Dear Lester,

Remuera Railway Station

I hope you are well. At its meeting of the 26th of February the Heritage Advisory Panel heard a report and discussed the matter of the Remuera Railway Station; in particular the issue of the Remuera Railway Station Preservation Trust's longstanding tenure at the station. The panel would like to convey to you its support for the Trust's continued right to occupy the station to enable it to continue its splendid restoration work.

Resolution number HER/2019/6

MOVED by Member L Chan, seconded by Member B Rayner:

That the Heritage Advisory Panel:

- a) receive the Heritage Manager's report
- b) request that the Chair of the Heritage Advisory Panel write to the Chair of Auckland Transport expressing formal support by the Panel for the retention of the long-standing right to occupy, by the former Remuera Railway Station Preservation Trust.

Please be aware the Heritage Advisory Panel has been closely interested in the Remuera railway station buildings restoration project and railway heritage in Auckland in general, virtually since its inception. This matter has dragged on for far too long and I make an earnest request that you urge Auckland Transport management to come to an accord with the Remuera Railway Station Preservation Trust as expeditiously as possible.

I look forward to your response.

Yours sincerely,

Michael Lee
Auckland Councillor
