Dear Sir/Madam

I am writing with regards to your dog Lukah.

As you are aware, Auckland Council have classified Lukah as a Menacing breed.

A Breed assessment was completed on 12.9.17 and 10.8.18. Both results confirmed Lukah is predominately of Pitbull Terrier Type.

I understand you would like to take this to a formal hearing.

We will therefore give all information to the Hearing committee and will be in contact once a date has been confirmed.

Kind regards

Louise Palmer
