Great Barrier Island Community Board

Sue Daly, Community Board Member

Sue,

Thank you for your offer of a Bench seat for the GBI Golf club, I picked one up from in front of the Community board building today, after speaking to Barry the day before.

The one I chose has a back to it, just right for us older Golfers!

This is a very generous offer, the bench seat is very well made and quality is in excess of the current bench seats we have.

Thank you Sue for thinking of us

regards

Malcolm

Great Barrier Island Golf Club Secretary
