Waitākere Ranges Heritage Area Local Park Design Guidelines
Consultation Summary 2018

Shape Auckland	Council website
Shape Auckland consultation period was just under 9 weeks long (from 12th Feb -13 th April)	
Feedback:	
8 submissions received in total from both individuals and groups/organisations	
Submitters from across the Auckland region	
Open Days	
Bethells Community Day	28th Jan 2018
Glen Eden Local Board Office	21st Feb 2018
Titirangi Markets	25th Feb 2018
Laingholm Village Hall	4th Mar 2018
Key consultation themes	
General support for the document structure and overview section	
Reiteration of the importance of cultural heritage and interpretative signage explaining values	
Strong preference for use of natural materials (wood) in site furniture etc	
Kauri dieback – importance of considered path locations, restricting access to areas of kauri and public education	
Structures should have minimal impacts on the environment	
Lack of sports fields in the area	
Planting to be natural/native, increase planting in stream side areas to filter run-off and help prevent erosion	
Exotic plantings appropriate where there this reflects the heritage of the area or provides food for the community	
Encourage community to help with plantings and weed eradication	
Consider signage to be individually designed rather than generic	
Heritage area to be kept maintained, extra care to be taken around sensitive areas	
Incorporation of dark sky initiatives
