

**Rodney Local Board**  
**Outcomes of deputations/presentations and public forum**  
**21 February 2019**

<b>Presenter/Topic</b>	<b>Purpose/Issue</b>	<b>Outcome</b>
Christine Rose from World Animal Protection NZ	To provide an update on the proposed Threat Management Plan for Maui and Hector's dolphins	The local board thanked Ms Rose for her presentation and acknowledged her efforts to educate communities on the work she does for World Animal Protection NZ.
Gary Heaven	To provide an update on the proposed Puhunui Trail (Snells Beach to Warkworth walkway)	The local board thanked Mr Heaven for his presentation. The local board were very impressed with the work done to date and support the continuation of the planning needed to bring this great community asset to fruition.
