

STRATEGIC PROCUREMENT COMMITTEE FORWARD WORK PROGRAMME FY2019

This committee deals with ensuring sound procurement processes are followed in order to deliver on the work programme and operations outlined in council's adopted Annual Plan. It has responsibility for awarding contracts of \$22.5 million or greater, awarding sensitive contracts and oversight of procurement strategies, processes and procedures.

Priorities for 2018 will be on initiatives which:

1. Delivery on Annual Plan Outcomes
2. Review delivery of Capital Projects
3. Endorse Procurement Category Strategies
4. Enhance Group Sourced Procurement
5. Improve Procurement Maturity

The work of the Committee will:

- Approve award of contracts and variations within the Committee's delegations.
- Monitor the delivery programme of major capital projects and recommend reporting to Finance and Performance Committee.
- Endorse procurement strategies and process improvements related to the Committee's responsibilities.
- Monitor progress and make recommendations on group sourced procurement activities.
