5. Comments

Brian Osborne worked as part of the Save Takapuna Beach Holiday Park over a five year period. Brian attended local board meetings and Commissioner's Hearings to ensure that the community voice was heard during the process. Brian was a long- term resident of Takapuna who would often walk the Takapuna to Milford Walkway with his family. On 23 November 2018 business clients and friends organised the Brian Osborne Memorial Golf Tournament, held in his honour. This will be an annual fund-raising event, with the proceeds donated to North Shore Hospice in Brian's name. We were able to make a sizeable donation to the Hospice this year in Brian's name, following the tournament.

The Park and Places Specialist supports the application, the applicant has shown a connection to the Takapuna Holiday park that sits on park land. Options were discussed to include a plaque on bench seating, the family has requested that a seat be installed further along the walkway. The applicant has been advised to contact neighbours at Audrey Road to request their support of the seat. This has not been received however will be confirmed with the local board upon receipt.

6. Recommendation

That the Devonport- Takapuna Local Board, support the Manager Land Advisory Services, Stakeholder and Land Advisory, Community Facilities, exercising their delegation to approve the landowner approval to the applicant.
