say) submission to Council Working Party. I advocated that the proposed Albert Eden Roskill ward with a population of 182,400 electing two councillors be split into two single member wards.
21 September	Local Board Submission with Chair Doig.
