Thank you to the staff at the Onehunga Library and Community Center for hosting me at the 2018 Diwali celebration.

Sylvia Park Shopping Centre ran a community program called, “My Future”

It was a pleasure being on the Judging panel for the finalist in the “My Future” community program. Sylvia Park Shopping Centre developed the two community programs that encourages and supports students who deserve recognition for their outstanding determination, generosity and compassion in the community or in their own environment.

Students were judged in two categories, Year 7 -10 and Year 11 - 13 and were encouraged to enter either as a single entry or submit a project. Congratulations!
