

Attachment A: List of local parks and reserves in the Howick Local Board area and recommended high-level kauri dieback mitigation measures

Park Name	Prioritisation Category	Kauri Dieback Status	Recommendation
Point View Reserve	B	Non Symptomatic	Undertake detailed investigations to determine appropriate mitigation to protect kauri. Consider temporary closure until mitigation works are completed.
Boyd Reserve	D	Non Symptomatic	No mitigation.
Howick Domain	C	Non Symptomatic	Discourage public access through barrier planting and signage. Consider installing hygiene station(s) at strategic locations.
