Arts, Community and Events									
18	Epsom Community Centre, One year Service Contract	Contract Epsom Community Centre Incorporated to facilitate and deliver against service level outcomes, at Epsom Community Centre in 2018/2019 year, commencing on 1 July 2018 and terminating on 30 June 2019. Operational funding amount to be adjusted annually in accordance with Auckland Council's agreed inflationary mechanism once confirmed.	The local board has an oversight and monitoring role. Q4: Workshop for Contract decision re 2019/2020 term	CS: ACE: Community Places	\$22,386 ABS: Opex	In progress	Amber	The management agreement was not signed in Q1 so the instalment could not be paid. Staff are working with the Epsom Community Centre committee to address concerns and ensure the agreement is signed and the instalment is paid in Q2. Planning for the regional hui has started and is scheduled for 5 December 2018.	The management agreement was not signed in Q1 so the instalment could not be paid. The group have now signed in Q2, however payment pending in receipt of work plan received. During Q2, Epsom Community Centre signed their funding agreement. Payment will be processed on receipt of work plan. The Regional Hui was held on the 5 December 2018 with over 30 partners in attendance. The main objective of the hui was to bring together the community places family (both council and community-managed centres) to share information, ask any questions and learn from each other. There were several council units involved that talked to their areas of expertise including Public Liability, Health and Safety and the council contracts system Ariba. Positive feedback was received from our community-led partners.
20	Mt Albert Community Centre, Funding Agreement year 2	Funding to Young Men's Christian Association of Auckland Incorporated (YMCA Inc) to facilitate and deliver work plan outcomes, including activities and programmes at the Mt Albert Community Centre for the years 2017-2020, commenced 1 July 2017 and terminating 30 June 2020. Operational funding amount to be adjusted annually in accordance with Auckland Council's agreed inflationary mechanism once confirmed.	No further decisions to be made in 2018/2019.	CS: ACE: Community Places	\$11,193 ABS: Opex	In progress	Green	In Q1, the 2019 instalment was paid and planning has started for the regional hui scheduled for 5 December 2018. The highlight for Q1 at the Mt Albert Community Centre was the Mt Albert Raise Up Youth Leadership programme. The group worked with a garden project manager tidying and planting vegetables in the Mt Albert community centre garden. The community centre will work with the project manager on a regular basis incorporating OSCAR, youth development programs, and the Y Gold groups to maintain the community gardens.	The highlight in Q2 was the Raise Up Youth Development group work with Gardens4Heath to plant vegetables and maintain the community garden. The Regional Hui was held on the 5 December 2018 with over 30 partners in attendance. The main objective of the hui was to bring together the community places family (both council and community managed centres) to share information, ask any questions and learn from each other. There were several council units involved, talking to their areas of expertise such as Public Liability, Health & Safety and the council contracts system Ariba. Positive feedback was received from our community led partners.
35	Carols at Potters Park	Delivery of the annual Carols at Potters Park event.	No further decisions are required.	CS: ACE: Events	\$18,000 LDI: Opex	In progress	Green	The event date has been confirmed for 9 December 2018 at Potters Park, Mt Eden and a permit application has been submitted. Programming will focus on engaging local community participation, with entertainment, activities and food stalls.	The event was delivered on 9 December 2018. A detailed debrief report will be presented in Q3.
39	ANZAC Services - Albert Eden	Supporting and/or delivering Anzac Day services and parades within the local board area. This includes the following: - \$1,250 ANZAC Epsom, Marivare Reserve (grant) - \$1,500 ANZAC Mt. Eden (grant) - \$1,500 ANZAC Pt. Chevalier (grant) - \$7,500 ANZAC Mt. Albert (delivered) - \$250 ANZAC Coyle Park (delivered) - \$3000 remains unallocated.	Confirmation of allocation of funding to local Anzac Services and Parades at Epsom, Mt Eden and Pt. Chevalier	CS: ACE: Events	\$15,000 LDI: Opex	In progress	Green	Scheduled for Q4, planning will commence in Q2.	Scheduled for Q4, planning commenced in Q2.
41	Citizenship Ceremonies - Albert- Eden	Delivery of an annual programme of citizenship ceremonies in conjunction with the Department of Internal Affairs.	No further decisions anticipated.	CS: ACE: Events	\$19,316 ABS: Opex	In progress	Green	The Civic Events team delivered two citizenship ceremonies on two separate occasions during Q1 with 339 people from the local board area becoming new citizens.	The Civic Events team delivered two citizenship ceremonies on two separate occasions during Q2 with 218 people from the local board area becoming new citizens.
45	Local Civic Events - Albert Eden	Delivering and/or supporting civic events within the local board area.- Owairaka Bridge opening- Coyle Park Sod Turning- Coyle Park Path Opening- Potters Learn to Ride.	Consult with the local board to identify events to be scheduled and confirm plans and expenditure budgets	CS: ACE: Events	\$4,000 LDI: Opex	In progress	Green	No activity occurred during Q1 as no civic events were scheduled.	Coyle Park sod turning was held on 5 December 2018. The event was led by local kaumatua. A breakfast was provided for guests at Pt Chevalier Beach Café. 13 guests attended the event.

47	Event Advertising Budget	Support the promotion and marketing of local events, including the utilisation of community notice boards.	Selection of events to promote and agree timeframes and sites.	CS: ACE: Events	\$4,000 LDI: Opex	In progress	Green	Community notice boards advertising local libraries and community centres were created and distributed across various sites. Planning has commenced to promote the schools cultural festival and the out and about programme in the coming months.	Event photography for a variety of images at events has been undertaken to promote the work of the local board and wider council via our communications channels. Other communications includes flyer designing and distribution. Planning has commenced to promote the Kukuwai Karnival 2019 and other events in the coming months.
50	Albert Eden Event Partnership Fund	This non-contestable fund allows the local board to partner with community led events to support and develop the events, establishing these as signature events for the area. The 2018/2019 financial year is the second year of a three year funding commitment: Morningside-Crave Café Street Party FY18/19; 19/20; \$3,000; \$3,000; \$3,000. Brazilian Day (Brasileirinho: musicas e brincadeiras) FY17/18; FY18/19; FY19/20; \$5,000; \$5,000; \$5,000	No further decisions anticipated.	CS: ACE: Events	\$8,000 LDI: Opex	In progress	Green	Funding agreements are being processed for both the Morningside Crave Café Street Party and the Brazilian Day. Payments are expected to be made in Q2.	Funding agreements have been processed and payments made for both applications, Morningside Crave Café Street Party and the Brazilian Day. Both events are scheduled to take place during Q3.
51	Movies in Parks – Albert Eden	Programme and deliver two Regional Movies in Parks series events.	No further decisions anticipated.	CS: ACE: Events	\$27,000 LDI: Opex	In progress	Green	Programming and delivery planning for two Regional Movies in Parks series events are underway. Venue 1: Park scoping TBC Date: 14 February 2019 Movie: La La Land Venue 2: Coyle Park Date: 29 March 2019 Movie: Star Wars: The Empire Strikes Back Pre-entertainment will be sourced locally during Q2, for engagement and activation by those from within the community.	Planning for Movies in Parks is on track with pre-entertainment booked and event permits issued for Nixon Park screening on 14 February 2019 and Coyle Park screening on 29 March 2019. Public screening licenses for "La La Land" and "Back to the Future 2" have been approved. Event specific marketing starts three weeks prior to each event. Movies in Parks is zero waste, as well as smoke and alcohol free. Series sponsors are NIB Health Cover, Te Wananga o Aotearoa, Globelet, MenuLog and media partner More FM.
52	Albert Eden Contracted Events	Contracting to support and deliver community events through a non-contestable process. - \$ 20,000 Albert-Eden Schools Cultural Festival (YMCA)	No further decisions anticipated.	CS: ACE: Events	\$20,000 LDI: Opex	In progress	Green	The funding agreement has been completed and funds have been transferred to the YMCA in Q1.	The Albert-Eden Schools Cultural Festival was held on 17 November 2018.
313	Pt Chevalier and Sandringham Community Centre programme delivery	Plan, develop, deliver and evaluate a programme of activities that;- aligns to the outcome area of "Albert Eden has a strong sense of community", with a strong focus on supporting delivery of the ACE integrated focus area.- ensures community participation- enables more residents to feel connected to their community spaces - allows participants to learn, grow and come together to have fun	No further decisions anticipated	CS: ACE: Community Places	\$12,345 ABS: Opex	In progress	Green	Work programmes for Sandringham and Pt Chevalier Community Centres are being delivered as planned. The highlight from the Sandringham Community Centre was the Pacific Craft Weaving programme. Students are learning how to make Pacific styled kaho necklaces out of resources such as ribbons, flax leaves, string, natural green resources, fresh flowers and plastic flowers. Classes are regularly attended by 8-14 people from the local area. Positive feedback has been received with students noting they enjoy learning new skills and getting to know one another. The Pt Chevalier Community Centre Street Food night market has moved from the front of the community centre to the town square. This has enabled the market to grow and develop, which has increased the number of visitors from 100 to over 500. Six programmes have been evaluated across both centres. Staff and tutors will use this information to develop and improve the programmes in Q2.	Work programmes for Sandringham and Pt Chevalier Community Centres are being delivered as planned. The Sandringham Community Centre highlight this quarter was the annual Sandringham Street Festival. The community centre was open and had a cake, a sandwich and a BBQ halal sausage stall. There was a printmaking art table set up in the front hall and out the back there was a bouncy castle, both of which attracted lots of children and families. Approximately 150 people come through the centre during the day. The Pt Chevalier Community Centre highlight this quarter was converting one of the storage rooms downstairs into a music recording studio. Working with Crescendo Trust, the space was cleared out, sound proofed and carpeted. Creating a designated recording studio enables Crescendo Trust to work with a greater number of local young people through their music production programme.

400	Community grants (AE)	Funding to support local community groups through contestable grants	Remaining rounds for 2018/2019 are due: Quick response Round Three: 22 May 2019 Local Grants Round Two: 24 April 2019	CS: ACE: Community Empowerment	\$120,000 LDI: Opex	In progress	Green	In Q1 there was one quick response round allocating \$25,591, which leaves a total of \$94,409 to be allocated to two local grants round and two quick response rounds.	In Q2, the local board had one quick response round allocating \$21,475.43 and one local grants round allocating a total of \$50,614. There is remaining balance of \$22,319.57 to allocate this financial year.
402	Accommodation Grants (AE)	Funding to support local community groups through accommodation grant funding.	The Accommodation Support Round opens on 21 January and closes 29 March 2019 Decision date: 22 May 2019.	CS: ACE: Community Empowerment	\$160,000 LDI: Opex	Approved	Green	There have not been any rounds in this quarter. There is one Accommodation Grants round for 2018/2019. The application period runs from 19 February 2019 – 29 March 2019, with decision-making scheduled for 22 May 2019 (in Q4).	There have not been any rounds in this quarter. There is one Accommodation Grants round for 2018/2019. The application period runs from 19 February 2019 – 29 March 2019, with decision-making scheduled for 22 May 2019 (in Q4).
618	Venue Hire Service Delivery - AE	Provide, manage and promote venues for hire, and the activities and opportunities they offer by; - managing the customer centric booking and access process - continue to develop and deliver service improvement initiatives - aligning activity to local board priorities through management of the fees and charges framework. These include whether activities contribute to community outcomes offered by not-for-profit and community groups and whether participants are charged \$10 or more for activities.	No further decisions are anticipated.	CS: ACE: Community Places	\$0 ABS: Opex	In progress	Green	During Q1 hirer satisfaction results show that 90 per cent of hirers would recommend the venues they have visited. Participant numbers have increased by 5 per cent compared to the same period last year. Booking hours have increased by 7 per cent compared to the same period last year. The top three activity types during Q1 are meetings, religious activity and arts and cultural events. A focus for staff in Q2 will be promoting our network through Google and Facebook channels.	During Q2, hirer satisfaction remains high with 89 per cent of hirers indicating that they would recommend the venues they have visited. Participant numbers have increased by 5.9 per cent and booking hours have increased by 7 per cent. The statistics are based on the first five months of 2018/2019. In Q3 staff will be working with communities in preparation for the 2019/2020 booking calendar opening.
953	Build capacity: Western Springs Community recycling centre and network development	Engage with community groups to develop the Western Springs Community Recycling Centre.	No further decisions anticipated	CS: ACE: Community Empowerment	\$5,000 LDI: Opex	In progress	Green	A focus for staff in Q1 is to develop a partnership with a local group called The Creative Kids Collective, who will coordinate various activities for local communities, with an aim to build a network for community recycling. The first event planned for this year is called a 'loose parts event' where children utilise waste or recycled goods to get creative. The event was held on 10 November 2018 at the Western Springs Garden Hall.	Staff have developed a partnership with a local group called the Creative Kids Collective instead of a regional body like Envision. The 'Creative Kids Collective' successfully held the 'Loose Parts' event on 10 November 2018 at the Western Springs Community Garden Hall. 300 kids and parents from local suburbs attended the event during the day to creatively build products out of waste redirected from the landfill. This workshop aligned with the aim of growing the network of recycling practitioners and reducing waste to landfill. There were positive feedback received from attendees and due to the success of the event, the Creative Kids Collective will continue to support and develop the local network and fulfil the aims of this project in Q3 and Q4.

954	Increase diverse community participation: Responsive programming for identified communities.	<p>Fund diverse community organisations to deliver responsive programmes for Māori, seniors and migrant communities to increase their sense of connection, safety and wellbeing.</p> <p>Programme planning and implementation is informed by research commissioned in 2017 'Inclusion and Diversity report' which identified community groups' aspirations:</p> <ul style="list-style-type: none"> • To see an increase in access to and awareness of available resources (venues, funding, providers, spaces to engage in physical activities, mental health and wellbeing) • An increased awareness on ways to connect and give back to communities. Volunteer, share skills, learn from each other • For the local board to support community led opportunities to experience cross cultural learning and engagement • The local board are more visible to diverse communities • Increase in better suited public spaces (hubs catering to a range of activities) • Reduced experiences of stigma and discrimination. <p>Activities addressing these community aspirations have been streamed into the following themes:</p> <ol style="list-style-type: none"> 1 Inter-cultural & Race Awareness (Increased opportunities for diverse communities to connect with each other) 2. Intergenerational Opportunities (Increased awareness of volunteering and opportunities to share skills and knowledge between generations) 3. Business Mentoring Support for new start-ups (Increased wrap-around support for emerging social enterprises and small businesses) 4. Increase in awareness of services and opportunities (Communities want to know and understand what is available to assist them and how to access support) 5. Mainstreaming conversations with people from diverse abilities (Increased opportunities for differently abled communities to be included in events, projects, initiatives). <p>Delivery will be closely aligned to the outcomes of placemaking, arts and events brokerage and community places/spaces.</p>	No further decisions anticipated	CS: ACE: Community Empowerment	\$45,000 LDI: Opex	In progress	Green	<p>Business Mentoring Support for new start-ups: Five women entrepreneurs launched their businesses through the "LeaderInU – Ideas to Launch" local mentoring programme. The entrepreneurs will continue to be mentored to grow their business ideas in Q2. A new intake will start at the end of Q2.</p> <p>Mainstreaming conversations with people with diverse abilities: Kahui Tu Kaha is working with mental health patients to build their wider local networks. They were connected with the Waste Solutions Unit in Auckland Council to build the group's capacity and knowledge regarding waste minimisation. The group is developing an ART exhibition to showcase their learnings in Q2.</p> <p>Intercultural, Race Awareness and Increase in Awareness of services and opportunities: A cultural tour is being coordinated through The Asian Network Incorporated. The local sites and hubs of significance are being finalised with local groups. The tour will be held in Q2.</p> <p>Intergenerational opportunities: Opportunities to work with seniors in the area are being explored through the Roskill Together group. A collaborative approach with the Puketapapa Local Board is being explored with details finalised in Q2.</p>	<p>The Migrant Business Mentoring programme video was finalised in Q2 and is available on YouTube.</p> <p>The 'LeaderInU' programme connected with women going through the Kahui tu kaha programme. The first cohort on the Kahui tu Kaha leadership programme consisted of fifteen women with diverse backgrounds and mental health issues, who held an art exhibition of their products at Ferndale House. Past entrepreneurs are progressing well and have fully utilised the seed funding provided.</p> <p>More than 50 local residents participated during The Intercultural Tour which was an opportunity for attendees to build their understanding of the culture, heritage and traditions of their neighbours. The tour included a guided hiko on Maungawhau by Ngati Whatua O Orakei and a visit to the Bhartiya Mandir Hindu Temple and community facility in Balmoral. Participants were connected to local volunteering opportunities, many linking up with the community garden behind the Balmoral temple. The tour was held in partnership with TANI, Ngati Whatua O Orakie, Bhartiya Mandir Trust and Shanti Niwas.</p> <p>Intergenerational opportunities: Opportunities to work with seniors in the area through the Roskill Together group did not eventuate. Project opportunities for youth and older volunteers will be explored through the Gribblehirst community shed in Q3.</p>

955	Children and Young People: Youth Voice and Youth Initiatives	Fund work that will: <ul style="list-style-type: none"> • Support young people to provide input into local board decision-making on issues that affect young people. • Implement youth-led projects and events. • Scope opportunities for programming with the focus on children. <p>Note: this activity will link with the ACE integrated activities (ID's 988, 990, 1004). For example, targeted programmes for involvement in placemaking or events.</p>	No further decisions anticipated	CS: ACE: Community Empowerment	\$20,000 LDI: Opex	In progress	Green	Staff have finalised a funding agreement with PHAB for the facilitation of the Albert-Eden Youth Board. The youth board are engaging with youth through university and college campuses as well as hosting events with young people who are not currently in school. Most recently, the youth board have partnered with Innovative to provide guidance and advice on independent living. In the new year the youth board will partner with the Albert-Eden Schools Cultural Festival to provide information on how to become a member of the Albert-Eden Youth Board. At all events participation and recruitment are reoccurring themes and regularly encouraged and discussed. The biggest promotion of the youth board has been through the Facebook online profiles. In Q1, the youth board provided input to the Albert-Eden Local Board as well as other local organisations.	The Albert-Eden Youth Board has been very active in their community. In Q1 and Q2, they gave advice and reported to over 20 organisations that make decisions affecting young people within the local board area. The youth board members are focused on building a safe community and actively seeking wider youth participation in their projects. To increase levels of influence in their community, the youth board have organised workshops for young people not in traditional educational institutions to offer them support on financial and independent living matters. In Q2, the youth board MC'ed the Albert-Eden Schools Cultural Festival. In Q3 and Q4, the youth board plan to recruit new members. No further decisions are anticipated.
956	Community-led placemaking: Community Gardens	Fund a community organisation (e.g. Gardens for Health) to <ul style="list-style-type: none"> • maintain and coordinate a network of community gardens • provide seed funding to members of the network for enhancement of gardens through materials or sharing expertise • report outcomes and issues with community gardens in Albert-Eden • foster relationships with eco-neighbourhoods, low carbon initiatives and ecological restoration projects. 	No further decisions anticipated	CS: ACE: Community Empowerment	\$10,000 LDI: Opex	In progress	Green	The funding agreement for the Gardens for Health project umbrella organisation, Diabetes Project Trust, has been signed and will be paid out in Q2. In Q2 Gardens for Health will continue to deliver capacity building through education, mentoring, maintenance of local community gardens, and support of networking.	A funding agreement for the Gardens for Health project's umbrella organisation Diabetes Project Trust was finalised, and funds have been received by the organisation. Gardens for Health have delivered capacity building workshops and provided education and support to the local community garden network. Several of their community gardens have recently attracted new volunteers, serving as a way to bring communities together. An example of this can be seen through the Bharatiya Mandir Hindu Temple which has expanded its programme to include compost and educational food workshops with the Chinese community. Gardens for Health continues to provide workshops and advice to the growing number of volunteers. No further decisions anticipated.
957	Apply the empowered communities approach – connecting communities (AE)	Broker strategic collaborative relationships and resources within the community. This includes five key activity areas: <ol style="list-style-type: none"> 1. Engaging communities: <ul style="list-style-type: none"> • Reaching out to less accessible and diverse groups - focusing on capacity building and inclusion. • Supporting existing community groups and relationships. 2. Strengthen community-led placemaking and planning initiatives - empowering communities to: <ul style="list-style-type: none"> • Provide input into placemaking initiatives. • Influence decision-making on place-based planning and implementation. This includes urban revitalisation activities, collaborating with relevant council departments and council-controlled organisations. 3. Enabling council: <ul style="list-style-type: none"> • Supporting groups to gain access to operational and technical expertise and identify and address barriers to community empowerment. 4. Responding to the aspirations of mana whenua, mataawaka, marae and Māori organisations: <ul style="list-style-type: none"> • This does not replace or duplicate any stand-alone local board Maori responsiveness activities. 5. Reporting back - to local board members on progress in activity areas 1 - 4. Note: this activity includes a community engagement budget (\$20k). Note: the 2018/2019 budget figure shown for this activity includes the \$20,000 originally approved plus \$3,000 deferral from 2017/2018. 	No further decisions anticipated	CS: ACE: Community Empowerment	\$23,000 LDI: Opex	In progress	Green	<ol style="list-style-type: none"> 1. Engaging communities: <ul style="list-style-type: none"> • ActivAsian sporting group to expand active recreation in migrant communities. • Epsom Chinese Association to increase opportunities for engagement and participation. • Engaged Jessica Phuang, NZ Police, on migrant safety workshops. • Engaged with Gribblehirst Hub on proposal for adjacent greens and building issues. 2. Strengthening community-led placemaking and planning: <ul style="list-style-type: none"> • Contributing to the development of a placemaking training module for CEU staff. • Collaborating with the Epsom Network Coordinator to develop the Epsom Network. 3. Enabling council: <ul style="list-style-type: none"> • Connecting with key internal and external partners to map responses to diversity and inclusion in new HNZ/HLC developments. • Contributed feedback to the Community Facilities 'your voice' session for Community Services staff. • Member of working group to develop options for shared space coordination across community leases in Puketapapa and Albert Eden. 4. Responding to mana whenua, mataawaka, marae and Māori organisation aspirations: <ul style="list-style-type: none"> • Working with Kura Kaupapa Maori to support options for the Kai Festival in early November 2018 and hosting citizenship ceremonies in the local board. • Ngati Whatua coordinated guided cultural walks on Maungawhau to be included in the intercultural tours. 	<ol style="list-style-type: none"> 1. Engaging communities: <ul style="list-style-type: none"> -Green City Pocket Lab - navigating approval processes for a summer activation programme at Gribblehirst Greens. -Epsom Community Centre - on area networking opportunities-Booking venues for the NZ Police 2019 migrant safety workshops. 2. Strengthening community-led placemaking and planning: <ul style="list-style-type: none"> -Attendance at the Milenko placemaking workshop with the new Balmoral Placemaking Coordinator to introduce key concepts and networking opportunities. -Successful submission of a CEU innovation project to enhance social cohesion in new housing areas in Albert Eden (Owairaka) that is community-led. 3. Enabling council: <ul style="list-style-type: none"> -Participation in the Community Places roadmap for community voices in community facilities workshop. -Identification of new Landowner Approval fees for development of lease grounds as potential barrier for community lease groups with enabling council staff. 4. Responding to mana whenua, mataawaka, marae and Māori organisation aspirations: <ul style="list-style-type: none"> -Continued work with Kura Kaupapa Maori on support options for the Kai Festival, now postponed until February 2019 -50 diverse community members participated in a guided Hiko on Maungawhau coordinated by Ngati Whatua o Orakei and were linked to future volunteering opportunities.

Work Programme 2018/2019 Q2 Report

ID	Activity Name	Activity Description	Further Decision Points	Lead Dept / Unit or CCO	Budget	Activity Status	RAG	Q1 Commentary	Q2 Commentary
958	Neighbours Day Grants - Albert Eden	Grants to support community led Neighbours Day activities.	Decide on the applications/events to fund in Q3.	CS: ACE: Community Empowerment	\$5,000 LDI: Opex	In progress	Green	Neighbourhood Support Auckland have confirmed that they will engage with neighbours and the wider community to promote a Community Placemaking Event through the Neighbours Day 2019 celebrations. Auckland Emergency Management has expressed an interest in partnering with Neighbourhood Support and is keen to match the Neighbours Day 2019 budget for the local board. The next step is to agree on measures and outcomes and the content of the funding agreement. Staff will work with Neighbourhood Support and community organisations to encourage community participation. A marketing strategy will be developed and delivered in Q2.	Preparations for Neighbours Day Campaign 2019 are underway. The flyers and application forms are ready for distribution, the funding agreement has been signed and the grant payment is being processed. Funding applications will open in January 2019 and close in February 2019. The number of applications received will be reported in Q3.
981	Kukuwai Park Community Day	Delivery of the Kukuwai Park Community Day event. Event delivered in partnership with Whau Local Board.	Approval of plan and expenditure budget. Budget is split between AE and Whau (ABS Opex SH20)	CS: ACE: Events	\$0 LDI: Opex	In progress	Green	The event scope and concept planning is underway, with input to be sought from Whau Local Board members in Q2. The event will be delivered in Q3.	The 'Kukuwai Karnival' event at Kukuwai Park will be delivered from 11.00am - 4.00pm, 23 February 2019. The event permitting process is underway, with planning to focus on a community day of fun activities and entertainment and with opportunities for local initiatives, clubs or schools to be involved.
984	Albert Eden Award Ceremonies	Delivering of award ceremonies within the local board area.- \$1,500 Community Grants Recipient Event- \$5,500 Local Heros Awards (to be delivered by a contractor)- \$8,000 Albert-Eden Junior Sports Awards (to be delivered by a contractor).	No further decisions anticipated.	CS: ACE: Events	\$15,000 LDI: Opex	In progress	Green	Event briefs have been completed. Scheduled for Q3, planning will commence in Q2.	A contractor has been engaged for each of the Events and planning has commenced. Delivery of all 3 ceremonies Q4.
988	Community Arts and Events Programmes - Arts and Events Brokering Service – Integrated ACE activity.	Administer a three year services agreement with Too Bee Limited to develop strategic relationships and contacts, and raise budget to add to local board budgets for innovative local arts and culture programmes, local events, temporary street projects and activations with the aim of enabling and empowering diverse community-led arts and events activity across the local board area. Itemisation: Service contribution \$45,000 Projects contribution \$90,000	No further decisions anticipated.	CS: ACE: Advisory	\$135,000 LDI: Opex	In progress	Green	In Q1 a services agreement was administered with Too Bee Limited to deliver the Albert-Eden Community Arts Programme with an expansion to the 2018/2019 financial year work programme to include additional events. In a workshop with Too Bee Limited the local board defined the outcomes and scope for these events and signed off on all the projects to be funded. An expression of interest has gone out to invite creatives for delivery of these events. Other activities that took place were The Ahurei Takataapui Matariki event and Glass Ceilings dance performances in the Mt Albert, Epsom and Pt Chevalier libraries. The mural project has been delayed but Kakano Youth Collective have created draft designs.	Arts Broker activity: The second MADE (Mt Albert Design Exhibition) was held at Alberton. Funded workshops for a Deaf artist/teacher through The Deaf Wellbeing Society were held fortnightly and in December. The ARCC (Auckland Resettled Community Coalition) held a Block Party at Alberton with young musicians and artists from refugee backgrounds. The Eric Armishaw Mural is deferred to Q3. Additional events programme: This programme differs from arts broker activity as the events need not be arts and culture focused. At a workshop in Q2 the broker proposed that as well as extending an expression on interest to fund events from Q3 onwards, a portion of budget be targeted to build capacity with a dedicated community group to enable future events. The local board requested a budget and plan for capacity building and to view the expression on interest and responses in Q3.

990	Thriving Town Centre programmes – local placemaking (Integrated ACE activity).	<p>Fund a part-time town centre activation and placemaking coordinator (focused on supporting development in Pt Chevalier and Balmoral in FY19 with the aim to expand and embed in FY20 and FY21). The coordinator will facilitate and develop strategic relationships and contacts, and work with local partners, organisations and businesses (both council and non-council) to identify capacity-building opportunities and to organise and enable a year-round programme of community-led place-based initiatives that increase the vibrancy of town centres.</p> <p>Key project elements: Placemaking in Balmoral and Pt Chevalier Town Centres</p> <ul style="list-style-type: none"> · Coordination · Capacity building · Activation <p>Local Economic Development partnerships in Town Centres</p> <ul style="list-style-type: none"> · Expressions of interest from business associations and BIDs 		CS: ACE: Advisory	\$128,000 LDI: Opex	In progress	Green	<p>•Project planning: The integrated work programme has been divided into placemaking in Pt Chevalier, Balmoral and the Expression of Interest process for local economic development in the five eligible business associations in town centres and three Business Improvement Districts. Further planning work within each of these key components is currently underway.</p> <p>•Pt Chevalier Placemaking: on 7 September 2018, activation of the town square included community engagement on local facilities as part of the optimisation work for the Pt Chevalier community centre and the community centre initiated food market. The engagement survey gathered over 100 email contacts for local people interested in responding on their use of local community facilities. Over 500 people attended the food market, up from 100 the previous month. An update report on the placemaking project is currently being finalised and will be available in Q2.</p> <p>•Balmoral Placemaking: Staff have been connecting with key partners and recruiting a coordinator to undertake placemaking activities. Staff met with the Balmoral Chinese Business Association on 27 September 2018 with Business Improvement District staff from council and the Dominion Road Business Improvement District, to explore options for future collaboration and establish baselines for work with the placemaking coordinator and Arts-Events broker role. A coordinator is expected to commence work in Q2.</p> <p>•Expressions of interest for local economic development grants: Staff presented proposals at a local board workshop to commence advertising the Expression of Interest (EOI) process earlier this year, reviewed current selection criteria. Business association leaders will meet with the local board and present an outline of what they are proposing in their EOI application in Q2. Decisions on the grant recipients will be made in Q4.</p>	<p>The integrated work programme has been divided into three distinct work areas: -placemaking in Pt Chevalier -placemaking in Balmoral -Expression of Interest process for local economic development in the five eligible business associations in town centres and three Business Improvement Districts.</p> <p>Pt Chevalier Placemaking: The funding agreement for the Pt Chevalier Placemaking coordinator detailing key milestones and deliverables were finalised. The Point Chevalier place making group presented their Year One report to the LB at a workshop in December.</p> <p>Further activation and placemaking activities will be developed by the group in Q3 and Q4.</p> <p>Balmoral Placemaking: The funding agreement for the new Balmoral place coordinator detailing key milestones and deliverables were finalised. Staff coordinated a meeting between the Balmoral Chinese Business Association (BCBA) the Dominion Rd Business Improvement District, the Balmoral place coordinator and Council events staff, to explore options for participation in the Carols in the Park event in December. More targeted work is needed in Q3 and Q4 to strengthen relationships and identify resources to enable BCBA and Dominion Rd BID to leverage off events in Potters Park.</p> <p>BCBA have worked with the Dominion Road BID to strengthen their relationship. A vision development process for the group is being organised with the BID team in Q3.</p> <p>Expressions of interest for local economic development grants: Business Associations (BA) attended a local board workshop in early December. Each BA presented a summary of key activities in their currently funded work and an overview of what they would like to use grant funding for, in the 2018/2019 expression on interest round. The presentation provided an opportunity for elected members to connect directly with the business associations and hear about and discuss current delivery and proposals for further work. Decisions on the grant funding allocation to each BA will be made in Q4.</p>
1004	Enabling shared use of space - Integrated ACE activity.	Contract provider to work closely with five identified community lease groups to support them to effectively and efficiently shared use of their space. - Implementing findings from a stocktake commissioned by the local board in FY18 - this integrated project will allow work across two local board areas (AELB and PKTLB). (FY19 is year one of three year "Enabling shared use of space" programme.)	The local board will have input into groups selected to participate in the sharing of leased spaces. No further decision points for the local board.	CS: ACE: Advisory	\$10,000 LDI: Opex	In progress	Green	The project team has been established. The project was workshoped with the local board to clarify expectations and seek input. The coordinator role brief has been developed and candidate engagement has been initiated.	Project contractor engaged and project initiated. Establishment of key contact relationships progressed to assist with connecting groups and spaces. Contact made with current lease holders to promote project awareness and gather information about potential spaces to be shared. Workshop to update local board planned for February 2019.
1243	Local Māori Responsiveness Action Plan (AE)	<p>Work with mana whenua and mataawaka to create a local responsiveness action plan which includes the following:</p> <ul style="list-style-type: none"> • key aspirations and priorities for Māori in the area • opportunities to work together • a plan for building strong relationships and sharing information with Māori. <p>Note: any required expenditure for this activity to be sourced from budget relating to line item 954 - increase diverse participation - responsiveness programming.</p>	No further decisions anticipated	CS: ACE: Community Empowerment	\$0 LDI: Opex	In progress	Green	<p>The strategic broker has:</p> <ul style="list-style-type: none"> - worked with Kura Kaupapa Maori on support options for the Kai Festival in early November and on the potential to work towards hosting citizenship ceremonies in the local board area. - included the Ngati Whatua coordinated guided cultural walks on Maungawhau in the planning for intercultural tours for diverse community groups. 	<p>The strategic broker has:</p> <ul style="list-style-type: none"> -Continued to work with Kura Kaupapa Maori on support options for the Kai Festival, now postponed until February 2019 -assisted with the planning and evaluation of the guided Hikoī on Maungawhau, coordinated by Ngati Whatua o Orakei, which 50 diverse community members participated in and made connections on future volunteering opportunities with Ngati Whatua o Orakei.

2454	Epsom Community Centre, Expression of Interest	Facilitate a community-wide EOI process to confirm the right provider to deliver the service from Epsom Community centre who has strong local links to the community and the competencies and capacity required to manage the Epsom Community Centre.	The local board has an oversight and monitoring role. Q3: Workshop to discuss preferred provider identified through EOI Q4: Meeting to approve provider to deliver service level from Epsom Community Centre for 2019/2020 and onwards.	CS: ACE: Community Places	\$0 ABS: Opex	In progress	Green	Staff held a workshop with the local board to discuss and agree the local board's vision, level of service and measures for the Epsom Community Centre for the 2018/2019 financial year contract. A report seeking local board approval for these will be presented at the October business meeting.	At the October 2018 business meeting the local board approved the priorities for the Epsom Community Centre for the 2019/2020 financial year and a service term of three years. The initial communication to the community for the upcoming expression of interest opportunity to manage the centre has also been published this quarter.
2802	Community Response Fund - Albert-Eden	Discretionary fund to respond to community issues as they arise during the year	The local board will consider strategic assessments of proposed initiatives and/or projects, and approve funding for those projects after consideration of their likely benefits	CS: ACE: Advisory	\$30,725 LDI: Opex	In progress	Green	Additional \$725 from ATEED Balance: \$30,725	AE/2018/299 - \$10,000 to Bike Hub project, to be used for Tumeke Cycles Space Incorporated to establish a bike hub at Gribblehirst Park. Balance: \$20,725

670	Albert-Eden Full Facilities Contracts	The Full Facilities maintenance contracts include all buildings, parks and open space assets, sports fields, coastal management and storm damage.	No further decisions anticipated	CF: Operations	\$4,563,319 ABS: Opex	In progress	Green	The first quarter has been spent largely remediating the remainder of the April storm responsive work orders. Contractors will use this experience to plan, prepare and execute service delivery better if this type of storm event occurs again. Conscious of the seasonal change into dryer months, the contractors have started prioritising track maintenance, to ensure that they are fit for public use. Considerable time has been spent collaborating with stakeholders in the planning and preparation for the streetscape contracts coming over to Community Facilities in 2019. Above all, continuous conscientious effort is being made towards management and improved maintenance delivery outcomes for our customers.	Coming into the second quarter, there has been a major focus on ensuring the contractors are meeting their service delivery outcomes, particularly in the open spaces. To cater for heavier than normal foot traffic through our assets, driven by the warmer season, the contractors have provided us with enhanced frequencies to meet these needs. We saw some scheduled visits for rubbish bin emptying and toilet cleaning increase from double to triple per day. With the rain in December and humidity over the Christmas and New Year period, we have seen a minor flush of the green assets, which the contractor is trying to manage. Another priority focus for the contractors during this busy season, will be to ensure all playground equipment is fully operational and safe to use. Collaboration with stakeholders in the planning and preparation for the streetscape contracts coming over to Community Facilities continues to occur. Above all, continuous conscientious effort is being made towards management and improved maintenance delivery outcomes for our customers in Albert Eden.
671	Albert-Eden Arboriculture Contracts	The Arboriculture maintenance contracts include tree management and maintenance.	No further decisions anticipated	CF: Operations	\$763,557 ABS: Opex	In progress	Green	The first quarter was influenced by remedial work after the April storm. The continued storm clean up was balanced against addressing deferred requests prior to the storm, and higher priority new requests received. Outstanding work is now limited to sites where access has been restricted due to ground conditions. It is anticipated these sites will be accessible shortly into the second quarter, weather dependant. The scheduled works programme was delayed as a consequence of the storm and deferred works, but is now on track. Replacement planting of trees removed throughout the year has been completed during the quarter.	The second quarter continued to be influenced by wet weather, limiting access to many locations, with remaining material from the April storm only being able to be cleared during December 2018. As conditions improve we see a general movement from primarily street tree focused activities to a summer parks tree maintenance programme. As weather improves, a close watch will be kept on the need for watering of new trees planted during winter.
672	Albert-Eden Ecological Restoration Contracts	The Ecological Restoration maintenance contracts include pest plant and animal pest management within ecologically significant parks and reserves.	No further decisions anticipated	CF: Operations	\$64,641 ABS: Opex	In progress	Green	During the first quarter, the annual update of the Site Assessment Reports, a large portion of the pest animal monitoring, and the majority of the first pulse of the rat control programme have been completed. Various unscheduled activities were completed which included a mixture of pest animal control and pest plant control. Request for service work orders received, continue to be seasonally normal, with an increasing trend in activity becoming apparent during the late stages of the quarter.	Works during the second quarter have predominantly been undertaken in high value sites. The first pulse of the rat control programme has been completed and now moving to the second pulse. High value pest plant control remains high on the agenda throughout the summer months. Request for service work orders received are trending slightly above average for the season. It is anticipated that requests for wasp control will likely pick up in quarter three.
2352	Albert Eden - renew park play spaces FY17+	Renew play space equipment at playgrounds within the local board area. Stage one includes the investigation, design and scope of the physical works (including options for assets that may benefit from an increased level of service subject to local board approval). Stage two includes the physical works. The assets identified for renewal were prioritised for stage two which is physical works. This project is a continuation of a multi-year funded project from the 2016/2017 programme (previous SP18 ID 2426) which includes Anderson Park, Bannerman Reserve, Owairaka Park, Sandringham and Virginia Reserve.	Options to be reviewed by the local board	CF: Project Delivery	\$165,000 ABS: Capex - Renewals	In progress	Green	Current status: Consultation has been undertaken for the following playgrounds: Owairaka, Sandringham, Virginia, Bannerman, Coyle and Sandringham Community Centre parks. The playgrounds are currently being designed. Next steps: Present designs to local board for approval and then programme the physical works for each playground.	Current status: Consultation has been undertaken for the following playgrounds: Owairaka, Virginia, Bannerman, Coyle and Sandringham community centre parks. The playgrounds are currently being reviewed for renewal. Next steps: Present designs to local board for approval and then programme the physical works for each playground.

2353	Albert-Eden - renew park fencing and structures FY19+	Renew park fencing and structures (retaining walls, bridges, bollards, etc.) assessed as condition 4 and 5. Stage one includes the investigation, design and scope of the physical works (including options for assets that may benefit from an increased level of service subject to local board approval). Stage two will include the physical works. This project is a multi-year funded project to be initiated in the 2018/19 programme.	Board to prioritise assets for renewal	CF: Investigation and Design	\$20,000 ABS: Capex - Renewals	In progress	Green	Current status: Site investigations underway. Next steps: Complete site investigations and compile findings to determine project scope.	Current status: Project is scoped. Submitting for pricing. Next steps: Engage contractor and deliver.
2354	Coyle Park - renew playground	Investigate renew playground components and surfacing. Stage one includes the investigation, design and scope of the physical works (including options for assets that may benefit from an increased level of service subject to local board approval). Stage two will include the physical works.	Design options to be reviewed by the local board	CF: Investigation and Design	\$10,000 ABS: Capex - Renewals	In progress	Green	Current status: Undertake site visit with design consultant and assess what needs improving in the playground. Next steps: Create business case and seek approval from the local board for design and budget.	Current status: Design consultant has been engaged to assess if any improvements are needed in the playground. Next steps: Create business case and seek approval from the local board for design and budget.
2355	Albert-Eden - renew park play spaces FY19+	Renew play space equipment for playgrounds, skate parks and half courts within the local board area. Stage one includes the investigation, design and scope of the physical works (including options for assets that may benefit from an increased level of service subject to local board approval). The sites and assets identified for renewal will be prioritised by the local board for stage two when physical works will commence. This project is a multi-year project to be initiated in the 2018/19 programme.	Options and priorities to be reviewed by the local board	CF: Investigation and Design	\$10,000 ABS: Capex - Renewals	In progress	Green	Current status: Currently reviewing the condition four and five rated playgrounds in the Albert-Eden area. Next steps: Once the investigation is complete, the scope and budget will be confirmed.	Current status: Currently reviewing requirements in consultation with other Albert-Eden projects and stakeholders. Next steps: Confirm scope and budget.
2356	Albert-Eden - renew park roading and car parks FY19+	Renew roading or car parks at the following parks. Coyle Park; Eric Armishaw Park and Fowlds Park Stage one includes the investigation, design and scope of the physical works (including options for assets that may benefit from an increased level of service subject to local board approval). The sites and assets identified for renewal will be prioritised by the local board for stage two when physical works will commence. This project is a multi-year project to be initiated in the 2018/2019 programme.	Options and priorities to be reviewed by the local board	CF: Investigation and Design	\$10,000 ABS: Capex - Renewals	In progress	Green	Current status: A section of the Fowlds Park drive way needs to be renewed but need to align this with a traffic calming project which is underway. Site visit to Mt Albert War Memorial Reserve as confirmed the need to renew the condition four car park outside the community centre and the driveway linking to New North Road. Scoping is underway. Next steps: Engage consultant for design and investigation work	Current status: Consultant engaged to undertake design work at Fowlds Park. Consultant engaged to undertake design work at Mount Albert War Memorial Car park. Consultant will present this concept at the December 2018 local board workshop. Next steps: Consultant to proceed with the design once confirmed by the local board.
2357	19 View Road, Mt Eden - renew building and surrounding area	Refurbish facility, remove shed, and replace wall. Occupier: Jigsaw Childcare Centre. This project is a multi-year project to be initiated in the 2018/2019 programme.	No further decisions anticipated	CF: Investigation and Design	\$10,000 ABS: Capex - Renewals	In progress	Green	Current status: Require scoping to be confirmed, and formalise the business case. Next steps: The next phase, the planning phase. The project solution will be further developed in as much detail as possible and the steps necessary to meet the project's objective are planned.	Current status: To integrate the recommendations and finalize the scope. Next steps: Planning of the projects objectives.
2358	5 Alexis Street - refurbish ventilation and insulation	Refurbish ventilation system and insulation in the facility. Occupier: Plunket (only). Stage one includes the investigation, design and scope of the physical works (including options for assets that may benefit from an increased level of service subject to local board approval). Stage two will include the physical works.	No further decisions anticipated	CF: Investigation and Design	\$50,000 ABS: Capex - Renewals	In progress	Green	Current status: Stage one requirements gathering and scoping to commence in September 2018. Next steps: Development of business case in October 2018.	Current status: Development of business case. Next steps: Business Case sign off and commencement of tender process.
2359	869 New North Road - replace floor covering and paint exterior	Replace floor covering and paint exterior.	Options to be approved by local board	CF: Investigation and Design	\$30,000 ABS: Capex - Renewals	In progress	Green	Current status: Requires scoping and business case to be developed. Next steps: Planning	Current status: Physical works in progress. Next steps: Practical completion by the end of December 2018.

2374	Phyllis Reserve - earthworks to level cap and topsoil on field 3	Stage 1 - field 3 - earthworks to level cap and topsoil. This project is a continuation of a multi-year project from the 2017/2018 programme (previous SP18 ID 2451).	No further decisions anticipated	CF: Project Delivery	\$1,066,625 ABS: Capex - Development	In progress	Green	Current status: Main footings and boxing for the concrete work has taken place, awaiting ideal weather conditions (permissible temperatures) for concrete placement. Next steps: Monitor the programme. Currently the programme has been shifted and the handover of the project is in early March 2019.	Current status: Softball fence is erected and the backstop fence is also installed, the lights have been aimed to meet the correct lux levels, the grass has been seeded. Next steps: Monitor the grow of the new grass and maintain as required.
2376	Phyllis Reserve - development Stage 2	Car parking area. Two new changing rooms and three new toilets. This project is a continuation of a multi-year project from the 2016/2017 programme (previous SP18 ID 2830).	Options to be approved by the local board	CF: Investigation and Design	\$230,000 ABS: Capex - Growth	In progress	Amber	Current status: Work on detailed site investigation and concept design continuing. Asset owner approval from Closed Landfill and The NZ Transport Agency (NZTA) approval to undertake investigations above the Waterview Tunnel have been received. Project team will update the local board in October once investigations into flood risk, geo-technical, contamination issues and a rough order of costs are available. Next steps: Confirm concept plan with local board and start developed design.	Current status: Work on developed design underway. Resource consent application to be lodged January 2019. Next steps: Workshop developed design with local board March 2019.
2377	Fowlds Park - develop fields 2 and 3 - install hybrid turf surfaces and lighting	Install hybrid turf sports surfaces on the site of the existing 3 league fields at Fowlds Park. The facility is to incorporate a full-sized rugby league field and also make provision for a warm-up area and softball diamond. The area should be lit to games standard for rugby league. This is a multi-year funded project and is a continuation from the 2017/2018 programme (previous SP18 ID 2435).	Options to be approved by the local board	CF: Investigation and Design	\$1,150,120 ABS: Capex - Growth	In progress	Green	Current status: Project has been awarded to the preferred contractor and works due to start mid November 2018. Next steps: Obtain the resource consent for the works and begin physical works on site.	Current status: Project has been awarded to the preferred contractor and at this stage the works have started for field one stage one plus lighting of all the fields. Next steps: Monitor programme and work with the main contractor to finish field one to handover to the user groups and move over to the construction of fields two and three.
2378	Coyle Park - Develop 3 on 3 basketball court	Install a 3 on 3 basketball court (near the toilet/changing facilities). Stage 1 - review resource consent requirements and potential amenities such as seating requirements.	Options to be reviewed by the local board	CF: Investigation and Design	\$75,000 LDI: Capex	In progress	Amber	Current status: Scope confirmed by local board to increase from 3-on-3 to full court mini. Engaging designer and developing costing for build. Next steps: Provide full cost estimate to local board to additional funding. Look to build in financial year 2020.	Current status: Scope confirmed by local board to increase from three on three to full court mini. Engaging designer and developing costing for build. Next steps: Provide full cost estimate to local board to additional funding. Look to build in financial year 2020.
2379	Marivare Reserve Improvements	Scope and implement improvements at Marivare Reserve to potentially include the following: lighting of the memorial archway; installation of interpretative signage; removal of concrete pad (towards the rear of the park); installation of a swing and climbing equipment towards the rear of the park; planting in the rear of the park at the border with Ranfurly Care; and additional planting along the southern boundary, at the driveway off Manukau Road. There will be public consultation, and proposed improvement options will take into consideration the amenities available at nearby Griffin Reserve. Options to be presented to the board for review and approval.	Options to be reviewed by the local board	CF: Investigation and Design	\$50,000 LDI: Capex	In progress	Green	Current status: Lighting scope clarified and working with Auckland Transport on options. Feedback received from Epsom Heritage Archway Trust and strategic assessment received from Community Services. Next steps: Liaise with maintenance team and compile recommendations from all parties to report back to local board	Current status: Lighting scope clarified and working with Auckland Transport on options. Feedback received from Epsom Heritage Archway Trust and strategic assessment received from Community Services. Next steps: Liaise with maintenance team and compile recommendations from all parties to report back to local board.
2380	Albert-Eden - LDI minor CAPEX fund 2018/19	Funding to deliver minor capex projects throughout the financial year as approved in the monthly local board workshops.	Options to be approved by the local board	CF: Investigation and Design	\$50,000 LDI: Capex	In progress	Green	Current status: Proposed works to be identified. Next steps: Proposed works to be workshopped with the local board in quarter two.	Current status: Proposed works to be identified. Next steps: Proposed works to be workshopped with the local board.
2381	Melville Park Improvements	Install interpretative signage; provide additional seating and one picnic table near the pavilion overlooking the sports field. Note - estimate does not include the cricket wicket as more clarity is required on the scope.	Options to be approved by the local board	CF: Investigation and Design	\$25,000 LDI: Capex	In progress	Green	Current status: Scope being priced by contractor and approved by maintenance team. Next steps: Begin physical works.	Current status: Finalisation of physical works contract. Furniture order underway. Next steps: Commencement of physical works.
2382	Morvern Reserve Concept Plan	Develop a concept plan for Morvern Reserve	Options to be approved by the local board	CF: Investigation and Design	\$15,000 LDI: Capex	In progress	Green	Current status: Engaging landscape design team to begin concept design process. Next steps: Create and develop design ideas.	Current status: Minor schematic revisions for final approval. Next steps: Present final draft and costs at next local board meeting.

Work Programme 2018/2019 Q2 Report

ID	Activity Name	Activity Description	Further Decision Points	Lead Dept / Unit or CCO	Budget	Activity Status	RAG	Q1 Commentary	Q2 Commentary
2384	Potters Park Improvements - pathways connections and interpretative signage	Complete the pathways' connections and stairs to the old Potter homestead location; install interpretative signage; and provide additional BBQs.	Options to be approved by the local board	CF: Investigation and Design	\$85,000 LDI: Capex	In progress	Green	Current status: Pathways, BBQs and pavilion are out for pricing with contractor Next steps: Review pricing and redefine scope if costs too high.	Current status: Contractor pricing received. Confirmation of final acceptance of scope. Next steps: Engagement of physical works contractor and programming for implementation on site.
2386	Harbour View Reserve and Coyle Park - renew seawall	Renew seawall at Coyle Park and renew path and seawall at Harbour View Reserve. This project is a continuation of a multi-year project from the 2016/2017 programme (previous SP18 ID 2428).	No further decisions anticipated	CF: Project Delivery	\$130,000 ABS: Capex - Renewals	In progress	Green	Current status: Repairs to the Harbour View Reserve rock sea wall, including replacement of dislodged rock and plastering between rocks to weatherproof the wall, has been completed. Repairs to sections of the rock sea wall below Coyle Park are being scoped with the Coastal Team. The replacement of the metal balustrade fence at Coyle Park is being designed and consented. Next steps: Complete the scoping and consenting of the Coyle Park rock sea wall and metal balustrade replacement, and procure contractors to carry out the renewal works.	Current status: Repairs to sections of rock sea wall and steps below Coyle Park have been scoped with the coastal team and are currently being priced by a professional stone mason. Next steps: Obtain price and procure contractor, commence renewal of failed sections of stone wall and steps below Coyle Park.
2389	Albert-Eden Parks - improve accessibility	Improve accessibility to Albert-Eden parks recommended in the Be.Accessible report 2018. Once adopted, the Be Accessible report will be scoped by Community Facilities, and the proposed scope of works and budget to be allocated will be confirmed. A prioritisation of the planned works may be required.	Options to be approved by the local board	CF: Investigation and Design	\$100,000 LDI: Capex	On Hold	Amber	Current status: Review of report by Be Accessible. Next steps: Prioritisation based on Be Accessible report.	Current status: Budget allocation to projects to be confirmed. Next steps: Works to proceed in conjunction with confirmed projects.
2390	Albert-Eden Open Space Greenways - develop priority routes through parks	Scope the proposed works within the greenways review plan and confirm the scope and budget to be allocated with the board. A prioritisation of the planned works may be required.	Options to be approved by the local board	CF: Investigation and Design	\$100,000 LDI: Capex	On Hold	Amber	Current status: On hold. Next steps: Defer all work until project initiation is confirmed.	Project on hold. Community Services are still leading the Greenways review planning. Upon completion of this and the subsequent approval of the Local Board as to priorities the project will then be ready for progressing into delivery with Community Facilities. Current status: On hold. Next steps: Defer all work until project initiation is confirmed.
2391	Albert-Eden Village Centres Transformation Programme	Initiate transformation projects at Greenwoods Corner and Sandringham Centre following scoping and design from Plans and Places. Planning work has been undertaken by a landscape architect and there will be a staged approach for the upgrade work.	Options to be approved by the local board	CF: Investigation and Design	\$435,000 ABS: Capex - Development	On Hold	Amber	Current status: On hold. Next steps: Defer all work until project initiation is confirmed.	Project on hold. Plans and Places are leading the planning stage with the Local Board. This will not be completed until early 2019. Upon completion and the approval by the Local Board of their priorities, the project will come across to Community facilities for delivery. As a result the budget will be pushed out to FY20. Current status: On hold. Next steps: Defer all work until project initiation is confirmed.
2392	Windmill Park - renew and rebuild buildings	Rebuild the buildings destroyed in a fire as per the insurance claim.; A building providing storage and spectator seating as destroyed in a fire. Insurance to be transferred to the renewal fund as reimbursement of budget spend. The two other buildings on site need to be considered through the option process to provide for current user needs and to meet health and safety requirements. Phase 1 involves investigation and scoping (including options for those assets that would benefit from an increase level of service to be proposed to the board). Physical works will commence with Phase 2 following consultation with the board as to which works will proceed.	Options to be approved by the local board	CF: Investigation and Design	\$20,000 ABS: Capex - Renewals	In progress	Amber	Current status: The condition report of the upstairs space in Building One identified the non compliance of the exterior stairs which means the space is not available for community lease. Any refurbishment of the upstairs space would require the removal of asbestos materials. The local board has indicated their preference for a new fit for purpose building. Currently there is insufficient budget for any physical work. Next steps: Available budget needs to be confirmed but replacement of the buildings has not been allowed for.	Current status: Developing a professional services brief for the concept design and cost estimate for the following three project deliverables. Replace burnt structure with new storage, shelter and first aid room. Upgrade two existing buildings to comply with standards. Demolish all structures and design for essential facilities only for the park. Next steps: Tendering for professional design services.

Work Programme 2018/2019 Q2 Report

ID	Activity Name	Activity Description	Further Decision Points	Lead Dept / Unit or CCO	Budget	Activity Status	RAG	Q1 Commentary	Q2 Commentary
2733	Griffin Reserve - install drainage	Install field or sub-soil drainage to stop pooling and path deterioration. This is noted as a popular pathway with the local school children. Stage one includes the investigation, design and scope of the physical works (including options for assets that may benefit from an increased level of service subject to local board approval). Stage two includes the physical works. This is a multi-year funded project to be initiated in the 2018/2019 programme.	Options to be reviewed by the local board	CF: Investigation and Design	\$20,000 ABS: Capex - Renewals	In progress	Green	Current status: Community Facilities, along with Healthy Waters, have established the scope. Next steps: Begin the procurement process.	Current status: Contractor engagement is underway. Next steps: Plan physical works for early 2019.
2735	Albert-Eden - heritage stone walls restoration	Continue restoration of the heritage rock walls, aligning to the assessment works prepared by the heritage team.	Scope and additional works to be agreed with local board	CF: Investigation and Design	\$50,000 LDI: Capex	In progress	Amber	Current status: A recommended list of walls have been submitted to local board, and all are out for cost estimates with contractor. Next steps: Submit cost estimates to the local board to begin decision making process.	Current status: No progress during quarter two. Next steps: Submit cost estimates to local board to begin decision making process.
2764	School Road Reserve - develop concept plan	Develop a concept plan for the board's approval at School Road Reserve.	Concept plan to be approved by the local board	CF: Investigation and Design	\$10,000 LDI: Capex	In progress	Green	Current status: Interdepartmental meeting planned for early October. Next steps: Hand project over to design team.	Current status: Advise from the local board has resulted in further investigative work and development of design. Next steps: This work will be presented to the local board in early 2019.
2765	Mt Albert War Memorial Hall - install bi-fold doors	Installation of bi-fold doors at the facility	No further decisions anticipated	CF: Investigation and Design	\$2,500 LDI: Capex	In progress	Green	Current status: Identifying desired location for bi-fold doors. Next steps: Procurement and installation.	Current status: Further investigation and recommendations required for solution to bi-fold doors. Next steps: Engage with facilities maintenance contractor for recommendations.
2767	Louis Adolphis Durriea Resrve - improvements and planting	Improvement works to include fencing, paving and minor capex works. Additional improvements to include planting.	Options to be reviewed by the local board	CF: Investigation and Design	\$28,000 LDI: Capex; LDI: Opex	In progress	Green	Current status: Determining project scope and requirements for the development of a business case. Next steps: Development of the business case.	Current status: Preliminary pricing based on concept plan indicates budget shortfall. Next steps: Cost to be reviewed against scope, with view to achieve resolution in time for planting season.
2768	Te Auaunga / Oakley Creek - planting	Planting to revegetate grass and extend stream buffer.	No further decisions anticipated	CF: Investigation and Design	\$10,000 LDI: Opex	In progress	Green	Current status: The project requires consultation with the friends of Oakley Creek and investigation as to where the planting is required. Next steps: Consult with Friends of Oakley Creek and the local board in regards to the location of the planting.	Current status: Meeting held with the Friends of Oakley Creek, they are providing a plan for approval and will be engaging a contractor for the physical works. Next steps: Planting plan to be approved and physical works to commence once the the planting season is started.
2794	Nixon Park - renew toilets	Renew the toilets at Nixon Park. Stage one includes the investigation, design and scope of the project (including options for assets that may benefit from an increase level of service). Options will be presented to the board prior to stage two - physical works. This is a multi-year funded project to be initiated in the 2018/2019 programme.	Options to be reviewed by the local board	CF: Investigation and Design	\$10,000 ABS: Capex - Renewals	In progress	Green	Current status: The project has been added to the work programme for the 2018/2019 financial year. Next steps: Arrange a site visit with stakeholders to understand the options and the scope works.	Current status: Present options for renewals works to the local board. Next steps: Finalize pricing and engage contractor.
2859	Chamberlain Park - deliver master plan	Overview - Deliver master plan for the entire site. The development will be delivered in a staged approach. Stage Two - develop an enhanced neighbourhood park. (This development has funding allocated from the local board's discretionary budget)This project is a continuation of a multi-year project from the 2017/2018 programme (previous SP ID 2431).Stage Five - reconfigure the golf course to support the installation of sports fields. (OLI)	No further decisions anticipated	CF: Project Delivery	\$1,156,057 LDI: Capex	On Hold	Red	Stage Two - (Public space, playground and golf course re-alignment)Current status: Following the completion of the judicial review process a resource consent application was submitted. Consent has now been granted for this stage of works. Tender documentation has been collated and has now been released to a pool of contractors for pricing. Next steps: Complete the physical works tender process and review submissions in late November. Negotiations with leading tenderers are expected to take place in early December. Stage Five - (Sports fields and golf course reconfiguration)Current status: Conducting a needs assessment component of the strategic assessment. Next steps: Finalise the needs assessment and begin collating information for the economic case. These two stages are likely to be unbundled for future commentary.	A further judicial review to the Environment Court was lodged by a community group in December seeking validation of the non-notified resource consent process for the stage one works.The tender process for the stage one works closed with only tender submission being received. The tender submission received was significantly more than the allocated budget. With the judicial review submission it was agreed with the local board to close the current procurement process and review the situation in the new year.

Work Programme 2018/2019 Q2 Report

ID	Activity Name	Activity Description	Further Decision Points	Lead Dept / Unit or CCO	Budget	Activity Status	RAG	Q1 Commentary	Q2 Commentary
2884	Albert-Eden - upgrade electrical & fire system	Upgrade fire systems for compliance purposes and fire safety as a priority requirement. This project was carried over from FY2017/2018, previous SP ID 2905	No further decisions anticipated	CF: Project Delivery	\$43,216 ABS: Capex	In progress	Green	Q1 commentary not captured for Carry Forward projects.	Current status: Expected to finish end May 2019 due to contractor's current work commitments. Next steps: Handover and closure.
2891	Fowlds Park - install toilet	Supply and install of a double pan toilet, auto locking doors. This project was carried over from FY2017/2018, previous SP ID 2978	Design to be agreed with local board	CF: Project Delivery	\$3,437 ABS: Development	In progress	Amber	Q1 commentary not captured for Carry Forward projects.	Insufficient budget. Previous notes indicate that a top up was always required for utility connections and this will be funded as agreed through the sports development budget. Also, delays were experienced some years ago with error by the manufacturer in toilet supply ,environment court issues around the sports fields, re engagement by Sports club to locate the toilet within the existing footprint. Current status: Further investigation and design is underway to meet the conditions of the asset owner approval. Comprehensive documentation is nearly ready for issuing for tender. Next steps: Issue tender documentation and assess bids. Seek additional funding to complete project.
2907	Albert Eden - renew signage FY17-19	Alan Wood Reserve A, Anderson Park, Centennial Park, Coyle Park, Fowlds Park, Griffin Reserve, Heron Park, Marivare Reserve, Melville Park, Murray Halberg Park, Nicholson Park, Pollard Park, Raymond Reserve, Warren Freer Park, Watling Reserve, Windmill Park, Withiel Thomas signage renewals (19 signs and 6 plaques). This project is a continuation of a multi-year project from the 2016/2017 programme (previous ID 3501).	No further decisions anticipated	CF: Project Delivery	\$10,000 ABS: Capex	In progress	Green	Q1 commentary not captured for Carry Forward projects.	Current status: Completion checks on various sites underway. Next steps: Project completion and closure.
2908	Eric Armishaw Park - renew paving	Renew carpark and walking track at Eric Armishaw Park This project was carried over from FY2017/2018, previous SP ID 2968	No further decisions anticipated	CF: Project Delivery	\$154,802 ABS: Capex	In progress	Amber	Q1 commentary not captured for Carry Forward projects.	Delayed due to determining the location of property boundaries and existing occupancy and private fence lines. Project on track, design being developed to work within existing fencelines and away from foreshore embankment. Current status: Additional site survey work was required to complete a detailed design within the foreshore corridor, this currently is in progress. Next steps: Complete additional site survey work, confirm if coastal resource consent is required and prepare documents for contractor procurement for works programmed to commence in April 2019.
2909	Fowlds Park - renew general assets	Fowlds Park - renew barbeque, fence, road and tables.This project is a continuation of a multi-year project from the 2016/2017 programme (previous ID 3504).	No further decisions anticipated	CF: Project Delivery	\$45,509 ABS: Capex	Completed	Green	Q1 commentary not captured for Carry Forward projects.	Project completed September 2018.
2910	Nicholson Park - renew general assets	Renewal of retaining walls and furniture This project was carried over from FY2017/2018, previous SP ID 3410	No further decisions anticipated	CF: Project Delivery	\$0 ABS: Capex	In progress	Amber	Q1 commentary not captured for Carry Forward projects.	Awaiting budget reinstatement. Current status: Physical works award and finalization of timing of works. Next steps: Physical works commencement on site anticipated to commence by quarter three, financial year 2018/2019.
2911	Albert Eden - renew utilities FY17	Renew utilities FY17. This project is carried over from the 2017/18 programme (previous ID 2903).	No further decisions anticipated	CF: Project Delivery	\$6,000 ABS: Capex	Completed	Green	Q1 commentary not captured for Carry Forward projects.	Delay due to contractor availability Current status: Several utility poles have been removed from redundant lighting fixtures at Andersons and Nixon Park. Next steps: Close-out project.

2957	Motu Manawa Marine Reserve - develop coastal boardwalk	Develop a boardwalk from Heron Park to Howlett Esplanade. This project is a continuation of a multi-year project from the 2016/2017 programme (previous SP18 ID 2446).	Design to be agreed with local board	CF: Project Delivery	\$165,774 Growth	On Hold	Amber	Q1 commentary not captured for Carry Forward projects.	Project on hold. Funding is still being resolved. Current status: The long term growth funding is still being resolved. Next steps: Funding to be resolved.
2967	Coyle Park path and development	Development of all-weather coastal perimeter path. Planning and consenting in 2017/2018. Construction 2018/2019. Budget of \$75,000 to be reallocated from Nicholson Park Stage 4 project for completion of this project. This project is a continuation of a multi-year project from the 2017/2018 programme (previous ID 2432).	Design to be agreed with local board	CF: Project Delivery	\$299,390 LDI: Capex	In progress	Amber	Q1 commentary not captured for Carry Forward projects.	There is insufficient budget to complete stage four of project, the boardwalk section. Staff will report to the local board with design options and to request additional funding. Current status: Main contractor has been appointed to undertake the physical works. Stage one has begun, stage two and three will be in the new year of 2019. Next steps: Monitor programme and work to complete most of the stages before the big event in February 2019.
2968	Rocket Park - install drainage and paving	Install drainage and paving. This project is carried over from the 2017/18 programme (previous ID 3174).	Design to be agreed with local board	CF: Project Delivery	\$80,900 LDI: Capex	In progress	Amber	Q1 commentary not captured for Carry Forward projects.	Delays pending design review due to high tender return. Current status: Finalisation of physical works contract. Programming of works. Next steps: Commencement of works on site expected in March 2019.
2969	Watea Reserve - development - stage 4 pathway and seating	Completion of pathway network as per the concept plan, plus additional seating and picnic sets. This project was carried over from FY2017/2018, previous SP ID 3256	Design to be agreed with local board	CF: Project Delivery	\$74,546 LDI: Capex	In progress	Green	Q1 commentary not captured for Carry Forward projects.	Current status: Final confirmation of scope of works and seating location. Next steps: Procurement of physical works contractor and finalization of timing of works.
2970	Albert-Eden - Local Parks and Reserves - install signage	New signage, including interpretation for Withiel Reserve, Oakley Creek and other general park signage. This project is a continuation of a multi-year project from the 2016/2017 programme (previous ID 2831).	Interpretive signage content to be agreed with local board	CF: Project Delivery	\$85,967 LDI: Capex	In progress	Green	Q1 commentary not captured for Carry Forward projects.	Current status: First round of signage is now installed. Second round is being drafted. Next steps: Send drafts of second round designs to local board for approval.
2990	Nicholson Park upgrade - Stage 2 (toilet), stage 3 & 4	Stage 2 - Further development of Nicholson Park including toilets. Stage 3 - includes lights, signage, drinking fountain and rock walls. Stage 4 - includes redevelopment of the unused bowling green. This stage is currently on hold pending agreement on the future use, therefore previously sought 2017/2018 funding decreased from \$150,000 to \$25,000. Remaining \$125,000 to be reallocated to Coyle Park pathway, Watea Reserve furniture and further development at Potters Park. This project is a continuation of a multi-year project from the 2016/2017 programme (previous ID 455).	Design to be agreed with local board	CF: Project Delivery	\$45,263 LDI: Capex	In progress	Green	Q1 commentary not captured for Carry Forward projects.	Current status: Construction is complete and the toilet is open to the public. Next steps: Close out project.
3006	Fowlds Park Action Plan - improve pedestrian safety and signage	Implementation recommendations from the Pedestrian safety report for Fowlds Park. This project was carried over from FY2017/2018, previous SP ID 2980	Design to be agreed with local board	CF: Project Delivery	\$54,815 LDI: Capex	In progress	Amber	Q1 commentary not captured for Carry Forward projects.	Current status: Project requires additional funding in order to progress. Next steps: Staff will prepare options and will report to the local board.
3015	Albert Eden - renew paving and structures FY17-18	Renewal of paving and structures at Bond Reserve, Centennial Park, Coyle Park, Harwood Reserve, Melville Park, Pollard Park, School Reserve. This project is a continuation of a multi-year project from the 2017/2018 programme (previous ID 2425).	No further decisions anticipated	CF: Project Delivery	\$214,826 ABS: Capex	Completed	Green	Q1 commentary not captured for Carry Forward projects.	Project completed October 2018.

3068	Albert-Eden discretionary budget for minor projects	Various works in Albert-Eden including signage. This project is a continuation of a multi-year project from the 2016/2017 programme (previous ID 2832). Previously sought 2017/18 funding increased from \$105,000 to \$145,000, reallocated from Nixon Park project.	Work included within project to be agreed with local board	CF: Project Delivery	\$97,895 LDI: Capex	In progress	Green	Q1 commentary not captured for Carry Forward projects.	Current status: Requested assets scoped and costed. Table of prices provided to be presented to local board to assist with decision making on budget spend. Next steps: Receive recommendation from local board on assets to proceed with. Prepare handover to project delivery team.
3073	Epsom Library - fire alarm system upgrade	Fire alarm system upgrade including sensors. This project was carried over from FY2017/2018, previous SP ID 2420	No further decisions anticipated	CF: Project Delivery	\$14,674 ABS: Capex	In progress	Green	Q1 commentary not captured for Carry Forward projects.	Current status: Design and build with estimated completion in May 2019 due to contractor's current commitments. Next steps: Handover and closure.
3103	Mt Albert Recreation Centre - renew minor assets	Renew acoustic panels, carpet reception, install HVAC in reception and office areas, replace HVAC in aerobics room, replace window louvres in fitness centre, replace vinyl flooring, upgrade kitchen, internal repaint, recoat stadium floor. \$75K contribution from YMCA. This project was carried forward from FY17/18, previous SharePoint ID #2423.	No further decisions anticipated	CF: Project Delivery	\$209,685 ABS: Capex	In progress	Green	Q1 commentary not captured for Carry Forward projects.	Current status: Main reception upgrade works have begun and will be completed in the middle of January 2019 for the YMCA to use. Next steps: Monitor construction works programme submitted by the main contractor.
3129	Western Springs Gardens - renew car park and paths	Renew car park and paths. This project was carried over from FY2017/2018, previous SP ID 2458	No further decisions anticipated	CF: Project Delivery	\$193,925 ABS: Capex	On Hold	Amber	Q1 commentary not captured for Carry Forward projects.	Project on hold until further scoping is complete for Waste Solutions project which is lined up for this building and car park, they are currently working through design and approval. This will ensure the two projects have or have not any conflicts. Current status: This renewal project conflicts with another project approved for scoping at this facility. Have recommended to put this project on hold due to Waste Solutions project scoping being currently underway. Next steps: Project is now on hold until further scoping is complete for Waste Solutions projects to ensure the two projects have or have not any conflicts.
3133	Windmill Reserve - signage and hill trace	Signage and hill trace project. This project was carried over from FY2017/2018, previous SP ID 2459	Interpretive signage content to be agreed with local board	CF: Project Delivery	\$62,310 LDI: Capex	In progress	Green	Q1 commentary not captured for Carry Forward projects.	Current status: Contract let for stage one works due to commence in January 2019. Next steps: Physical works anticipated to carry on into February 2019.
3167	25 Poronui Street, Mt Eden - renew shooting range facility	Renew Parafed Shooting Range facility in accordance with the findings in the building condition assessment. Including replacing roofing materials, ceiling panels and investigation of any further condition 4 or 5 assets on site. Year one - investigation (including options for sites that would benefit from an increase level of service to propose to the local board), scoping and physical works, year 2+ - physical works. This project was carried forward from FY17/18, previous SharePoint ID #3445.	No further decisions anticipated	CF: Project Delivery	\$111,685 ABS: Capex	Completed	Green	Q1 commentary not captured for Carry Forward projects.	Project completed August 2018.
3190	Chamberlain Park - develop shared path	Develop Meola Creek shared path in Chamberlain Park. This project was carried over from FY2017/2018, previous SP ID 3532	Design to be agreed with local board	CF: Investigation and Design	\$23,000 External funding	In progress	Green	Q1 commentary not captured for Carry Forward projects.	Current status: Concept design and cost estimates for bridge options have been completed by consultant. This was presented to the local board for feedback at December 2018 workshop. Next steps: Continue investigations and get a resolution for preferred option in March 2019.
3191	Nixon Park - install ball stop fence	This is a health and safety project which requires a fence to be installed to stop the balls from landing on the motorway. This project was carried over from FY2017/2018, previous SP ID 2375	No further decisions anticipated	CF: Investigation and Design	\$72,897 Growth	Completed	Green	Q1 commentary not captured for Carry Forward projects.	Project completed June 2018.
3216	Nicholson Park bowling green development - stage 3 multi courts	To undertake the next stage 3 which is to undertake the design and consent for the development of the bowling greens (not used) for multi court use. Fully funded by the local boards locally driven initiative capex.	No further decisions anticipated	CF: Project Delivery	\$25,000 LDI: Capex	In progress	Green	Q1 commentary not captured for new projects created after Q1 completion.	Current status: Budget allocated to investigate proposed development of the redundant bowling green area. Next steps: Arrange meeting with stakeholders to discuss options for area.

Community Services: Service Strategy and Integration									
1415	Investigate and provide direction on future of Pt Chevalier Community Centre	Undertake a community needs assessment to inform the investigation of future options for optimisation of the Pt Chevalier community centre site.	Note findings of the needs assessment and options analysis Oversight of options identified Feedback on preferred option to inform business case	CS: Service Strategy and Integration	\$25,000 LDI: Opex	In progress	Green	Stakeholder and community engagement is underway. Results and recommendations will be presented during a workshop in quarter two.	The preliminary key findings of the community needs assessment were workshopped in early December. Options are being developed based on the key findings. Q3 deliverable: options presented at local board workshop on 20 February.
Infrastructure and Environmental Services									
430	New project: Waititiko (Meola Creek) restoration initiative	This budget will primarily support the continuation of a catchment approach to restoring Waititiko by empowering community and school groups to undertake water quality monitoring and riparian restoration planting. This will continue at four sites on the Albert-Eden side of Waititiko and at two sites on the Waitematā side. This initiative requires investment from both the Albert-Eden and Waitematā Local Boards (\$20,350 from Waitematā and \$24,650 from Albert-Eden, reflective of the number of sites in each area). The proposed total budget of \$40,200 also includes:- \$1,000 for prizes for the moth plant pod competition developed by Mount Albert Grammar School's Envirogroup students- \$5,000 towards a facilitated community workshop for all groups and individuals interested in Waititiko- \$750 to establish a permanent Wai Care water quality monitoring kit to enable all individuals and groups to carry out monitoring and feed into the Wai Care database- \$8,800 to support the establishment of planting nursery units at Point Chevalier School and Point Chevalier Scouts, encouraging young people to grow native plants for Waititiko through the Trees for Survival programme.	No further decisions anticipated	I&ES: Healthy Waters	\$40,200 LDI: Opex	In progress	Green	A contractor has been appointed to facilitate, engage and coordinate restoration efforts across the Lower Meola Creek. A second contractor is currently being arranged to complete the necessary weed control and site preparation at the six sites. The maintenance contract will be confirmed in quarter two with the first round of maintenance undertaken by the community and contractors at all sites during quarter two and quarter three. Planting will be completed during the 2019 planting season (April to June 2019). During quarter three Pasadena Intermediate will install a plant growing unit on their school grounds to begin to grow seedlings to plant on their restoration site. A Waicare kit will be located at the Auckland Zoo and it will be available to the six groups from 5 October 2018 to perform their water quality testing activities.	There was a Bluegreens planting event in August 2018 with 143 plants in an area south of the spring. Other initiatives from the Bluegreens included monitoring of pest and trapping. Conservation Volunteers New Zealand has been approached to support the planting at Motions Road and over quarter two 560 plantings have occurred. During quarter three will be a planting growing unit installed at Pasadena Intermediate. In quarter four students will begin the process of learning how to grow plants through the Trees for Survival programme. At Point Chevalier school, 130 plants were planted on the bank below Te Mahurehure Marae by 100 children. At Western Springs College students are working on clearing and bagging tradescantia. During quarter three Wildlands will implement weed control and site maintenance before planting. The floodplain will be planted in carex and cyperus to slow water flow, trap debris and stabilise the banks. The Point Chevalier Scouts undertook a hand release event in December 2018. During quarter three and four they will start working on a new area. St Lukes Environmental Protection Society has inquired on opportunities to join the restoration efforts at Meola Creek. Staff are discussing ways to support the group during this financial year.

431	EcoNeighbourhoods	An Eco-Neighbourhood comprises groups of six or more neighbours from different households within the board area, with the objective of adopting sustainable, low carbon practices and increasing resilience within their homes, lifestyles and neighbourhoods. Each group decides activities they wish to undertake, with support from a project manager. Activities may include:• carbon footprinting, using the Future Fit carbon calculator to work out their most material impacts• food - bee keeping, sustainable local food production and consumption, street orchards, shared chicken coops, food swapping, food resilience• water conservation - rain water collection, water efficiency, eco cleaning products• waste reduction – composting, beeswax wrap making, recycling/upcycling, living waste free, boomerang bags• transport - e-bike workshops, electric vehicle expos• energy reduction - home energy and hot water efficiency, healthy homes• biodiversity – tree planting, rat trapping• opportunities for participants to complete Live Lightly community champions training. In the 2017/2018 financial year, there were 12 EcoNeighbourhoods groups. It is expected that up to 20 groups could be supported with \$40,000 worth of funding from the local board in the 2018/2019 financial year. Alternatively, \$30,000 would support up to 12 groups, and \$35,000 would support up to 15 groups.	No further decisions anticipated	I&ES: Environmental Services	\$40,000 LDI: Opex	In progress	Green	During quarter one: - two new groups formed - Sandringham (Ti Kōuka Swamp) and Point Chevalier Eco-Neighbourhood, so there are now 16 active groups - two new groups are in the process of forming in Epsom and Mount Eden. Also one in Point Chevalier is on a waiting list, and the Ratbaggers re-joined - The winter newsletter was sent to 283 subscribers - 251 Facebook likes were achieved and an Our Auckland article was published. Groups are focused on planning activities for quarter two, for example:- Bright Street: zero waste, eco cleaning products and a rat catching workshops, battery deposit box, free community library, a bumble house and a kids insect festival - Sandringham Bees: swarm hive making and a public awareness campaign to become the new swarm collection hotline for the board area, community bee friendly plant outreach and quilt box and bee hive stand working bees- Torea: community garden working bees, 'How to cook vegetables' workshop, compost workshop and a shared community tool shed. Activities undertaken in quarter one include swarm box making workshops, bees wax wrapper and insect balm workshops, fruit tree planting, fabric bags and veggie bag sewing bees, eco-cleaning product workshops, community garden working bees and jam making workshops.	There are now a total of 16 groups active in the local board area. The following activity took place during quarter two:- the Mount Eden and Point Chevalier groups have decided to wait until next financial year- the spring/summer newsletter was sent to 301 subscribers - 261 Facebook likes were achieved and an online article was published on Noted - an online web page went live on the Live Lightly website- an EcoNeighbourhoods logo was created. Groups are focused on planning activities for quarter two, for example:- On Bright Street there are eco-cleaning products and rat catching/pest control workshops and a butterfly garden working bee- A Sandringham bees swarm hive making and public awareness campaign regarding swarm collection hotline for the board area- In Torea there is a community garden working bees and shared community tool shed created- In Waterview there is a community litter initiative - In the Brentwood community garden there are working bees, garden to table workshops, compost workshop- The Ti Koura Swamp established a shared neighbourhood orchard and community vegetable garden- E-bike workshop in Brewster-Malvern- Community kai shelves set-up in Mount Albert and Owairaka, and fruit trees planted to create a community orchard in Morningside.
432	Mount Albert town centre transformation	To upgrade the Mount Albert town centre on New North Road. Construction is anticipated to be completed within the 2017/2018 financial year. This budget will go towards any defects and post-construction administration.	No further decisions anticipated	I&ES: DPO	\$50,000 ABS: Capex - Development	Completed	Green	In response to requests from the public to add more colour to the parklet, additional planting will be undertaken in the garden beds, and surface areas of the concrete plinths located within the parklet are to be painted. Auckland Transport is assessing traffic patterns in the area, as well as signage requirements while continuing enforcement of the clearway.	Practical completion for the project was certified for 14 June 2018. The project is now in a two year defects notification period which will end on 15 June 2020.

Work Programme 2018/2019 Q2 Report

ID	Activity Name	Activity Description	Further Decision Points	Lead Dept / Unit or CCO	Budget	Activity Status	RAG	Q1 Commentary	Q2 Commentary
433	Epsom Rock Forest Landowner Assistance Programme (stage two)	Stage two of a landowner assistance programme to support and encourage private landowners to care for and protect lava rock forest on their land. The project follows a successful (local board supported) landowner programme in held in 2017/2018, which targeted 35 properties in the Epsom area that have Mount Eden lava rock forest on their land. Stage two will use a similar engagement model and will target an additional 50 properties with rock forest ecology. The intent of the programme is to raise awareness of the values of rock forest, identify management needs and help support landowners to carry out active management of the rock forest remnant on their property. The programme requires an ecological contractor to undertake site visits to each property to assess the current health of the rock forest and develop a Biodiversity Action Plan with the landowner to guide appropriate ecological restoration and management at each site. To support the implementation of the biodiversity action plans, staff will provide additional incentives and support to these landowners through the regional ecosystem budget. These incentives and support tools are likely to include: composting weed bags, Timms traps and snap traps for possum and rodent control, a community weed bin, and funded contractor assistance with weed control.	No further decisions anticipated	I&ES: Environmental Services	\$10,000 LDI: Opex	In progress	Green	Staff held a workshop with the local board members in August 2018 to discuss the project and to clarify the scope for the 2018/2019 financial year. Council staff are looking to engage consultants to continue this engagement programme with local residents. Engagement with residents is scheduled to start in quarter three.	Fifty properties bordering the Epsom rock forest have been identified and selected for stage two of the landowner assistance programme. Procurement for a consultant is currently underway, and the successful contractor will begin project delivery in February 2019 and continue until the end of the 2018/2019 financial year. The engagement approach taken will vary based on the property ownership and size of rock forest present. Each landowner will receive one or more of the following: <ul style="list-style-type: none"> • advocacy material designed to raise awareness around the rock forest's significant ecological value and the threats it faces • an ecological survey to provide a property-specific Biodiversity Action Plan including a map of the rock forest area on the property • further support in the form of weed and pest control resources and services.
434	Support for community-led streamside restoration	To support community-led streamside restoration projects around Meola and Oakley Creeks. This may involve grants to community groups such as the St Lukes Environmental Protection Society and Friends of Oakley Creek, or engaging a contractor to develop planting and weeding plans for the community groups.	No further decisions anticipated	I&ES: Healthy Waters	\$13,000 LDI: Opex	In progress	Green	Three meetings have taken place with representatives from St Lukes Environmental Protection Society to discuss the possible planting options for the next planting season (April 2019). In quarter two there will be control of persistent weeds by contractors. There will also be planning of plantings for installation in quarter four.	Te Ngahere and Wildlands Ltd have been appointed to assist with weed control and plant maintenance at volunteer planted areas at the Roy Clements Treeway. Volunteers from Conservation Volunteer New Zealand are releasing plants in the wetland. The meadow will be prepared for a community planting during the 2019 planting season. Saint Lukes Environmental Protection Society has provided a planting plan for approximately 400 wetland plants for this area, the plan is under consideration and was submitted to the local board in December 2018. Plants will be ordered from the Te Whangai Trust. <p>Four areas of Te Auaunga Oakley Creek have been identified for the 2019 planting season. Plant pest control and planting lists are being prepared by Friends of Oakley Creek to site-prepare and plant around 700 plants. Plants will be ordered from the Te Whangai Trust.</p>

Work Programme 2018/2019 Q2 Report

ID	Activity Name	Activity Description	Further Decision Points	Lead Dept / Unit or CCO	Budget	Activity Status	RAG	Q1 Commentary	Q2 Commentary
593	New project: Bike Hub	Stage one of the bike hub project will involve: <ul style="list-style-type: none"> identifying the location and community partners for a repair centre for secondhand bikes in the Albert-Eden Local Board area developing a sustainable operating model for the bike hub that will result in predictable operating hours for users securing funding and support from other sources to enable the development of the bike hub and its programmes. Stage two of the project (to be proposed in the 2019/2020 financial year) will involve the set up of the bike hub, and making it operational for the public (implementation phase). Based on the cost to set up the New Lynn bike hub, this could cost approximately \$20,000 in year two, however there could be savings depending on where the bike hub is set up.	No further decisions anticipated	I&ES: Environmental Services	\$10,000 LDI: Opex	In progress	Green	A workshop was held with the local board on 12 September 2018 to outline work completed to date and to clarify the board's expectations for the bike hub initiative. The board confirmed that a community-led rather than council-led approach is preferred and that opportunities to advance the timeline to enable a bike hub service to begin operating before the end of the 2018/2019 year should be pursued. The potential for implementing a bike hub at Western Springs and/or Gribblehirst Hub will be explored with key stakeholders and the results of this options analysis will be workshopped with the board in quarter two.	In quarter two the board considered a local grant application from the Tumeke Cycle Space community group to establish a bike hub at Gribblehirst Park in Sandringham. This resulted in the board allocating a further \$10,000 from their community response fund to their existing \$10,000 bike hub initiative to enable Tumeke Cycle Space to establish a bike hub at Gribblehirst. The combined budget of \$20,000 will be used to fast track the project to enable the bike hub to become operational in 2018/2019 rather than 2019/2020 as previously planned. A workshop was held with the board on 12 December 2018 to discuss terms and conditions for funding the Tumeke Cycle Space initiative. The focus for quarter three will be establishing the funding agreement and supporting Tumeke Cycle Space to implement the bike hub at Gribblehirst Park.
660	New project: Light industry pollution prevention programme	This programme is primarily educational and aims to inform urban businesses (including retail stores, car yards and restaurants) about the impacts their activities may be having on local waterways. The programme includes a site inspection and discussion with the business owners about potential issues around pollution as well as waste minimisation techniques. If changes are recommended, a report is sent to the business. The programme involves a GIS mapping exercise to ensure that businesses understand the stormwater network connections in relation to local waterways. As a general rule, \$20,000 worth of funding will allow engagement with between 80 and 140 businesses, depending on the level of engagement required. This project will work in conjunction with the business sustainability project proposed through the 2018/2019 Auckland Tourism, Events and Economic Development work programme.	No further decisions anticipated	I&ES: Healthy Waters	\$20,000 LDI: Opex	In progress	Green	A workshop was held with the local board in August 2018 to confirm the areas to be targeted through this programme. The contract has been finalised and the project delivery will commence in quarter two.	This project will target businesses in the Morningside and St Lukes shops. The contractor will begin site visits in February 2019. An article for Our Auckland will be shared two weeks prior to commencement of the visits. A report providing an overview of the project will be sent to the local board in quarter three.

Work Programme 2018/2019 Q2 Report

ID	Activity Name	Activity Description	Further Decision Points	Lead Dept / Unit or CCO	Budget	Activity Status	RAG	Q1 Commentary	Q2 Commentary
717	New project: Waititiko, Waiateao (Meola and Motions Creek catchments) and the Three Kings to Western Springs Aquifer Initiative (Albert-Eden)	This project will be focused on the Western Springs-Meola-Three Kings Aquifer, comprising of the Waititiko (Meola) and Waiateao (Motions) Creeks. The initiative will aim to identify the issues, opportunities and existing programmes in place to restore the aquifer and related groundwaters. This assessment will identify gaps and inform options for future works in the area. It is proposed to utilise knowledge from stakeholders and involve partnerships with interested and influential parties operating within the catchment which covers three local boards, Puketāpapa, Albert-Eden and Waitemata. These would include local communities, mana whenua, Auckland Council, Watercare and Auckland Transport. It is proposed that the Albert-Eden and Waitemata Local Boards fund \$10,000 each towards this project, and the Puketāpapa Local Board funds \$5,000 as they have a smaller share of the catchment.	No further decisions anticipated	I&ES: Healthy Waters	\$10,000 LDI: Opex	In progress	Green	A contractor has been engaged to prepare a report demonstrating the issues/threats/opportunities/existing programmes for the integrated management of the aquifer. A literature review is complete and will be presented to the local board in November. After feedback from the board, engagement will begin with key stakeholders including Auckland Transport, Watercare, local community groups, Auckland Council, mana whenua, schools and sports clubs. Responses from the engagement will be incorporated into the final draft.	A literature review was completed as part of the Waititiko, Waiateao (Meola and Motions Creek catchments) and the Three Kings to Western Springs Aquifer Initiative project. During this review the Urban 10 Year Implementation Plan South Waitemata was identified, this plan was commissioned by the Auckland Council Sustainable Catchments team in 2014. The Urban 10 Year Implementation Plan South Waitemata achieves the same outcomes as the Waititiko, Waiateao (Meola and Motions Creek catchments) and the Three Kings to Western Springs Aquifer Initiative. The plan identifies the issues and opportunities to restore the Meola/Motions catchments. As a result of funding this document, Albert-Eden, Puketāpapa and Waitemata Local Boards were left with an unspent budget of \$19,277.00. The local boards endorsed investing the remaining budget towards water quality monitoring at the Three Kings Aquifer at a workshop on 23 November 2018. The Research Investigation and Monitoring Unit is currently designing a monitoring regime, which will be provided to the boards in quarter three prior to testing beginning.
1531	New project: Community education and moth plant disposal project	This project will support the community to identify moth plant and control it on local properties through effective communication and engagement. Other weeds can be included in future financial years, but moth plant will be the focus for 2018/2019. The community will be supported to safely dispose of moth plant, and a collection and disposal service will be provided on request, free of charge. The collection will be available for a specified period of time (possibly during March 2019). Landowners will be encouraged to fill bags with moth plant for collection. Advice will be offered on other weeds, but collection will be limited to moth plant. This project does not include support for the physical removal of moth plant, just the disposal. An identification service will be provided to people if they are unsure whether they have moth plant or not. Local community groups who are currently working to control weeds in the area will be engaged to support the project, including Friends of Oakley Creek, Friends of Maungawhau, and the Society Totally Against Moth Plant (STAMP). This project may also involve attending community events to raise awareness of invasive weeds, especially moth plant.	No further decisions anticipated	I&ES: Environmental Services	\$10,000 LDI: Opex	In progress	Green	A contract is being finalised for EcoMatters Environmental Trust to deliver this project within the 2018/2019 financial year. The community engagement aspect of the project will start as soon as the contract is finalised. The moth plant collection and disposal will take place in March 2019. The project is on track to be delivered on time and completed by April 2019.	Community engagement began in quarter two. The contractor performed an initial stocktake of groups and organisations that are doing, or have done, moth plant related projects in the Albert-Eden area. Representatives from six community groups have been contacted. The contractor is working closely with Friends of Oakley Creek on programme delivery. The project will continue through quarter three.

Libraries									
1078	Provision of Library Service - Albert-Eden	Deliver a library service - Help customers find what they need, when they need it, and help them navigate our services and digital offerings. Providing information, library collection lending services and eResources as well as support for customers using library digital resources, PCs and WiFi. Hours of service:- Epsom Library for 52 hours over 7 days per week. (\$494,956)- Mt Albert Library for 56 hours over 7 days per week. (\$636,086)- Pt Chevalier Library for 52 hours over 6 days per week (\$373,182)	No further decisions anticipated.	CS: Libraries & Information	\$1,504,224 ABS: Opex	In progress	Green	Albert-Eden libraries have seen a 3 per cent decrease in the number of visits and a 8 per cent decrease in issues for the year to date. Our digital and eCollections continue to grow however and customer demand for our programmes and events has increased significantly compared to this time last year.	Our digital and eCollections continue to grow with an increase in issues of 17 per cent across all libraries when compared to the same quarter last year. The number of active patrons also continues to increase. More customers are now asking about e-books, this being particularly noticeable over the holiday period, when customers often become the owners of new digital devices.
1079	Preschool programming - Albert-Eden	Provide programming for preschoolers that encourages early literacy, active movement, and supports parents and caregivers to participate confidently in their childrens' early development and learning. Programmes include: Wriggle and Rhyme, Rhymetime, Storytime.	No further decisions anticipated	CS: Libraries & Information	\$0 ABS: Opex	In progress	Green	Preschool programming continues to remain strong in the Albert-Eden Local Board area with 155 programmes delivered across the libraries to 6627 participants. Epsom Library has been trialling hosting a Korean playgroup which has been a great success and enabled connections with a new community group and has resulted in greater usage of our Korean collections. Point Chevalier Library had outreach visits to Waterview Kindergarten and local daycare centre Jumpstart. Mt Albert Library has continued to visit early childhood centres. This has become a reciprocal relationship with the childhood centres also visiting the library and attending storytime sessions. Mt Albert Library has also started to deliver multilingual rhymetime session in Te Reo, Mandarin and English. It enables families and children to embrace Te Reo Māori, and create inclusivity for our diverse communities.	Preschool programming continues to remain strong in the Albert-Eden Local Board area with 33 programmes delivered across the libraries to 1960 participants. Mt Albert and Pt Chevalier libraries held one-off Spanish storytimes to gauge interest in storytimes delivered in other languages. The sessions were very popular with people attending from all parts of Auckland. All three libraries continued successful outreach programmes to childcare centres and kindergartens across the local board. Diwali was celebrated in October with storytimes, henna painting, diyas making and rangoli craft. Library staff lead a coordinated approach to Diwali, delivering the same programmes across the three libraries which was really successful. The popular Wriggle and Rhyme, Rhymetime and Storytime sessions finished in mid December with special Christmas themed celebrations and will resume in February 2019.
1080	Children and Youth engagement - Albert-Eden	Provide children and youth services and programming which encourage learning, literacy and social interaction. Engage with children, youth and whanau along with local schools to support literacy and grow awareness of library resources. Provide a flagship language and literacy-building summer reading programme for 5-13 year olds.	No further decisions anticipated	CS: Libraries & Information	\$0 ABS: Opex	In progress	Green	Planning is underway for Kia Māia te Whai/Dare to Explore 2018/19 summer reading programme. Epsom Library has recently introduced both an afterschool gaming club (digital and board games) and a teen bookclub which have had a great response. Pt Chevalier Library has hosted reciprocal class visits with students from St Francis School, where the focus has been on teaching the library Dewey System and how to use the library catalogue. Mt Albert Library has started 'Reading with a dog' session every fortnight. Reading with Wilson (the dog) enables children to read in a relaxed, non-threatening atmosphere which encourages children to practice their reading skills and develop a love of reading.	The October school holiday theme was "Time Turner". All three Albert-Eden libraries participated with 19 events with 498 participants. Activities included lava lamp making, creative sculpture and a Harry Potter extravaganza. Kia Māia te Whai/Dare to Explore 2018/19, Auckland Libraries' flagship summer reading programme commenced on 10 December. Staff promoted the programme at local school assemblies. Engagement has been really high this year and all three libraries are working together in delivering reading challenges for the children to participate in. Pt Chevalier School created their own book 'Baboons on Balloons' which they read and performed at Pt Chevalier Library. Local actress and drama teacher Nicole Whippy did a pop-up drama performance with students from Pt Chevalier School at the library.
1081	Support customer and community connection and Celebrate cultural diversity and local places, people and heritage - Albert-Eden	Provide services and programmes that facilitate customer connection with the library and empowers communities through collaborative design and partnerships with Council and other agencies. Celebrate local communities, cultural diversity and heritage. Gather, protect and share the stories, old and new, that celebrate our people, communities and Tāmaki Makaurau.	No further decisions anticipated	CS: Libraries & Information	\$0 ABS: Opex	In progress	Green	Seniors Dance Company performed 'Glass Ceilings', a five minute dance in commemoration of 125 years of Women's Suffrage in all three libraries with a great response from the community. Epsom Library has been involved in planning an exhibition for the Auckland Heritage Festival with the Greenwood's Corner Business Association - People of Epsom with profiles of historical members of the community displayed in the library. Pt Chevalier Library staff were involved in the Community Open Day and food market held in the square in early September - a great turnout and good opportunity to promote the library. Mt Albert Library hosted a talk by 'Active Asia' to promote walking and keeping healthy. The talk concluded with a walk around the Mt Albert community.	Pt Chevalier Library held two Heritage Festival talks in October. Edward Bennett spoke about 'Lava, Life and Love: Pt Chevalier, Western Springs and the Black Reef' and Lisa Truttman recounted stories of the Western Bays Chinese market gardens from the 1880s to the 1940s, in a talk called 'From Arch Hill to the table: Chinese Market Gardens'. Mt Albert Library is currently trialling a Spanish collection as there has been an increase in demand from customers wanting books written in Spanish. They also hosted a light shadow puppet exhibition by the New Zealand Multicultural Foundation and ran a puppet making workshop for members of the public. Albert-Eden library staff participated in the Albert-Eden Cultrual festival, to promote Kia Māia te Whai/Dare to Explore summer reading programme resulting in over 100 registrations.

Work Programme 2018/2019 Q2 Report

1082	Celebrating Te Ao Māori and strengthening responsiveness to Māori. Whakatipu i te reo Māori - Albert-Eden	Celebrating te ao Māori with events and programmes including regionally coordinated and promoted programmes: Te Tiriti o Waitangi, Matariki and Māori Language Week. Engaging with Iwi and Māori organisations. Whakatipu i te reo Māori - champion and embed te reo Māori in our libraries and communities.	No further decisions anticipated	CS: Libraries & Information	\$0 ABS: Opex	In progress	Green	All three libraries hosted the Stardome Observatory for interactive Matariki sessions and also held weaving and craft activities. We held special storytimes and rhymetime sessions during Māori Language Week across the libraries and our children's staff are receiving training and working on incorporating more Te Reo into regular storytime sessions. At Point Chevalier Library television presenter Miriama Kamo read from her latest book 'The Stolen Star of Matariki', sharing stories with an appreciative Saturday morning crowd. Wāhi Kōrero Māori spaces were created in all the libraries to encourage the use of Te Reo Māori during Te Wiki o te Reo Māori.	Each library has created a designated space clearly identified for people to meet and korero. This was part of an initiative for every library and research centre in the Auckland Libraries network to promote the use of reo in a safe and respectful manner. This year the Kia Māia te Whai/Dare to Explore summer reading programme includes a separate Te Reo booklet as well as Māori words in the English booklet.
1083	Learning and Literacy programming and digital literacy support - Albert-Eden	Provide learning programmes and events throughout the year. Support our customers to embrace new ways of doing things. Lift literacy in the communities that need it most. Help customers and whānau learn and grow, and provide opportunities for knowledge creation and innovation.	No further decisions anticipated	CS: Libraries & Information	\$0 ABS: Opex	In progress	Green	Point Chevalier Library hosted talks with authors Lindsey Dawson and Robert Bolton and an art talk by Launt Thompson. A series of beginners meditation classes have been repeated, due to their success earlier in the year. Epsom Library have been trialling English language classes in collaboration with the Elizabeth Knox Rest Home and these have been well received with 25 participants each session. Epsom also hosted the New moon festival for the Chinese community with over 130 attendees sharing mooncake, watching performances and having calligraphy lessons. Mt Albert also held a New moon festival which included a Chinese water painting event and a Japanese tea ceremony. Mt Albert has also started to provide outreach digital support to Bhartiya Samaj in collaboration with Mt Roskill Library. The Bhartiya Samji group are mainly elderly Indian people. They appreciate the support from library staff who can communicate to them in Indian language and help lift their digital skills.	At Pt Chevalier Library, two local authors, Chrissy Metge and Karen McMillan, showcased their work and talked about the process of publishing books. The library also held a creative writing workshop. Pt Chevalier Library repeated adult meditation sessions in October which was due to popular demand earlier in the year. Mt Albert Library visited two resthomes to deliver a special Christmas themed programme and to promote library services. This was a new initiative to increase our engagement with senior customers. Epsom Library collaborated with Anja Thomas to host the community network meeting for Christmas with over 20 local organisations attending and we received great feedback. Epsom Library also held a month-long suggestion board display to come up with new, engaging programmes for our adult customers in the New Year which resulted in a lot of ideas to work through and co-design with our community.
Local Economic Development: ATEED									
343	Albert-Eden Business Award	Deliver a local business award programme and provide opportunities for businesses to benchmark their success against other local businesses. Award categories include retail, hospitality-license, hospitality-non-license, business & professional services, health& beauty, manufacturing & trade, emerging business, excellence in marketing, excellence in innovation, and excellence in environmental sustainability.		ATEED: Local Economic Growth	\$25,000 LDI: Opex	In progress	Green	A project team has set up to provide oversight on the delivery of 2017/2018 Business Award programme. The project team will meet with the service provider monthly to discuss programme delivery. The draft proposal has been presented the board in October.	The service provider presented the draft proposal to the local board in Oct. Staff will work the service provider on setting up a detailed contract management system to ensure key milestones being reported in a timely manner
345	Epsom Business Engagement	Initiate a series of local business engagement events with Alexandra Park and other local businesses in Epsom. The aim is to facilitate a local business network where businesses can work together as part of a connected and collaborative business community.		ATEED: Local Economic Growth	\$15,000 LDI: Opex	In progress	Green	Three prospective vendors have been invited to submit a proposal on delivering a business engagement programme in Epsom. Only one proposal was received. The prospective service provider has presented the draft proposal to the board in October.	White Dog Limited has been appointed as the service provider to lead the Epsom Business Engagement Programme
346	Albert Eden Business Sustainability Development	ATEED and I&ES staff will work together to promote sustainable business practices. This programme of work will include identifying the needs of local business through a short one on one engagement, working with interested businesses through coaching sessions to establish a sustainability action plan, and encouraging participant to monitor their progress. The collaborations with I&ES include information sharing and referring businesses to I&ES's education programmes.		ATEED: Local Economic Growth	\$20,000 LDI: Opex	In progress	Green	Green Business HQ have been appointed as the provider for delivering the Albert-Eden Sustainability Programme. The first workshop was held in September.	Two workshops were held in Q2. The workshops provided practical examples on how businesses could improve their sustainability outcome.

Staff are working with business associations who are interested in receiving training to better understand the data. A specialist from Marketview will be invited to present the annual report to the business association members in October/November 2018.	Marketview presented 2017 Annual Reports to both Mt Albert Business Association and Kingsland Business Association in November
Parks, Sport and Recreation									
12	AE: Ecological volunteers and environmental programme FY19	<p>Programme of activity supporting volunteer groups to carryout ecological restoration and environmental programmes at sites including: Oakley Creek; Meola Creek; Heron Park and Eric Armishaw Reserve.</p> <p>Activities include:</p> <ul style="list-style-type: none"> •Community planting events; •Plant and animal pest eradication; •Litter and green waste removal; •Contractor Support; •Tools and Equipment; •Beach/stream Clean Ups. •Brochures 	No further decisions anticipated	CS: PSR: Park Services	\$30,000 LDI: Opex	In progress	Green	Volunteer activities mainly focused on pest animal control, wetland planting and restoration. Key reserves where activities took place include Balmoral Heights Reserve, Eric Armishaw Reserve and Te Auanga awa (Oakley Creek	Volunteer activities mainly focused on pest animal control, wetland planting and restoration. Key reserves where activities took place were at Oakley Creek and Meola Creek (near Western Springs) with animal pest control activity and post planting season care was undertaken at Watea Reserve and Roy Clements Treeway.
15	AE: specific implementation plan for Auckland's Urban Forest (Ngahere) Strategy	<p>This project is to develop a local board specific programme which will identify, increase and protect Auckland's Urban Forest. Information sessions were held with local boards on the Urban Forest (Ngahere) Strategy in August 2017. This is a three year project. Year one 'knowing' phase: complete spatial mapping of the existing tree canopy cover on public and private land in the local board area. Determine the extent, type and age of urban Ngahere. Develop options and identify any funding required for programmes in years two and three: Year two 'growing' phase: Finding space for planting new trees using partnerships, including community groups, schools and the Million Trees Program. Year three 'protecting' phase: direct and indirect methods for the community to nominate and protect trees.</p>	Draft local Ngahere Assessment Report will be presented for discussion in Q4.	CS: PSR: Park Services	\$15,000 LDI: Opex	In progress	Green	Workshop with board members in September to share the programme and note their feedback. Preparing for the next steps - the planning phase. Background analysis of the LIDAR mapping is underway to determine early indicators on the extent and condition of the local board area tree cover.	At a Q2 workshop the local board confirmed the key deliverables for the Ngahere-Knowing programme. Continued analysis of the data released from the regional LiDAR mapping and initial drafting of the local Ngahere Assessment Report is in progress. This will inform the planning options for Phase 2 Growing for delivery in FY2019-2020.

457	AE: Albert-Eden Sport and Active Recreation Facility Plan	Continuation and completion of plan funded by the Feasibility Studies budget in FY17/18. This plan will guide any future investment into sport and recreation with a comprehensive analysis of the need in the area/sport to ensure maximum effectiveness of investment and facility use.	Local Board approval of the Plan by the end of FY18/19	CS: PSR: Active Recreation	\$30,000 LDI: Opex	In progress	Green	A workshop was held with WSP Opus and the local board on 18 July 2018 where the proposed methodology and consultation timelines were presented. The local board requested that the scope for community consultation be widened. A contract variation has been drafted between Auckland Council and WSP Opus to reflect the changes and consultation will be commencing in October 2018. WSP Opus now has a new consultant leading this project.	Contract variation signed and consultation has commenced following a change in lead staff at WSP Opus. An update will be presented to the local board at a workshop in early 2019.
461	AE: Parks services planning programme	Parks services planning for Albert-Eden Local Board to identify needs and gaps in its parks network and develop outcomes to address the needs; This planning work comprises of the following four initiatives: - Diversity in parks -Open space network planning -Parks promotion -Benefits realisation. Synergies have been identified with other Community Services programmes, specifically ACE #990 (Placemaking) ACE #998 (Arts and Events programme broker) and Libraries #1081 (Celebrate cultural diversity and local places). PSR will work collaboratively with ACE and Libraries to deliver shared outcomes. This includes a FY17/18 budget deferral of \$25,000.	Suggested routes for the short walks brochure will be presented in Q3.	CS: PSR: Park Services	\$65,000 LDI: Opex	In progress	Green	Projects to be funded with this budget were discussed and agreed by the local board in August: 1) accessibility reports for Potters Park and Waterview Reserve 2) ideas for an age friendly city initiatives 3) walks to be included in a short walks brochure 4) progress on improving the park accessibility content on the Auckland Council website Further workshops will be scheduled with the local board in Q2 to discuss progress and present draft reports.	Projects in the program were workshopped with the local board in Q2. An update on agreed projects as listed in Q1 are: 1) The accessibility reports have been completed for Potters Park and Waterview Reserve. 2) Ideas for an age-friendly city have been substituted with a temporary covered space identified in the Diversity in Parks Assessment. 3) Suggested routes for the short walks brochure will be presented in Q3. 4) Accessibility maps to be included on the website are currently being designed.
494	AE:Māori naming of reserves and facilities FY18/19	Identifying opportunities for park and facility naming/renaming and engaging with Mana Whenua to develop Māori names and enhance Auckland's Māori identity and Māori heritage	Approval of names for parks in Tranche 1 by the end of FY18/19	CS: PSR: Park Services	\$8,000 LDI: Opex	In progress	Green	At the 22 August 2018 business meeting the board approved 14 local parks to invite mana whenua to provide a Māori name and narrative for dual naming. Mana whenua representative Ngaio Kemp from Te Runanga o Ngāti Whātua attended the public forum in support for the business report. Mana whenua will progress their process to identify Māori names for the approved local parks.	Mana Whenua have attended the monthly hui for the Te Kete Rukuruku programme and continue to work with staff on the partnership programme for Māori naming of parks and places. During Q3 iwi will progress their process to identify Māori names for the approved community parks list. Staff will liaise with mana whenua to provide support with additional information such as maps or reserve management plans to inform iwi awareness of the types of activities and community groups who utilise the parks. Additional assistance offered is GEOMaps training.
495	Mt Albert Leisure Centre: Operations	1. Operate Mt Albert Leisure Centre in a safe and sustainable manner, (through a management agreement with YMCA). Deliver a variety of accessible programmes and services that get the local community active. These services include: fitness; group fitness; early childhood education; and recreation services. Along with core programmes that reflect the needs of the local community.	No further decisions anticipated	CS: PSR: Active Recreation	\$0 ABS: Opex	In progress	Green	Activation this quarter:12% decrease in active visits, however there has been a increase in active participation. Customer Satisfaction - there was a slight decrease in (measured by Net Performance Score (NPS) survey) from the previous quarter. NPS Score is 66.0, this is a 1.9 decrease, although this is the second highest score in the network. Jill Gibson, the Centre Manager was awarded Westfield Local Hero and gained grant of \$10,000 to take YMCA programmes into schools. Winning the Westfield Local Heroes funding has allowed the staff to start dance classes for Owairaka school. Every child in the school will get to participate with 30 minute classes throughout Term.Customer Satisfaction	Active visits Sept-Nov = 107,020; a 19% decrease on the same period last year. Customer satisfaction (12-month average to end Q2, measured by Net Promoter Score (NPS)) decreased from Q1; from 66 to 62 (Council average = 31). Mt Albert Rec's maintenance upgrades have contributed significantly to reduced active visits. New HVAC systems and soundproofing have been installed in the group fitness space, the entrance foyer is currently being extensively refurbished, and the stadium floor has been re-varnished. The entrance is temporarily closed, and centre access is directed through the old creche room to allow for the installation of new carpet from 28th December - 4th January.
496	AE: Delivering an Out and About Programme FY18/19	Deliver a range of 'free to attend' activities and events in local parks, spaces and places, for all ages. Out and about will evolve to become a more responsive and tailored programme of activities that provides opportunities for everyone to be physically active. Focus delivering local solutions for young people and seniors, and strengthening connections around key assets like paths, and leisure centres that can support a wider range of activities.	No further decisions anticipated	CS: PSR: Active Recreation	\$15,000 LDI: Opex	In progress	Green	Active Recreation provided a workshop update in August. The proposed 18/19 delivery schedule was presented and feedback provided from members. Active Recreation are working with delivery partners to include feedback, and to finalise schedule by early November. Marketing and promotion to begin mid November at the latest and include coreflutes on community noticeboards. Delivery will run from January to March 2019	Active Recreation have finalised the activities and events to be included in the summer delivery programme and are waiting on delivery partners to finalise dates including Friends of Oakley Creek, and Bike Auckland. Flyers with details on the program were sent to all schools before the Christmas break. Signage will be on community noticeboards in late December. All activities will be loaded on the Out & About Auckland facebook page co-hosted with the Albert-Eden Local Board page.

Work Programme 2018/2019 Q2 Report

ID	Activity Name	Activity Description	Further Decision Points	Lead Dept / Unit or CCO	Budget	Activity Status	RAG	Q1 Commentary	Q2 Commentary
1526	AE: Learn to Swim program	Provision of swimming lessons at Mount Albert Leisure Centre for children in years one and two, for schools in Albert-Eden which do not have a swimming pool onsite.	Active Recreation staff confirm with the local board in Q3 which schools are to receive lessons.	CS: PSR: Active Recreation	\$20,000 LDI: Opex	In progress	Green	Active Recreation need to confirm all the schools that the local board wish to include in the funded lessons for 2018/19. Active Recreation will include other local board feedback on the programme to ensure the funding benefits those students most in need. A lessons to be delivered at the Mt Albert aquatic facility.	Active have started engaging with schools for delivery in 2019, and have also had requests from schools that are not low decile. Active Recreation staff will seek agreement from the local board early in 2019 to confirm which schools are to receive lessons.
2260	Mt Albert Aquatic Centre	Operate Mt Albert Aquatic Centre through a management agreement with Belgravia; <ul style="list-style-type: none"> • Deliver a variety of accessible programmes and services that get the local community active which include: • group fitness; • learn to swim; • aquatic services. 	No further decisions anticipated	CS: PSR: Active Recreation	\$0 ABS: Opex	In progress	Green	Mt Albert Aquatics Centre At the 2018 New Zealand Aquatics Awards, the Aquatic Innovation Award went to Mt Albert Aquatics for their Access and Inclusion Initiative. They have developed programmes specifically aimed at supporting minority groups who, for many reasons, have difficulty accessing their facilities. Customer Satisfaction There was a slight decrease in customer satisfaction (measured by NPS survey) from the previous quarter. The NPS score for Quarter 1 is 14.9, this is a 1.03 decrease from the previous quarter. Activation this quarter: 21% decrease in visits. This was largely due to the wave pool, toddlers pool, adult spa, sauna and steam room maintenance closure at the end of September..	Active visits Sept-Nov = 57,130; a 25% decrease on the same period last year. Customer satisfaction (12-month average to end Q2, measured by Net Promoter Score (NPS)) decreased from Q1; from 15 to -1 (Council average = 31). The wave pool, toddlers pool, adult spa, sauna and steam room maintenance closures, towards the end of quarter one and beginning of quarter two, have contributed significantly to reduced active visits. Customer detractor comments relate to the maintenance closure of the leisure pool, the maintenance issues Community Facilities had with the Spa Pool and general overcrowding of the main pool and leisure pools.
Plans and Places									
1425	Albert-Eden centre transformation programme	Scoping and design of improvements for Greenwood's Corner and Sandringham centre. Monitoring of development and projects in and around Pt Chevalier centre, to inform scoping of a potential future centre plan in coming years.		CPO: Plans and Places	\$50,000 LDI: Opex	In progress	Green	Design brief being drafted to engage landscape architect to develop plans for transformation of Greenwood's Corner and Sandringham. Waiting on further detail from AT to build into this. Propose to go out to tender within this Quarter. Have been engaging with manawhenua to inform the brief and seek early indication of involvement in development of plans. Update to Board 31 Oct 2018.	New AT project in the area affecting Sandringham, Manukau and Pah Rds. Liaising with AT to understand implications of the project on the centres. AT informed Local Board. Next steps- merge the projects to ensure treatment of centres reflects the intentions of the Centres Transformation project. AT presenting draft plans to Local Board 20 Feb. Ongoing monitoring of proposed development in and around Point Chevalier. Community needs assessment results presented to Board. Community Centre to undergo minor alterations for now. Great North Road also impacted by AT project.

Staff to arrange a site inspection and workshop with the local board to discuss new lease in quarter three.
2829	Citizens Advice Bureau - St Lukes Rd Mt Albert	Renewal of lease for 82 St Lukes Rd, Mt Albert.	CF: Community Leases	0/01/1900	0	0/01/1900	\$0.00	In progress	Green	Citizens Advice Bureau have responded with suggested changes to the original draft deed of community lease. Staff will work with Auckland Council legal advisors to review these changes to prepare a deed for final review and execution. Once agreed, the terms and conditions of the multi premises lease will be used to recommend an individual lease for the Citizens Advice Bureau in the boards area.	The draft lease is with council's solicitors for review following input from Citizen Advice Bureau and council staff. If no further issues are raised, the revised deed will be sent to Citizen Advice Bureau for execution and any renewals under the lease can be progressed. This is anticipated to be finalised in quarter four. Local board still to approve multi premises lease before this can be progressed.
