Helensville Themes
Te Awaroa - the long river

- Bringing together people, culture, land (rural) and acknowledging the interwoven past.

- Rural qualities

- Helensville River

- Intermixed Past

- Concrete stamped in culturally significant pattern.
**Pavement treatments** - use culturally relevant patterns, textures, and materials where possible.

**Streetscape planting** - uses native plants and trees, with a focus on those with that symbolise the river environment.

**Signage & Seating** - tells the Maori and European history of Helensville through connections to the Kaipara River.

**Memorial Shelter** - use of timber and patterning symbolises the connection of the area’s founding by waka and boats.

NEXT STEPS:

- NZTA confirmation and approval in principal with our street tree species and plan.
- Additional consultation with Vets North and finalisation of the design of the structure and walkway adjacent to the Helensville Civic building.
- Community input into the colours of the three strands?
- Completion of the detailed design drawings.
- Passing on the detailed design drawings to NZTA to complete a Safety Audit.
