

Hibiscus and Bays Local Board Community Grants Programme 2019/2020

Purpose

Grants help groups and organisations to provide activities, projects, programmes, initiatives and events that make a positive contribution to the community within the local board area.

The local board would like to see applicants demonstrate that they are working collaboratively with other community groups and have identified alternative funding partnerships. It is important for groups and organisations to be sustainable and deliver good community outcomes.

Important Advice for Applicants

Applicants are encouraged to read the Hibiscus and Bays Local Board Plan before submitting an application.

You will be asked to identify how your project aligns with one or more of the local board plan priorities and show how the project will benefit the community.

Ensure that you clearly outline the contribution you are making to the project within the local board area.

The Hibiscus and Bays Local Board plan can be found on the Hibiscus and Bays Community [page](#).
