To Whom It May Concern

We, Keith Burrows and Raewynne Cantwell of 16 Ferndale Drive, wish to have the cottonwood trees on the corner of Cottonwood Place and Ferndale Drive, Kawakawa Bay removed as they are creating a hazard to our property.

The trees are enormous and are not fit for purpose in a residential area. They have grown to a size that threatens our property and becomes a hazard in strong winds when the branches regularly break off and the tree sways right over our house. Despite many requests over the past 4 years, the council has not maintained or pruned the trees on an ongoing basis; we have not seen anyone trim the trees for the past 2 years.

The trees have grown so large they overhang our property and block sunlight to our residence. From October to December, the cotton is dispersed onto our property and roof, getting into our gutters and consequently our tank water supply. It contaminates our water and blocks our water pump filter, requiring us to change the filter on an unusually frequent basis. Some weeks, when the leaf fall is at its highest, we are forced to clean our gutters on a daily basis if rain is threatened. We have solar panels on our roof which heats our water and provides electricity to our residence, which is not operating at an optimal level when both leaves and cotton is falling continually on to the panels. This requires us to be on the roof cleaning these away on a weekly basis also. We believe this is over and above what we would expect to be reasonable maintenance.

The sheer volume of leaves and cotton creates a thick blanket over our lawns and the time and effort required to clear them from the property is ongoing. The volume often prevents us from mowing our lawns easily. The storm water drains on the kerbside have been blocked every year and when we ring the council to advise them, they do not get cleared for weeks/months, meaning the road floods often and threatens our front lawn.

The roots are pushing up the road and many suckers are growing on our property from this root system. We have requested help from the council to control these, but nothing has been forthcoming.

Please get back to us with your decision as soon as possible.

We look forward to hearing from you.

Regards

Keith and Raewynne

Attachment A
We, the residents of Cottonwood Place and Ferndale Drive, Kawakawa Bay petition the Auckland City Council to remove the cottonwood tree growing on the island on the corner of Cottonwood Place and Ferndale Drive and plant something smaller in its place.

The tree has not been pruned over the past 2 and half years and has grown too big for the urban space it occupies. It is a hazard to the residents as the root system is beginning to damage the road surface and is also creating suckers that are now infiltrating the neighbouring properties.

The tree has grown so large that the branches hang well over and above the neighbouring property and the cotton that is dispersed between October and January each year falls onto the surrounding roofs, contaminating water supplies and blocking filters. The huge amount of cotton and leaves created by the sheer mass of the tree, creates a thick blanket across surrounding properties on the corner of Cottonwood Place, preventing these residents from mowing and maintaining their lawns.

Surrounding residents have an ongoing cost of maintaining their water supply, their guttering and roof surface, as well as the time and effort spent trying to clear their properties of the litter produced, over and above what would be considered acceptable regular maintenance.

We the residents request that the Council act quickly to resolve this ongoing issue and have the cottonwood tree removed.

Hi Malcolm
Thanks for attending our meeting last week. In regards to the trees:
We, the Kawakawa Bay Community Association Committee, support the removal of the cottonwood trees in Cottonwood Place, Kawakawa Bay. Not only are these trees now a nuisance but they also pose a significant Health and Safety risk to the public. Please let us know if you require further information.
Thank You
Andrea Coulidrey
Treasurer
Kawakawa Bay Community Association

Hamilton Estate, Waiuku
Community Development our way.

Deputation to the Franklin Local Board Meeting 11 April 2018
Presented by Grace van den Brink, Te Marama Hou Ministries Trust (CC53185)
Our People

- HAMILTON ESTATE COMMUNITY - WAIUKU
Our People

**SUPPORT ORGANISATIONS**

- Schools: View Road School, Waiuku Primary School, AkaAka School, Sandspit School, Waipipi School, Glenbrook School, Pukeoware School, and Waiuku College.
- Local and Central Government: Auckland Council, Franklin Local Board, Ministry of Health, Agriculture New Zealand, Ministry of Education, Ministry of Social Development, Tamariki Oranga, Department of Corrections, Ministry of Justice, Maori Land Court, Department of Inland Revenue.
- Tertiaries: Te Wananga o Raukawa, Open Polytech, Manukau Institute of Technology.
- Mana whenua: Ngati Te Ata, Tahuna Pa and Reretewhio Marae, Te Ara Rangatahi.
- Affiliations: Auckland Rugby League, New Zealand Rugby League, Waiuku Medical Centre, Out of School Care Network.
- Faith-based services: Waiuku Baptist Church, Cornerstone Church, Waiuku Christian Fellowship.
- Businesses: ASB Bank Waiuku, Waiuku Business Association, local businesses: New World, Mitre 10, Sunset Menswear, 100% Pyes Appliance
Our Values

- Te Marama Hou Ministries practices its commitment to supporting whānau (families) in a strength based and culturally appropriate way that prioritises child safety and promotes whānau well-being. Our practice aligns to Tikanga and Kaupapa Māori values.

- A Māori whakatauki (proverb) we have adopted -

  “Mā ihupiro ko momoho, Mā momoho ko tau o te mauri, Ko te puta o te ihu, ki te whai ao, ki te ao mārama”

  “From eagerness comes success From success comes confidence To attain enlightenment.”
Our Vision

To have a Waiuku thriving Community Hub that unites the many cultures where whānau feel safe, welcomed, valued, supported, empowered and proud to be a part of.

A shared facility that provides the opportunity for community enterprise and pathways to employment, health & wellbeing.
Our Projects

- Manages the lease and operations of the Hamilton Estate Community Hall, and community Civil Defence procedures
- Adult & Youth courses delivery
- Waiuku Community Garden & Events
- OSCAR Before/After School and Holiday Programme Community based at View Road School
- NZRL Parent-led Playgroup 0-5 ages
- Department of Corrections & Ministry of Justice - PD Supervision, Youth Aid Support
- WRLC and Summer Kiwi tag
Upcoming Projects

- Computers In Homes
- JP service (on hold)
- Youth courses and Te Reo classes
- Horticulture and Envirocare group
- Budgeting & Cooking workshops
- Legal and Maori Land Court clinics
- Waiuku Rugby League host Franklin Storm Games at Multi Sports Park King Street
11/12/18 - Deputation to the Franklin Local Board

21/12/18 – Tuwhera Community Christmas Event at Hamilton Estate Hall

7/1/19 to 2/2/19 - Oscar Rocks 3 weeks Holiday Programme at Hamilton Estate Park and View Road
Our Goals

- IMMEDIATE TERM – Wifi/Broadband connectivity

- SHORT TERM - Extend Community Garden to Council land and plant Fruit & Nut trees, connect Waiuku Trails to Hamilton Estate

- MEDIUM TERM – Refurbish ablution block, kitchen facilities upgrade

- LONG TERM:
  - A community and council co-designed ‘fit-for-purpose’ facility
  - Emergency Housing or Habitat home
  - Waiuku Rugby League Building upgrade
