26 February 2019

Mr Kit Parkinson
Chairperson
Orakei Local Board
via email: kit.parkinson@aucklandcouncil.govt.nz

Dear Kit,

I would like to further express our gratitude to the Orakei Local Board for the generous grant made to TS ACHILLES for the boat refurbishment project.

I'm pleased to say that the boats are back from the workshop and they're looking fantastic.

We would like to invite you and members of the board to the unit one Thursday evening to view the boats and the cadets sailing them (weather dependant). It would also be a good photo opportunity for the Board and the unit for a media release publicising the Units refurbished boats as a result of the Boards local grants scheme.

If agreeable, we can coordinate a set date based on mutual convenience, tides etc.

On behalf of the Ship's Company, thank you again for the opportunity your grant has given the unit, that will ensure many more years sailing experience to the youth of our community.

Yours Aye

Craig Walecki
Lieutenant Commander NZCF
Cadet Unit Commander
