

15 Tamaki Path Project Progress Update

A document was tabled for this item. A copy of which is available on the council website as a minute attachment.

Resolution number MT/2017/30

MOVED by Member C Makoare, seconded by Chairperson J Bartley:

That the Maungakiekie-Tāmaki Local Board:

- a) thank Vandna Kirmani, Project Manager, Lorenzo Canal, contracted services, and Shirley Coutts, Senior Local Board Advisor, for their attendance;
- b) approve the recommendation for a three metre wide concrete path to be implemented at the following sections, acknowledging that there will be some specific 'pinch point' locations where the width may be reduced to 2.5 metres where possible such as in areas of coastal erosion and tree constraints based on further detailed assessment during the design phase:
 - i) Section E - Riverside Reserve Local Path
 - ii) Section F - Riverside Reserve and Dunkirk Reserve Local Path
 - iii) Section G - Mount Wellington War Memorial Reserve Local Path
 - iv) Section H - Panmure Wharf Local Path;
- c) approve the recommendation for a three metre wide shell path to be implemented for Section B - Point England Reserve coastal Local Path (Pt England Road to the end of the new Omaru bridge), acknowledging that there will be some specific 'pinch point' locations where the width may be reduced to 2.5 metres where possible such as in areas of coastal erosion and tree constraints based on further detailed assessment during the design phase;
- d) place on hold the path proposed for Section A - Wai-o Taiki Reserve Local Path at this time in response to the objection from local residents;
- e) place on hold the path proposed for Section B - Point England Reserve coastal Local Path (from end of new Omaru bridge to Kotae Road and Kiano Place) at this time in response to the objection from local residents;
- f) place on hold Section C - Omaru Creek Stream and Section D - Point England Reserve sports fields to the end of Point England Road in response to objections from local residents and until the Ngati Paoa development plans are complete.
