

Scope areas for which the local board is the decision maker

In scope of the development of the Plan:

- Park land for which the local board has delegated decision making authority including land held under both the Reserves Act 1977 and the Local Government Act 2002
- Land owned by the Crown/ Department of Conservation, but controlled and managed by Auckland Council as a local park

Out of scope of the development of the Plan:

- Rangihoua Onetangi Sports Park (ROSP) (subject to a separate Plan development)
- Tawaipareira Reserve and the maunga at ROSP and its surrounding landscape amenity area (delegated to a co-governance committee)
- Legal roads
- Drainage reserves
- Beaches
- Whakanewha Regional Park
- Department of Conservation managed land such as Stony Batter
- Privately owned park land, such as Forest and Bird owned land

Areas for which the local board has an advocacy role

Out of scope local board decision making, but local board has advocacy role:

- Unformed legal roads, where they have a park function
- Drainage reserves, where they have both a stormwater and park function
- Road to road accessways, where they provide an informal recreation and access function
