4 Confirmation of Minutes

That the Henderson-Massey Local Board:

a) confirm the ordinary minutes of its meeting, held on Tuesday, 19 March 2019, as a true and correct record.

5 Leave of Absence

At the close of the agenda no requests for leave of absence had been received.
6 Acknowledgements

6.1 Acknowledgement: Laurel Belworthy

Te take mō te pūrongo

Purpose of the report

1. To acknowledge Laurel Belworthy, Manager of Massey Matters for the wonderful work she has put into the Massey Community.

Whakarāpopototanga matua

Executive summary

2. It is both a great pleasure and a sadness that we acknowledge today the wonderful work of Laurel Belworthy in the Massey community. For the last several years, she has managed Massey Matters through a period of great success and accomplishment in making Massey a better place to live. Laurel has always been a determined and committed advocate for the Massey community. With her team, she spearheaded such initiatives as the Boost Programme, MYC and the Love Massey Movement. These programmes make a huge difference in people’s lives, and our community are greatly appreciative of the work Laurel has done with her team to make such programmes wonderfully successful.

3. She conducted a tough job with a smile and a determination grounded in a love of the community. We have been proud to work with Laurel, and wish her all the very best in the next step of her career.

Recommendation/s

That the Henderson-Massey Local Board:

a) acknowledge Laurel Belworthy for the outstanding service she gave to the Massey Community through Massey Matters.

7 Ward Councilor’s Update

An opportunity is provided for the Waitakere Ward Councilors to update the board on regional issues they have been involved with since the last meeting.

8 Deputations

Standing Order 7.7 provides for deputations. Those applying for deputations are required to give seven working days notice of subject matter and applications are approved by the Chairperson of the Henderson-Massey Local Board. This means that details relating to deputations can be included in the published agenda. Total speaking time per deputation is ten minutes or as resolved by the meeting.
8.1 Deputation - Ger Tew, Hendo ReMakery concept proposal

Te take mō te pūrongo

Purpose of the report

1. To present a concept proposal for “The Hendo ReMakery” a venue where community enterprise work can take place in the Henderson-Massey local board area.

Whakarāpopototanga matua

Executive summary

2. Our vision is based on collaboration, zero waste and creative solutions towards kaitiakitanga.

3. We would like to set up an innovation / community space where a collective of groups and organisations can enable people to be creative and enterprising in an atmosphere that is encouraging while making positive connections. By sharing resources and expertise, there will not be a heavy reliance on an individual's particular skillset but through combining the individual talents we can collectively grow everyone’s enterprise.

9 Public Forum

A period of time (approximately 30 minutes) is set aside for members of the public to address the meeting on matters within its delegated authority. A maximum of 3 minutes per item is allowed, following which there may be questions from members.

At the close of the agenda no requests for public forum had been received.

10 Extraordinary Business

Section 46A(7) of the Local Government Official Information and Meetings Act 1987 (as amended) states:

“An item that is not on the agenda for a meeting may be dealt with at that meeting if-

(a) The local authority by resolution so decides; and

(b) The presiding member explains at the meeting, at a time when it is open to the public,-

(i) The reason why the item is not on the agenda; and

(ii) The reason why the discussion of the item cannot be delayed until a subsequent meeting.”
Section 46A(7A) of the Local Government Official Information and Meetings Act 1987 (as amended) states:

"Where an item is not on the agenda for a meeting,

(a) That item may be discussed at that meeting if-

   (i) That item is a minor matter relating to the general business of the local authority; and

   (ii) the presiding member explains at the beginning of the meeting, at a time when it is open to the public, that the item will be discussed at the meeting; but

(b) no resolution, decision or recommendation may be made in respect of that item except to refer that item to a subsequent meeting of the local authority for further discussion."
Auckland Transport Update Report for the Henderson-Massey Local Board – April 2019

File No.: CP2019/05283

Te take mō te pūrongo

Purpose of the report

1. To respond to requests on transport-related matters, provide an update on the current status of the Local Board Transport Capital Fund (LBTCF), provide a summary of consultation material sent to the board and, provide transport related information on matters of specific application and interest to the Henderson-Massey Local Board and its community.

Recommendation/s

That the Henderson-Massey Local Board:

a) receive the Auckland Transport Update to the Henderson-Massey Local Board – April 2019 report.

Horopaki

Context

3. This report updates the board on Auckland Transport (AT) projects and operations in the local board area, it updates the board on their advocacy and consultations, and includes information on the status of the Local Board Transport Capital Fund.

4. Auckland Transport is responsible for all of Auckland’s transport services, excluding state highways. We report on a monthly basis to local boards, as set out in our Local Board Engagement Plan. This monthly reporting commitment acknowledges the important engagement role local boards play within the governance of Auckland on behalf of their local communities.

Analysis and advice

Local Board Transport Capital Fund

5. The LBTCF is a capital budget provided to all local boards by Auckland Council and delivered by Auckland Transport. Local boards can use this fund to deliver transport infrastructure projects that they believe are important but are not part of Auckland Transport’s work programme. Projects must also:

- be safe
- not impede network efficiency
- be in the road corridor (although projects running through parks can be considered if there is a transport outcome).

6. The Henderson-Massey Local Board’s funding allocation under the LBTCF was $4,623,969 for the current political term. In addition, there is a sum of $1,253,083 which has been approved by Council and is available from 1 July 2018.

Henderson North Zone Proposed Residential Speed Management Project Update

7. The Henderson-Massey Local Board resolved at its December meeting approving the allocation of up to 1.1 million to the Henderson North Zone Proposed Residential Speed Management project. Auckland Transport has awarded the contract to a consultant to carry out the investigation component of this project.

8. At this stage Auckland Transport is aiming to have a draft plan and costing by the end of May or early June. All preliminary data has been completed and the 12-traffic count/speed count on 12 sites and one pedestrian count on Edwards Avenue have also been completed. All this information will be presented to the Local Board upon completion of our internal consultation process, in mid to late June 2019.

Edsel Street Safety Issues

9. Auckland Transport has visited the site and the current road layout and Traffic Management Plan (TMP) contains risks to road users, this has again been escalated onsite with TSL.

10. New approvals are being submitted to be implemented from TSL. From the 3 April a new safer pedestrian path will be available to all via the underground carpark, which will eliminate the current pedestrian detour.

11. Other risks have been forwarded to the construction company to mitigate as soon as practicable.

Cycling improvements along Oratia Stream and Henderson Creek Shared Paths

12. Auckland Transport Network Management and Safety team have put the submission on this through to the ‘Henderson’s Future’ consultation for consideration. Auckland Transport will be using the feedback received during consultation to inform our decision-making on what can be prioritised for investment in Henderson. Once the feedback has been processed Auckland Transport will report this back to the Local Board as part of the next process on the ‘Henderson’s Future’ project.
13. The final report will be available in May 2019.

**Bus stop outside Castle Heights Rest Home at 169 Sturges Road, Western Heights**

14. The new concrete pad for the existing bus stop outside 169 Sturges Road has been installed.

15. In regard to relocation of the bus stop and installation of bus shelter outside the Castle Heights Village will be considered as part of the audit that is starting up in July this year for the whole of Sturges Road.

**Waitemata Drive roading issues**

16. A request has come through from the Local Board for Auckland Transport to look at the construction of the new cycleway on the corner of Crows Road and Te Rangi Hiroa and the safety at that intersection. This has been referred to Auckland Council as this needs to be addressed as part of the resource consent process as the development is still been developed.

**Sunnyvale Station, Toilets Request**

17. The Local Board received a request for toilets to be installed at Sunnyvale Station. Unfortunately, there are no toilets programmed for Sunnyvale Station.

**Miriam Corban Heights Path Damage**

18. A request has come through the Local Board for Auckland Transport to make the path to the Sturges Train Station, that runs behind the houses on Miriam Corban Heights, safe. Auckland Transport is aiming to replace the fence by mid May. In regard to the footpath this has been programmed to be completed within this financial year. Our contractor is planning to make the footpath safe until it can be designed and fully replaced.

**Footpath Staple Removals in Te Atatu Peninsula**

19. Staples on walkways are installed to prevent motor vehicle access and to protect pedestrians and cyclists. Auckland Transport have investigated the possible removal of the staples at the stated locations, to ensure that they meet our standards for mobility and pram access. The double staples at 10 Glenford Lane, 98 Kervil Avenue, 634 Te Atatu Road and 14 Gladfield Lane will remain as measurements show that there is sufficient room to move around the staples. The staples at locations at 53 Waipani Road, 32 London Street, 12 Yeovil Road, 51 Graham Avenue and 21 Graham Ave will be removed as they do not meet our standards.

20. The double staples near 44 Hereford Street are not part of Auckland Transport’s road reserve and the decision for the removal of this staple needs to be made by the Auckland Council. We have passed this matter to Auckland Council on your behalf, asking for them to be reviewed.

**Royal Road School Roading Issues**

21. The Local Board have been approached by the school about difficulties they are experiencing with traffic congestion and the proximity of the bus stop to the entrance of their school.

22. Auckland Transport’s Road Corridor Operations Team is working with the school to mitigate the issues through education and Auckland Transport is also looking at the road layout and the bus stop location.

**Council group impacts and views**

23. The impact of information in this report is confined to Auckland Transport and does not impact on other parts of the Council group. Any engagement with other parts of the Council group will be carried out on an individual project basis.
Local impacts and local board views

Consultation documents on proposed improvements

24. Consultation documents for the following proposals have been provided to the Henderson-Massey Local Board for its feedback and are summarised below for information purposes only.

25. After consultation, Auckland Transport considers the feedback received and determines whether to proceed further with the proposal as consulted on or proceed with an amended proposal if changes are considered necessary.

- Traffic and parking control changes on the new road Kaimai Avenue (located at 28 Tararua Street)
- Fernhill Drive (Westgate) – Exeloo
- Bus stop relocation from 145 to 149 Henderson Valley Road

Thousands Have Their Say On Speed Bylaw

26. Auckland Transport has received 11,007 submissions on its proposal to reduce speeds on some 700km of high-risk roads around the region, 90 per cent of these are in rural areas.

27. Auckland is facing a road safety crisis with a 78 per cent increase in deaths and a 68 per cent rise in serious injuries since 2014. Nine people have died on New Zealand roads today in three crashes.

28. Lowering speeds and working with Police to enforce those limits is a proven tool internationally to be one of the easiest and most effective interventions available.

29. A number of submissions have come from organisations representing large sections of the community, such as District Health Boards, universities and school Boards of Trustees, the AA, Victim Support and Local Boards.

30. Auckland Transport also received many submissions from people wanting their local street or neighbourhood to have speeds lowered. While those areas were not the focus for this proposal, we will certainly take them into account in the future."

31. Submissions are currently being analysed and those who have requested will present to a Hearings Panel of AT Board members and senior executives later in April.

32. If adopted, the speed limit changes will come into effect in August this year.

Purpose of the report

1. To update the Henderson-Massey Local Board on Panuku Development Auckland (Panuku) activities within the local board area and the region for the six months from 1 September 2018 to 28 February 2019.

Whakarāpopototanga matua

Executive summary

2. Panuku is charged with balancing financial and non-financial outcomes in order to create and manage sustainable and resilient places where people want to live, work, invest, learn and visit. The activities of Panuku cover four broad areas:
   - redevelopment of urban locations, leveraging off council owned land assets, mostly within existing suburbs
   - review of, and where appropriate, redevelopment of council non-service property
   - management of council property assets including commercial, residential, and marina infrastructure
   - other property related services such as redevelopment incorporating a service delivery function, strategic property advice, acquisitions and disposals.

3. Panuku currently manages 53 commercial and residential interests in the Henderson-Massey Local Board area.

4. One property was purchased and one property was sold in the Henderson-Massey Local Board area during the last six months.

5. Panuku leads a multi-year redevelopment programme of the council’s Housing for Older People (HfOP) portfolio (Haumaru). There are three HfOP villages in the Henderson-Massey Local Board area.

Ngā tūtohunga

Recommendation/s

That the Henderson-Massey Local Board:

a) receive the Panuku Development Auckland Local Board update for 1 September 2018 to 28 February 2019

Horopaki Context

6. Panuku helps to rejuvenate parts of Auckland, from small projects that refresh a site or building, to major transformations of town centres or neighbourhoods.

7. The Auckland Plan is the roadmap to deliver on Auckland’s vision to be a world class city, Panuku will play a significant role in achieving the Homes and Places and Belonging and Participation outcomes.
8. Panuku is leading urban redevelopment in Manukau, Onehunga, Wynyard Quarter, Waterfront, Northcote, Avondale, Takapuna, Henderson, Papatoetoe, Ormiston and Flat Bush, Panmure, Pupekohe, City Centre and redevelopment of the Haumaru Portfolio.

9. Panuku manages around $2 billion of council’s non-service property portfolio, which is continuously reviewed to find smart ways to generate income for the region, grow the portfolio, or release land or property that can be better used by others.

10. As at 30 December 2018, the property portfolio comprises 1636 properties, containing 1062 leases. The current portfolio includes vacant land, industrial buildings, warehouses, retail shops, cafes, offices, medical centres, and a large portfolio of residential rental homes.

Analysis and advice

Development

11. Panuku is contributing commercial input into approximately 50 region-wide council-driven renewal and housing supply initiatives.

12. Panuku works with partners and stakeholders over the course of a project. It also champions best practice project delivery, to achieve best value outcomes within defined cost, time and quality parameters.

13. Below is a high-level update on activities in the Henderson-Massey Local Board area:

Unlock Henderson

Property Development Projects Update

14. C40 project - is progressing with the Request for Proposals phase closing on 29 March 2019. Panuku are working with Auckland Transport to explore options for enhancing the Edmonton/Alderman roundabout.

15. 2-6 Henderson Valley Road - Consenting for the subdivision works on 2-4 and 6 Henderson Valley Road is imminent with the most recent highlight being the approval of the Henderson Valley Road pedestrian crossing. Next step is to lodge Engineering Plan Approval application and start contractor procurement.

Public Good Reinvestment Projects Update

16. Ōpanuku Link: The Henderson-Massey Local Board approved the new concept plans for the Ōpanuku Link project connecting the Ōpanuku Reserve, Henderson Valley Road (300m) and the art bridge to Corban’s Estate Arts Centre. Next stage is to progress detailed design and prepare resource consent documents.

Placemaking Update

17. Commercial place making – The Kitchen Project had four entrepreneurs complete the programme during this period and a further five entrepreneurs will start in March 2019.

18. Community place making - Art installation of the Sounds of Henderson – Panuku are working with Rikki Bennett, the preferred sound artist, on recording sounds that connect to the Mauri of the Twin Streams. The location, specific sounds and the structure used to amplify these sounds is still being determined.

19. Panuku have been supporting Te Pou Theatre with performance sponsorship as part of the Auckland Arts Festival held on 23 March.

20. Ongoing activity is continuing in the Falls carpark (Te Puna Village) including the Kakano Art Gallery and Eco Matters bike hub. Further activities are being progressed.
Engagement Update

21. The second Speakers Series held on 17 March was a successful collaboration with Art Spark. It brought together a variety of artists at Corbans Estate to share their response to climate change. A meeting was held with Japanese representatives of the Sister city of Kakogawa to discuss the peace bell upgrade, and we are continuing to progress our Unitec relationship on a range of workstreams.

Properties managed in the Henderson-Massey Local Board Area

22. Panuku currently manages 33 commercial and 20 residential interests within the local board area.

Portfolio strategy

Optimisation

23. Optimisation is a self-funding development approach targeting sub-optimal service assets approved in 2015. The process involves an agreement between Community Facilities, Panuku and local boards and is led by Panuku. It is designed to equal or enhance levels of service to the local community in a reconfigured form while delivering on strategic outcomes such as housing or urban regeneration with no impact on existing rate assumptions.

24. Using optimisation, underperforming assets will have increased utility and efficiency, lower maintenance and operating costs, as well as improved service delivery benefiting from co-location of other complimentary services or commercial activities. Optimisation will free up a range of undercapitalised development opportunities such as air space, full sites, or part sites.

25. Local boards are allocated decision making for the disposal of local service property and reinvestment of sale proceeds in accordance with the service property optimisation approach.

Portfolio review and rationalisation

Overview

26. Panuku is required to undertake ongoing rationalisation of the council’s non-service assets. This includes identifying properties from within the council's portfolio that may be suitable for potential sale and development if appropriate. Panuku has a focus on achieving housing and urban regeneration outcomes.

27. Identifying potential sale properties contributes to the Auckland Plan focus of accommodating the significant growth projected for the region over the coming decades, by providing the council with an efficient use of capital and prioritisation of funds to achieve its activities and projects.

Performance

28. Panuku works closely with Auckland Council and Auckland Transport to identify potential surplus properties to help achieve disposal targets.

29. Target for July 2018 to June 2019:

<table>
<thead>
<tr>
<th>Unit</th>
<th>Target</th>
<th>Achieved</th>
</tr>
</thead>
<tbody>
<tr>
<td>Portfolio review</td>
<td>$30 million disposal ‘recommendations’</td>
<td>$8.6 million as at 28 February 2019.</td>
</tr>
</tbody>
</table>
Process

30. Once identified as no longer delivering the council service use for which it was acquired, a property is taken through a multi-stage rationalisation process. The agreed process includes engagement with council departments and CCOs, the local board and mana whenua. This is followed by Panuku board approval, engagement with the local ward councillors, the Independent Māori Statutory Board and finally, a Governing Body decision.

Under review

31. There are no properties currently under review in the Henderson-Massey Local Board area.

Acquisitions and disposals

32. Panuku manages the acquisition and disposal of property on behalf of Auckland Council. Panuku purchases property for development, roads, infrastructure projects and other services. These properties may be sold with or without contractual requirements for development.

Acquisitions

33. Panuku does not decide which properties to buy in a local board area. Instead, it is asked to negotiate the terms and conditions of a purchase on behalf of the council.

34. Panuku purchased 11 properties for open space across Auckland in the 2018-19 financial year at a cost of $35.3 million and bought one property for stormwater use at a value of $188,000.

35. One property has had a sale and purchase agreement signed in the Henderson-Massey Local Board area during the reporting period for open space purposes.

36. All land acquisition committee resolutions contain a confidentiality clause due to the commercially sensitive nature of ongoing transactions, and thus cannot be reported on while in process.

Disposals

37. In the current financial year to the end of February, the Panuku disposals team has entered into thirteen sale and purchase agreements, with an estimated value of $35.5 million of unconditional net sales proceeds.

38. As part of the Northern Corridor Improvements, Auckland Council has agreed to transfer various parcels of land to NZTA to facilitate the works. The compensation amount totals $6.5 million, of which $1.554 million is advance compensation for required land at Rook Reserve with the final compensation amount still to be agreed.

39. Panuku 2018/19 disposals target is $24 million for the year. The disposals target is agreed with the council and is reviewed on an annual basis.

40. The one property sold in the Henderson-Massey Local Board area in this period is 63 Flanshaw Road, Te Atatu South.

Housing for Older People

41. The council owns 1412 units located in 62 villages across Auckland, which provide rental housing to low income older people in Auckland.

42. The Housing for Older People (HfOP) project involved the council partnering with a third-party organisation, The Selwyn Foundation, to deliver social rental housing services for older people across Auckland.

43. The joint venture business, named Haumaru Housing, took over the tenancy, facilities and asset management of the portfolio, under a long-term lease arrangement from 1 July 2017.

44. Haumaru Housing was granted community housing provider (CHP) status in April 2017. Having CHP registration enables Haumaru to access the government's Income Related Rent Subsidy (IRRS) scheme.
45. Auckland Council has delegated Panuku to lead a new multi-year residential development programme.

46. The first new development project is a 40-unit apartment building on the former Wilsher Village site on 33 Henderson Valley Road, Henderson. Once completed in mid-2019, this development will increase the council’s portfolio to 1452 units.

47. The following HfOP villages are located within the Henderson-Massey Local Board area:

48. 33 Henderson Valley Road – Former Wilsher Village land where Panuku is constructing a new 40-unit apartment building.

49. Construction commenced on site in May 2018. A Mana Whenua blessing and Mayoral site visit occurred in June and August respectively with attendance from Ward Councillors, Local Board members, Haumaru Housing, Selwyn Foundation, and Panuku team to celebrate an important project milestone of construction commencement.

50. Alaska Construction is making good progress on site and achieved critical milestone of completing roof framing in March 2019. Internal timber wall framing and services has commenced in advance of programme in lower three levels, and the window installation has been completed for ground floor. The overall programme is on schedule to achieve practical completion by mid-2019.

51. Panuku and Haumaru Housing are scheduled to present to the local board on 2 April to provide a construction progress update.

**Context**

5. The Auckland Council Community Grants Policy guides the allocation of local, multi-board and regional grant programmes to groups and organisations delivering projects, activities and services that benefit Aucklanders.

6. The Community Grants Policy supports each local board to review and adopt their own local grants programme for the next financial year. The local board grants programme guides community groups and individuals when making applications to the local board.

7. The local board community grants programme includes:

   - outcomes as identified in the local board plan
   - specific local board grant priorities
   - which grant types will operate, the number of grant rounds and opening and closing dates
   - any additional criteria or exclusions that will apply
   - other factors the local board consider to be significant to their decision-making.

8. Once the local board grants programme 2019/2020 has been adopted, the types of grants, grant rounds, criteria and eligibility with be advertised through an integrated communication and marketing approach which includes utilising the local board channels.

Henderson-Massey, Waitakere Ranges, Whau
Henderson-Massey Grants Programme 2019/2020

Our Grants Programme aims to provide contestable community grants to local communities.

Outcomes sought from the local grants programme

Our grants programme will be targeted towards supporting the following outcomes, as outlined in our local board plan:

- A network of vibrant and loved urban neighbourhoods
- A thriving local economy that supports quality of life
- Communities know each other and work together on common interests
- Community facilities are vibrant and welcoming places at the heart of our communities
- It is easy to get around without a car
- Natural spaces are valued and restored

Our priorities for grants

These priorities relate to the local board objectives and initiatives as outlined in the local board plan:

- Neighbourhood centres foster a sense of identity and place
- Arts, events and cultural activities reflect our many heritages
- Innovation and enterprise is enabled
- People know each other and feel connected in their neighbourhoods
- Strong community organisations are making a difference
- Diversity and difference is embraced and valued
- Mana whenua and mataawaka rights are acknowledged and their needs and aspirations are widely known
- People are more active
- Our parks and recreational services provide a range of accessible experiences for our diverse community
- Our community facilities are well-used and flexible in meeting community needs
- People are central to maintaining our environment
- The water quality of our streams and tidal areas is improving
- Biodiversity is increasing

Higher Priorities:

A higher priority will be given to:

- locally based and not for profit events and organisations
- activities that improve Maori outcomes
- activities that improve community connectedness and are inclusive
- events that demonstrate smoke free, waste minimisation and offers healthy food alternatives

Lower Priorities:

The Henderson-Massey Local Board has identified the following activities as lower priorities:

- events that charge a high admission fee
- commercial events
- catering, unless the provision of food will enable the project outcomes to be achieved
- fundraising events unless direct local benefit can be demonstrated
- travel unless there is strong evidence of the benefits for the community
In addition to the eligibility criteria outlined in the Community Grants Policy the Henderson-Massey Local Board will not fund:
- groups that have not met previous grant accountability requirements
- salaries

**Investment approach**
The Henderson-Massey Local Board has allocated budgets to support the grants programme as follows:
- Quick Response Grants:
  - Minimum amount per grant: $500 - Maximum amount per grant: $2,000
- Local Grants
  - Generally the local board will fund local grants between $2,000 and $5,000.

**Application dates**
Grant rounds for 2018/2019 will be as follows:

Statement of Proposal

Auckland Council’s New Policy on Dogs and Dog Management Bylaw
February 2019
1 Have your say

Under the Dog Control Act 1996 (the Act), Auckland Council must adopt a policy on dogs. The Act lists several requirements that the council must include in its policy. The Act also enables the council to make a bylaw to implement aspects of the policy.

Auckland Council last adopted its Auckland Policy on Dogs (the Policy) and Dog Management Bylaw (the Bylaw) in 2012. In November 2018, the Regulatory Committee completed its statutory review of the Policy and Bylaw and agreed that they should be amended. This document highlights the proposed changes to the Policy and Bylaw to ensure they meet the future needs of Auckland.

What Auckland Council does

Public places in Auckland are used for a variety of purposes, including exercising dogs. However, not all people enjoy the company of dogs. We make rules and provide services that aim to better manage dogs in Auckland. We do this through promoting responsible dog ownership, classifying dogs as dangerous or menacing, developing access rules, and taking measures to minimise nuisance caused by dogs, as set out in the Policy and Bylaw.

Improving dog access, while minimising the harm caused by dogs

The council recently reviewed how the current approach to dog management is working. The main changes we propose to make are to:

- reorganise the Policy and Bylaw information into user friendly themes
- remove duplication from the Bylaw, which will also simplify future amendments
- reduce confusion about dog access rules and improve voluntary compliance by:
  - presenting the rules in the schedule in a consistent manner
  - applying a consistent definition of time and season
  - applying consistent rules to multiple dog ownership

- address emerging issues around dog management by:
  - including specific reference to the Code of Welfare
  - extending environmental protection to include flora
  - clarifying delegations and processes for additional designated exercise areas
  - clarifying the enforcement requirement to neuter uncontrolled dogs
  - clarifying the council’s jurisdiction on privately owned public spaces
  - promoting responsible dog ownership amongst owners of dogs classified as ‘menacing’ on the basis of their behaviour
  - reviewing access rules in regional parks.

What is not changing

This review of the current Policy and Bylaw is not intended to change local dog access rules (where dogs are allowed under control on leash, off leash or prohibited areas and designated dog exercise areas). Local dog access rules are determined by local boards.
We want to know what you think
Starting on 1 April through to 10 May 2019, we want you to tell us what you think about the proposed changes to the Auckland Council Policy on Dogs 2012 and Dog Management Bylaw 2012. Please visit www.aucklandcouncil.govt.nz/have-your-say to find out more information, give your feedback and find out where you can drop in to a ‘Have Your Say’ event.
What is the Policy?

Kaupapa mo ngā Kuri 2012 (The Auckland Council Policy on Dogs 2012) sets out the framework for dog management in Auckland. The Policy aims to keep dogs as a positive part of Aucklanders’ lives. This is achieved by maintaining opportunities for dog owners to take their dogs into public places, while adopting measures to minimise the problems caused by dogs.

<table>
<thead>
<tr>
<th>Policy requirements as listed in the Dog Control Act 1996</th>
</tr>
</thead>
<tbody>
<tr>
<td>Specify the nature and application of bylaws.</td>
</tr>
<tr>
<td>Identify public places in which dogs are to be prohibited, generally or at specified times.</td>
</tr>
<tr>
<td>Identify public places or parts of the district in which dogs are required to be under control on a leash.</td>
</tr>
<tr>
<td>Identify areas as designated dog exercise areas.</td>
</tr>
<tr>
<td>Identify areas or parts of the district in respect of which no public places or areas are to be identified as prohibited generally or at specified times or under control on a leash.</td>
</tr>
<tr>
<td>State whether dogs classified as menacing are required to be neutered.</td>
</tr>
<tr>
<td>State whether dogs classified as menacing by any other territorial authority and registered with council are required to be neutered.</td>
</tr>
<tr>
<td>Shall include other details, as council sees fit, including but not limited to:</td>
</tr>
<tr>
<td>• fees or proposed fees</td>
</tr>
<tr>
<td>• owner education programmes</td>
</tr>
<tr>
<td>• dog obedience courses</td>
</tr>
<tr>
<td>• classification of owners</td>
</tr>
<tr>
<td>• disqualification of owners</td>
</tr>
<tr>
<td>• issuing of infringement notices.</td>
</tr>
</tbody>
</table>

In addition to the above, every policy adopted:

- must identify any land within the district that is:
  - a controlled dog area or open dog area under section 26Z3 of the Conservation Act 1987
  - a national park constituted under the National Parks Act 1980
  - Te Urewera, as defined in section 7 of the Te Urewera Act 2014.
- may contain other information and advice related to dogs as the territorial authority deems necessary.
3 What is the Bylaw?

Under the Dog Control Act 1996, Auckland Council can make a bylaw for certain aspects of dog management. Ture a Rohe Tiakina Kuri, (The Dog Management Bylaw 2012) currently:

- regulates public places where a dog may be taken by its owner and the means of control of the dog
- limits the number of dogs that may be kept on any land or premises
- requires the owner of any dog that defecates in any public place or on land or premises other than that occupied by the owner to immediately remove the faeces
- requires any female dog to be confined but adequately exercised while in season
- requires the owner of any dog (being a dog that, on more than one occasion, has not been kept under control) to neuter it.

The Bylaw does not determine the dog access rules on individual parks, beaches and foreshore areas, as these are contained within the schedules of the Policy. Local dog access rules are determined by the local boards.
4 How we implement the Policy and Bylaw

The council uses a ‘graduated response’ when responding to complaints and concerns surrounding dog management (Figure 1). This means that the types of response and response times will vary depending on the level of risk, seriousness of harm, people’s attitude towards compliance, and what is most practical.

Lower risk issues are first addressed with education, advice, and informal warnings. If this doesn’t work, the council may issue formal warnings. For serious or ongoing bylaw breaches, the council may take enforcement measures such as issuing an infringement notice or prosecuting individuals.

**Figure 1: Council’s risk-based, ‘graduated response’ approach**

- **Send a message**
  - **Goal:** send a message and increase perception of risk and consequence
  - **Primary tools:**
    - Monitoring
    - Strong, well-targeted enforcement action and communication aimed at making an example
    - Communicate consequences of non-compliance

- **Make it easy**
  - **Goal:** make compliance low cost and easy
  - **Primary tools:**
    - Clear, passive (web) communication
    - Easy to use, accessible services

- **No compromise**
  - **Goal:** to actively identify areas of risk, deter non-compliance, and respond quickly to identified harm.
  - **Primary tools:**
    - Monitoring
    - Strong, well-targeted enforcement action and communication
    - Strong and fast response
    - Communicate consequence of non-compliance

- **Help them out**
  - **Goal:** make it easy to comply and actively monitor risk
  - **Primary tools:**
    - Active monitoring or risk areas
    - More active engagement and partnership with regulated parties in higher risk areas

Effective intelligence gathering, and data analysis is fundamental to inform the focus and approach to take.
What council proposes to change

The council recently reviewed the current Policy framework and identified some improvements that could be made.

The changes that the council is proposing to make to the Auckland Council Policy on Dogs 2012 and Dog Management Bylaw 2012 are summarised below. These are reflected in the attached proposed policy and bylaw.

<td>The current Policy and Bylaw have different rules for multiple dog ownership depending on where the dog owner lives. The proposed policy and bylaw standardises the rule across Auckland. The purpose of the licence is to ensure the aspects of dog welfare are addressed.</td>

### Requirements to neuter an uncontrolled dog

This change is intended to incentivise dog owners to modify their dog’s behaviour and promote responsible dog ownership.

- The proposed bylaw includes an explanatory note to clarify that owners who do not comply with the requirement to neuter their dog, if it is not under control on more than one occasion over a 12-month period, may be subject to an infringement and would still be required to neuter their dog.

### Clarifying intent of owners picking up after their dog

Clause 11 of the Bylaw requires owners to immediately pick up after their dog after it defaecates. This section has been reworded to clarify the intent of this clause.

### Amendments to regional parks

Implement the following:

- a standard time and season definition of 10.00am to 7.00pm from the Saturday of Labour Weekend to 31 March
- a standard lambing season rule to prohibit dogs from 1 July to 1 December
- amend dog access rules to protect wildlife in the following region parks:
  - Glenfern Sanctuary
  - Mumwai Regional Park
  - Long Bay Regional Park
  - Waitakere Ranges Regional Park - Waitipu

---

**What council is proposing for the time and season definition**

The purpose of a time and season rule is to minimise the conflict between dogs, their owners and other users of busy public places. The time and season rules does this by prioritising different users at different times of the day (morning, daytime and evening) during the busy summer period.

**Local boards are responsible for deciding**:

- where a time and season rule applies (location)
- the type of dog access (i.e. prohibited, on-leash, off-leash or designated dog exercise area)
- what the winter time access rule will be.
For example, a local board may decide that a beach is off-leash before 10am, prohibited between 10.00am and 7.00pm and off-leash after 7.00pm.

The previous Policy had the time and season definition of 10.00am to 5.00pm from Saturday of Labour Weekend to 1 March. Local boards have chosen to adopt variations to this definition, which has resulted in thirteen local board variations and only one local board is using the current definition in areas within their local board area.

What we are proposing

The proposed policy is recommending a time and season definition of 10.00am to 7.00pm from Saturday of Labour Weekend to 31 March to be applied to those areas that have been identified by local boards. A standard time and season would make it easier for dog owners to know when and where they can take their dogs and make enforcement easier for Animal Management Officers.

Local beaches, parks or foreshores that apply a time and season rule may have their hours of access changed as a result of this review.

Concerns raised

On 14 February 2019, the Regulatory Committee debated concerns around proposed time and season definition and raised the following issues:

- 7.00pm being too late in the evening
- Whether there is a need for a regionally consistent time and season definition
- Local variation allows for the needs of communities to be met.

Alternative option

The alternative option to having a regionally consistent time and season definition would be to have a default definition in the Policy, and enable local boards to introduce variations to this through the local rules in Schedule 2 of the Policy. Auckland council is also seeking feedback on this alternative option.
6 How we got here

Decisions leading to the proposed changes

The Local Government Act 2002, requires council to review its bylaws every five years to determine whether they are effective, efficient and still needed.

The Dog Control Act 1996, states that the bylaw and policy must not inconsistent. Therefore, the review of the Policy must precede the review of the Bylaw.

Auckland Council reviewed dog management in the region. Staff have reported these findings and considered its options at meetings in June and September 2018, these are summarised below:

March 2017
REG/2017/16

June 2018
REG/2018/44
Council considers the findings of the current Policy and Bylaw

August 2018
Local board resolutions included feedback on issues under review.

8 November 2018
REG/2018/78
REG/2018/79
Council considers key issues and options for the regional review and dog access rules in regional parks. Council agrees to amend the current Policy and Bylaw.

Auckland Council Policy on Dogs 2019

As at X month 2019
Resolution: GB/2019/XX
Xx month 2019

Pursuant section 10 of the Dog Control Act 1996, the Auckland Council adopts this policy on
dogs. This policy applies to the district of Auckland.

Commencement
This policy comes into force on X month 2019.

Objective
To keep dogs as a positive part of the life of Aucklanders by maintaining opportunities for
owners to take their dogs into public places, while adopting measures to minimise the
problems caused by dogs.

How will Auckland Council achieve this Policy Objectives?
1. Registration and Classification
   Promote dog registration across all of Auckland.

2. Responsible Dog Ownership
   Educate and inform dog owners how to take care of their dogs.

3. Dog Access Principles
   Provide a balanced approach to dog access in council-controlled public places.

4. Monitoring measures of success
   Annually report to the Governing Body (through a public agenda report) and to the
   national government as required by the Dog Control Act 1996.

Interpretation
Access way has the meaning given by section 315 the Local Government Act 1974.

Beach means and includes the following:
(a) the foreshore as defined by section 2 of the Resource Management Act 1991
(b) the inter-tidal zone above the mean low water spring
(c) any adjacent area that can reasonably be considered part of the beach environment
   including areas of sand, pebbles, shingle, dunes or coastal vegetation and includes
   the adjacent coastal marine.

Cemetery means any land or premises for the burial and/or cremation of the dead and
includes a closed cemetery and urupā.

Control in relation to a dog, means that the owner is able to obtain an immediate and
desired response from the dog.
Council-controlled public place means all public places owned or managed by Auckland Council or a substantive council-controlled organisation (as defined in section 4(1) of the Local Government (Auckland Council) Act 2009). This includes land owned or managed by Auckland Transport.

Footpath has the meaning given by section 315 of the Local Government Act 1974.

Foreshore has the meaning given by section 2 of the Resource Management Act 1991.

Licence means a licence, permit or approval to do something under the Dog Management Bylaw 2019 and includes all conditions to which the licence is subject.

Owner has the meaning given by section 2 the Dog Control Act 1996.

Park/Reserve any land vested in or administered by the council under the provisions of the Reserves Act 1977 or any park, domain or recreational area under the control or ownership of the council.

Playground means an outdoor area developed that contains children’s play equipment or objects. Use of a playground means that the playground is currently being used or occupied by one or more persons.

Public place has the meaning given by section 2 of the Dog Control Act 1996, includes:

(a) any aircraft, hovercraft, ship or ferry or other vessel, train, or vehicle carrying, or available to carry passengers for reward

(b) any council controlled public place.

Road has the meaning given by section 315 of the Local Government Act 1974 except that where a road is adjacent to a park, and the land within the road and park is developed in an integrated way, the common boundary between the road and park will be reduced or extended to:

(a) a line parallel to the road that follows any physical separation between the road and park (e.g. fence or bollards); or

(b) where no physical separation exists, a line parallel to the road that follows the edge of the road carriageway, footpath or cycle track that is closest to the centre of the park.

Service lane has the meaning given by section 315 the Local Government Act 1974.

Sports surface includes any area developed or marked out, for example those used for soccer, rugby, or rugby league, artificial turf, sports range, sports park or velodrome. Use of a sports surface means that the area is being used for sport events or training for sports events by one or more persons.

Working Dog has the meaning given by section 2 of the Dog Control Act 1996.

Related information

Working dogs include disability assist dogs, dogs kept by state departments such as police dogs and customs dogs, pest control dogs and dogs kept solely or principally as stock or herding dogs. A full list can be found in section 2 of the Dog Control Act 1996.
**All dogs in Auckland, including dangerous and menacing dogs, will be registered with council**

**What will Auckland Council do?**

1. Provide registration administration services including:
   - (a) maintain a record of all dogs registered in Auckland, including those classified as dangerous and menacing
   - (b) maintain a record of probationary and disqualified owners
   - (c) inform and educate dog owners through the registration process
   - (d) set fees to cover costs of essential services to support dog management activities in Auckland
   - (e) provide incentives to promote responsible dog ownership
   - (f) follow up on non-registered dogs and non-compliance with local authority bylaws.

2. Provide incentives, information, education and services (e.g. school education programmes)

3. Maintain dog compliance and enforcement best-practice that proactively uses Auckland Council’s powers¹ to:
   - (a) enforce registration (including through the use of seizure powers) and micro-chipping of dogs
   - (b) enforce the de-sexing of uncontrolled dogs
   - (c) seize and hold dogs that are a threat to public safety
   - (d) classify dogs identified in Schedule 4 of the Dog Control Act 1996, to be dangerous or menacing
   - (e) ensure compliance with classification requirements.

¹ powers include issuing warnings and instant fines (infringement notices), powers to seize, destroy, or take custody of dogs and to classify dogs, and to the classify, prosecute and recover costs from owners.
Classification requirements for menacing dogs
A dog classified as menacing must be:
- muzzled in any public place or private way except when confined in a vehicle or cage
- neutered
- these requirements apply to dogs classified by any other council and registered with Auckland Council.

What does Auckland Council expect of dog owners?
1. Register your dog(s)
2. Obtain a licence to keep multiple dogs on a premise
3. Owners of dogs classified as dangerous or menacing must meet the expectations under the Dog Control Act 1996 (section 32 and section 33E)
4. Owners classified as probationary or disqualified must meet the requirements under the Dog Control Act 1996 (section 21 and section 25).

What is covered by the Dog Management Bylaw 2019?
1. Owners of more than two dogs must hold a valid multiple dog ownership licence
2. Owners of dogs classified as menacing due to the behaviour of the dog, are encouraged to undertake steps towards responsible dog ownership to be eligible to have the classification of their dog(s) reviewed.

Owners that do not comply with the above are in breach of the Dog Management Bylaw 2019 and may be subject to an infringement.
Dog owners will care for their dogs and control them around people to protect wildlife, other animals, property and natural habitats

What will Auckland Council do?

1. Provide services that support promoting responsible dog management, including:
   (a) 24-hour dog management service
   (b) dog education community events and the production of supporting publications
   (c) advice on dog related problems
   (d) emergency assistance with dogs involved in accidents or police operations
   (e) street patrols
   (f) investigation and resolution of incidents of:
      i. wandering, barking, fouling, aggressive, and menacing or dangerous dogs
      ii. impounding and kennel maintenance
      iii. proceedings against dog owners for offences where all other means have failed
      iv. livestock concerns
      v. abandoned dogs.

3. Reduce the danger and nuisance caused by dogs by:
   (a) receiving, investigating and resolving dog complaints
   (b) providing community education to increase public awareness on how to be safe around dogs (target children, families and people working in the community)
   (c) promoting dog safe communities through encouraging compliance and undertaking enforcement
   (d) ensuring public safety and comfort, changing attitudes and behaviours of irresponsible dog owners, and where appropriate penalising irresponsible dog owners.

What does Auckland Council expect of dog owners?

1. Know and comply with the laws concerning the management of your dog
2. To be responsible for your dog’s behaviour
3. Provide proper care and attention to your dog, including providing sufficient food, water, shelter and adequate exercise
4. Consider neutering your dog at an early age
5. Microchip your dog
6. Take all reasonable steps to ensure your dog does not cause a nuisance to any other person. Be particularly vigilant near children and closely supervise interaction
7. Keep your dog under control at all times, this may include putting your dog on a leash, or a shortened leash in areas where your dog is likely to ignore commands (even if it is an off-leash or designated dog exercise area)
8.  Respect other people’s personal space. Public places are for everyone’s enjoyment and not everyone is fond of dogs
9.  Ensure your dog cannot leave your property by itself
10. Know when your dog must be on a leash, and always carry a leash in public.

What is covered by the Dog Management Bylaw 2019?
1.  When in a public place or premise, dog owners must ensure the immediate removal and disposal of their dog’s faeces in a way that does not cause nuisance
2.  Dog owners must neuter their dog, if the dog has been found to be uncontrolled more than once in a 12-month period.

Owners that do not comply with the above are in breach of the Dog Management Bylaw 2019 and may be subject to an infringement.
Dog Access Principles

Provide a balanced use of public places for dogs and their owners, while minimising the harm caused by dogs

What will Auckland Council do?

1. Provide dog access rules that are comprehensive, consistent and easy to understand and comply with the following approaches:
   (a) Recognise dog owners as legitimate users of public places and dog access is essential for dog welfare
   (b) Provide opportunities for dog owners to take their dog to public places that are accessible, desirable, and provide diversity of experience for both the dog and owner
   (c) Consider access on a comprehensive region-wide basis, as well as a place-by-place basis
   (d) Promote safe interaction between dogs and people using public places and private ways to ensure that dogs do not injure, endanger, intimidate or otherwise cause distress to any person, in particular, children and vulnerable adults
   (e) Manage the conflict between dogs and protected wildlife, stock, poultry, domestic animals, property and natural habitat.

2. Maintain rules on dog access in public places and private ways (see Schedule 1 and 2)
   The types of dog access rules are:
   (a) prohibited area – a place where dogs are not permitted to be, and other users have absolute priority
   (b) on-leash area – a place shared with other users, where dogs must be on a leash and under control at all times
   (c) off-leash area – a place shared with other users, where dogs may be off a leash but must still be under control at all times
   (d) designated dog exercise area – a place where dog owners are the priority user. Dog owners may take their dogs off a leash (including Dangerous Dogs) but they must be under control at all times
   (e) time and season areas – a place shared with other users, where the dog access rules will be different depending on the time of day during the summer season. This is to minimise the conflict between dogs and other users of the space during peak hours.

3. Apply default dog access rules to ensure that there is a rule applied to all public places in Auckland
   (a) Dogs must be under control on-leash in council-controlled public places unless otherwise stated in Schedule 1 and 2. This includes:
i. all formed public roads (including any street, highway, access way, service lane, and any footpath, cycle track, bus stop and berm within the boundaries of the road)
ii. private ways
iii. council-controlled car parks
iv. council-controlled boating areas (including any wharf, jetty, boat ramp, boat marshallng area).

(b) Dogs are prohibited from any public place not under the control of council where rules have not been specified by the person in charge.

4. **Apply the following time and season definition**
   (a) 10.00am to 7.00pm between the Saturday of Labour Weekend and 31 March (summer)

<table>
<thead>

</tr>
</tbody>
</table>

For example, a local board may decide that a beach is off-leash before 10am, prohibited between 10.00am and 7.00pm and off-leash after 7.00pm.

5. **Consider the following before making any change to a dog access rule on parks and beaches that would provide more dog access:**
   (a) Identify and assess current and future uses of the place and whether there may be any potential conflicts to ensure the change would not result in any significant risk² to any:
      i. person (in particular children or vulnerable adults)
      ii. protected wildlife vulnerable to dogs (in particular ground nesting birds)
      iii. protected flora vulnerable to dogs (in particular kauri dieback)
      iv. stock, poultry, or domestic animal
      v. property (in particular natural habitat and public amenities).

6. **Consider the following before making any change to a dog access rule on parks and beaches that would provide less dog access:**
   (a) Consider whether there are practicable alternative solutions to address the conflict between uses of the place³
   (b) Ensure, to the extent that is practicable, that displaced dog owners and their dogs have access to other places or that such access is provided as part of the same decision.

---
² Significant risk includes, but is not limited to, injury, danger or distress to people or animals stated, or nuisance to people.
³ Design and management solutions include fencing, different zones in one place, time-share arrangements, and under control on a leash dog access in relation to considering a change to prohibited dog access.
7. Before making any change or developing a park or beach as a designated dog exercise area, ensure that the –
   (a) matters contained in section 5 above are satisfied
   (b) area is well-located with vehicular and pedestrian access
   (c) area has clearly visible boundaries. This may be achieved through transition zones, vegetation, topography and fencing. Boundary treatment will vary depending on the risks identified
   (d) area is of sufficient size to provide dog owners with adequate space to exercise their dog
   (e) area has sufficient sight lines that enable dog owners to be aware of the presence of other dogs and their owners
   (f) area has adequate signage which clearly specifies the access rule
   (g) provision of dog owner and dog amenities has been considered. Such amenities may include, but are not limited to, seats, bins and bag dispensers for dog faeces, and water stations.

8. Temporary changes to dog access rules
   (a) From time to time, the council may make temporary changes to dog access rules in Schedule 1 and 2 in relation to:
      i. leisure and cultural events (including dog friendly events)
      ii. dog training
      iii. protect wildlife vulnerable to dogs
      iv. protect flora vulnerable to dogs
      v. pest control in any park and/or beach
      vi. other circumstances of a comparative nature.

**What does Auckland Council expect of dog owners?**

1. The owner of any female dog in season must ensure that dog does not enter or remain in any public place or private way unless:
   (a) that dog is confined in a vehicle or cage for the purposes of transportation;
   (b) the owner of that dog has the permission of the occupier or person controlling the public place and complies with any reasonable conditions imposed

2. Dog owners make reasonable effort to determine and comply with the dog access rule that applies in a park or beach before taking their dog(s) into the area

**Additional information:**
- Dogs confined in a vehicle or cage are not exempt from prohibited dog access rules. They are exempt from under control on-leash dog access rules.
- Dog access rules in Schedule 1 and 2 do not apply to any working dog (disability assist and police dogs).

**What is covered by the Dog Management Bylaw 2019?**
- Owners must exercise their dog(s) in locations or ways that are consistent with the dog access rules. This includes ensuring the dog is under control on-leash, off-leash or in a designated dog exercise area as specified.
- Dog owners must ensure that their dog is kept under control in public places or private ways.

*Owners that do not comply with the above are in breach of the Dog Management Bylaw 2019 and may be subject to an infringement.*
Schedule 1
General dog access rules

Dog access rules below apply and take precedence over a general access rule applied to the wider area (Schedule 2). For example, if a park (that contains a playground) allows dogs to be under control on-leash, dogs are prohibited from the playground.

(1) Playgrounds under the control of the council
Dogs are prohibited on any playground at all times and must be under control on a leash in the vicinity of any playground when in use.

(2) Sports surfaces under the control of the council
Dogs are prohibited on any sports surface at all times and must be kept under control on a leash in the vicinity of any sports surface when in use, unless the area is specified in Schedule 2.

(3) Council cemeteries, council camping grounds and council holiday parks
Dogs are prohibited from all other council-controlled cemeteries unless stated in Schedule 2, unless:
- permission is obtained from an authorised council officer, or
- signage indicates dogs are allowed, provided that the person who is accompanying the dog complies with any reasonable conditions imposed by the council in relation to the dog.

Camping grounds and holiday parks under the control of the council
Dogs are prohibited from all council-controlled camping grounds and holiday parks unless:
- permission is obtained from an authorised council officer, or
- signage indicates dogs are allowed, provided that the person who is accompanying the dog complies with any reasonable conditions imposed by the council in relation to the dog.

(4) Default dog access rules
Unless otherwise stated in Schedule 2 the following default rules apply to:
(a) Dogs must be under control on a leash in all council-controlled public places where there are no physical restrictions to access (such as fences or other indoor facilities).
(b) Dogs are prohibited in all council controlled public places with restricted access (such as fenced sports stadiums, libraries) unless:
   i. permission is obtained from an authorised council officer, or
   ii. there is official council signage which indicates dogs are permitted.
(c) Dogs are prohibited from all other public places not under control of council (such as cafes, shopping malls, school grounds, non-council cemeteries and urupā) unless:
   i. permission is obtained from the person in charge of the place, or
   ii. there is signage indicating that dogs are permitted.
(d) Where dog access is permitted under clauses 5(b) or 5(c) dog owners must comply with any reasonable conditions imposed by the council in relation to the dog.

Explanatory Note:
For the avoidance of doubt, areas under co-governance arrangement, such as the Tūpuna Maunga o Tamaki Makaurau Authority are not council-controlled public places. Subject to clause (c) to (d) above unless they are specifically listed in Schedule 2.

Dog Management Bylaw 2019

(as at x month 2019)

Made by the Governing Body of Auckland Council

In resolution GB XXXXX on x month 2019

Pursuant to sections 10 and 20 of the Dog Control Act 1996, the Governing Body of Auckland Council revokes and replaces bylaws about dog matters with the following bylaw.
Summary

This summary is not part of the Bylaw. The intention of this summary is to explain the general effect of this Bylaw.

Kaupapa mo ngā Kuri 2019, the Auckland Council’s Policy on Dogs 2019 aims to integrate dogs into public places. This is achieved by balancing the needs of both dog owners and non-dog owners, and is outlined through policy principles.

The Dog Control Act 1996 is the legislation under which the Auckland Council Policy on Dogs 2019 and this Bylaw are made. The Dog Control Act 1996 outlines the various obligations placed on dog owners.

The purpose of this Bylaw is to:

- **Regulate the public places** where dogs may be taken by their owner
- **Require owners of multiple dogs to obtain a licence**
- **Require owners to pick up after their dog** when it defecates in any public place or premises
- **Prohibit the owner of any female dog in season** to take that dog into any public place
- **Require owners to neuter their dog** if it has not been kept under control on more than one occasion
- **Provide a review process** for owners of dogs classified as menacing due to behavior.

Owner has the meaning given by section 2 the Dog Control Act 1996.

Park/Reserve means –
(a) any land vested in or administered by the council under the provisions of the Reserves Act 1977; or
(b) any park, domain or recreational area under the control or ownership of the Council.

Premises means any land, dwelling, storehouse, warehouse, shop, cellar, yard, building, or part of the same, or enclosed space separately occupied. All lands, buildings, and places adjoining each other and occupied together are deemed to be the same premises.

Private Way has the meaning given by section 315 of the Local Government Act 1974.
Public place has the meaning given by section 2 of the Dog Control Act 1996.

Related information
Means a place that, at any material time, is open to or is being used by the public, whether free or on payment of a charge, and whether any owner or occupier of the place is lawfully entitled to exclude or eject any person from that place; and includes:
(a) any aircraft, hovercraft, ship or ferry or other vessel, train, or vehicle carrying or available to carry passengers for reward; and
(b) any Council controlled public place.

Road has the meaning given by section 315 of the Local Government Act 1974 except that where a road is adjacent to a park, and the land within the road and park is developed in an integrated way, the common boundary between the road and park will be reduced or extended to:
(a) a line parallel to the road that follows any physical separation between the road and park (e.g. fence or bollards); or
(b) where no physical separation exists, a line parallel to the road that follows the edge of the road carriageway, footpath or cycle track that is closest to the centre of the park.

Working Dog has the meaning given by section 2 of the Dog Control Act 1996.

Related information
Working dogs include disability assist dogs, dogs kept by state departments such as police dogs and customs dogs, pest control dogs and dogs kept solely or principally as stock or herding dogs. A full list can be found in section 2 of the Dog Control Act 1996.

(2) The Interpretation Act 1999 applies to this Bylaw.

(3) Any related and additional information contained in this Bylaw are for information purposes only, do not form part of this Bylaw, and may be made, amended, revoked or replaced by the council at any time.

Part 2
Regulation and control of dogs

6 Prohibition of dogs in public places

(1) The owner of any dog must ensure that their dog (including when confined in a vehicle or cage) does not enter or remain in any public place specified as prohibited in Schedule 1 or 2 of the Auckland Council Policy on Dogs 2019.

(2) Subclause (1) does not apply to any working dog accompanying and assisting a person or accompanying a person engaged in the dog’s training.

(3) The owner of any female dog in season must ensure the dog does not enter or remain in any public place or private way unless –
(a) that dog is confined in a vehicle or cage for the purposes of transportation; or
(b) the owner of that dog has the permission of the occupier or person
controlling the public place; and complies with any reasonable conditions
imposed.

7 Dogs on a leash in public places and private ways

(1) The owner of any dog must ensure that the dog is controlled on a leash in any
public place and private way specified as such in Schedule 1 or 2 of the Auckland

(2) Subclause (1) does not apply to—
(a) any dog confined in a vehicle or cage; or
(b) any working dog accompanying and assisting a person or accompanying a
person engaged in the dog’s training.

8 Dogs off a leash in public places

(1) The owner of any dog (other than a Dangerous Dog) may take that dog off a
leash in public places specified as such in Schedule 2 of the Auckland Council
Policy on Dogs 2019, provided that dog is kept under control.

(2) In all other public places not specified as designated dog exercise areas in
Schedule 2, dogs classified as Dangerous Dogs must be muzzled at all times.

9 Dogs in designated dog exercise area

(1) The owner of any dog (including a Dangerous Dog) may take that dog off leash in
a designated dog exercise area specified as such in Schedule 2 of the Auckland
Council Policy on Dogs 2019 provided that dog is kept under control.

(2) In making or removing a temporary change to Schedules 1 and 2 of the Auckland
Council Policy on Dogs 2019 in subclause (1), the council must—
(a) have regard to section 1 of Dog Access Principles in the Auckland Council
Policy on Dogs 2019;
(b) specify in writing the reasons, location and timeframe the temporary change
is to apply;
(c) give public notice of the temporary change in a manner that the council considers appropriate in the circumstances; and

(d) clearly indicate the area subject to the temporary change by 1 or more clearly legible notices affixed in 1 or more conspicuous places on, or adjacent to, the place to which the notice relates, unless it is impracticable or unreasonable to do so.

11 Dog faeces

(1) When in a public place or premise dog owners must ensure the immediate removal and disposal of their dog’s faeces. This must be done in a way that does not cause a nuisance.

(2) Subclause (1) does not apply to a premise occupied by the owner.

(3) Subclause (1) does not apply to any dog herding or driving stock on a road where the dog is kept solely or principally for the purposes of herding or driving stock.

12 Keeping more than two dogs

(1) No person may keep more than two dogs over the age of 3 months on any premises zoned as urban residential under the Unitary Plan for more than 14 consecutive days.

(2) Subclause (1) does not apply if –
   (a) allowed by a licence; or
   (b) an application for a licence under subclause (2)(a) has been made within 14 days of the dogs first being kept on that premises.

(3) Subclause (1) applies whether or not the dogs on the premises have the same owner.

(4) Any application under subclause (2)(b) is a joint application by all the dog owners on the premises.

13 Licence for keeping more than two dogs on premises

(1) The council may make controls and set fees for any or all of the following matters in relation to a licence required in clause 12 –
   (a) application for a licence, including forms and information;
   (b) assessment of application for a licence, including inspection;
   (c) the granting or declining of an application for a licence following an assessment;
   (d) conditions that may be imposed on a licence if granted;
   (e) duration of a licence if granted;
   (f) objection to the council in relation to a decision to decline a licence, including the period of objection;
(g) objection to the council in relation to any condition of a licence, including the period of objection;
(h) inspection to ensure compliance with any licence and any conditions;
(i) review of any licence or any conditions;
(j) transferability of a licence;
(k) refund or waiver of fees;
(l) suspension or cancellation of a licence;
(m) objection to the council in relation to a decision to suspend or cancel a licence, including the period of objection.

(2) Unless otherwise stated in the conditions of the licence granted under subclause (1), the licence will remain valid as long as the circumstances described on the licence remain unchanged.

(3) The licence cannot be transferred to another person or another premise.

14 Requirement to neuter uncontrolled dog

(1) The council may require the owner of a dog to have that dog neutered if:
(a) the dog has not been kept under control on more than one occasion within a 12-month period; and
(b) the dog owner has received an infringement relating to subclause (1)(a).

15 Objection to requirement to neuter uncontrolled dog

(1) If a dog is required to be neutered under clause 14, the owner of that dog may, within 14 days of receiving the notice, object to the requirement by way of writing to the council; and

(a) the evidence which formed the basis for the requirement;
(b) the matters relied upon in support of the objection; and
(c) any other relevant matters.

(3) Following its consideration of an objection under subclause (2), the council must, as soon as practicable, give written notice to the owner of—
(a) its determination of the objection; and
(b) the reasons for its determination.
16 Effect of requirement to neuter uncontrolled dog

(1) If a dog is required to be neutered under clause 14, the owner of that dog must, within 1 month of receiving the notice of the requirement, produce to the council a certificate issued by a veterinarian certifying –
   (a) that the dog is or has been neutered; or
   (b) that for reasons that are specified in the certificate, the dog will not be in a fit condition to be neutered before a date specified in the certificate.

(2) If a certificate under subclause (1)(b) is produced to the council, the owner must produce to the council, within 1 month after the date specified in that certificate, a further certificate under subclause (1)(a).

17 Owners of dogs classified as menacing due to behaviour

(1) If a dog has been classified as menacing due to their behaviour, under section 33A of the Dog Control Act 1996, the owner may request the classification be reviewed after a 12-month period if:
   (a) the owner provides evidence of completing a dog obedience course, at the owner’s expense; and
   (b) the owner has not obtained any infringements in relation to the dog within the preceding 12-month period.

(2) Removing the classification of the dog is at the council’s discretion.

Part 3
Enforcement, offences, penalties

18 Enforcement

(1) The council may use its powers under the Dog Control Act 1996 and the Local Government Act 2002 to enforce this Bylaw.

19 Offences and penalties

(1) Every person who breaches this Bylaw commits an offence.

(2) Every person who commits an offence under this Bylaw is liable to a penalty under the Dog Control Act 1996 and the Local Government Act 2002.
Part 4
Savings, transitional provisions

20 Exemption where multiple dog licence not previously required

(1) This clause applies to any owner to which clause 12 applies, who immediately
prior to the date of commencement of this Bylaw, was not required to hold a
licence to keep multiple dogs in Auckland.

(2) Where subclause (1) applies, an application under clause 12(2)(b) is not required
unless –
(a) the owner changes address; or
(b) the number of dogs over 3 months of age (other than a working dog) kept
on the premises increases for more than 14 consecutive days.

21 Certain applications to be dealt with under former bylaw

(1) This clause applies to any application submitted for multiple dogs in Auckland
under the Dog Management Bylaw 2012.

(2) An application to which subclause (1) applies to any valid multiple dog ownership
licence held prior to the date of commencement of this Bylaw must be dealt with
by the council —
(a) under the relevant bylaw in subclause (1) as if it was still in force; and
(b) as if this Bylaw had not been made.

22 Existing approvals to continue in force

(1) Every licence continues in force as if it is a licence of that kind issued pursuant
to clause 12(2) of this Bylaw.

(2) Every licence to which subclause (1) applies expires –
(a) if any owner to which the licence applies changes address;
(b) if the number of dogs kept on the premises for more than 14 days
exceeds the number permitted by the licence;
(c) if the number of dogs kept on the premises for a continuous period of
more than 12 months is fewer than the number permitted by the
licence; and
(d) for any reason specified in the licence.

(3) Unless otherwise stated in the conditions of the licence granted under
subclause clause 13(1), the licence will remain valid as long as the
circumstances described in the licence remain unchanged.

(4) The licence cannot be transferred to another person or another premise.

Local board decisions and input into the Annual Budget 2019/2020 and the proposed amendment to the 10-year Budget 2018-2028

File No.: CP2019/04942

Te take mō te pūrongo
Purpose of the report
1. To approve local financial matters for the local board agreement 2019/2020, which need to be considered by the Governing Body in the Annual Budget 2019/2020 process.

2. To seek feedback on regional topics in the Annual Budget 2019/2020 and the proposed amendment to the 10-year Budget 2018-2028.

Whakarāpopototanga matua
Executive summary
3. Auckland Council’s Annual Budget contains 21 local board agreements which are the responsibility of local boards. These agreements set out local funding priorities, budgets, levels of service and performance measures. This report seeks decisions on local financial matters for the local board agreement, including:
   - any new/amended business improvement district (BID) targeted rates
   - any new/amended local targeted rate proposals
   - proposed locally driven initiative (LDI) capital projects outside local boards’ decision-making responsibility
   - release of local board specific reserve funds
   - any advocacy initiatives (to be included in the appendix).

4. Auckland Council consulted with the public from 17 February to 17 March 2019 to seek community views on the Annual Budget 2019/2020 and the proposed amendment to the 10-year Budget 2018-2028, and local board priorities to be included in the local board agreements. This report seeks local board views on both of these plans:
   - regional annual budget topics: including changes to rates and fees, the draft Tūpuna Maunga o Tamaki Makaurau Authority – Operational Plan 2019/2020, and other budget information
   - the proposed amendment to the 10-year Budget 2018-2028 regarding property transfers.

5. Auckland Council also consulted on the Our Water Future discussion document. A draft strategy from the Our Water Future discussion document will be developed. Local boards will have the opportunity to provide input into this in early 2020.

6. Local board views on these regional plans will be considered by the Governing Body (or relevant committee) before making final decisions on the plans.

Recommendation/s

That the Henderson-Massey Local Board:

b) recommend any new or amended business improvement district targeted rates to the Governing Body.

c) recommend any new or amended local targeted rate proposals to the Governing Body.

d) recommend that the Governing Body approves any proposed locally driven initiative capital projects, which are outside local boards’ decision-making responsibility.

e) recommend the release of local board specific reserve funds to the Governing Body.

f) approve its advocacy initiatives for inclusion (as an appendix) to its 2019/2020 Local Board Agreement.

g) receive consultation feedback on regional proposals in the Annual Budget 2019/2020 and on the proposed amendment to the 10-year Budget 2018-2028 regarding property transfers from people or organisations based in the Henderson-Massey Local Board area.

h) provide feedback on the Annual Budget 2019/2020.

i) provide feedback on the proposed amendment to the 10-year Budget 2018-2028.

Context

7. Local board agreements form part of the Auckland Council’s annual budget and set out local funding priorities, budgets, levels of service and performance measures. This report details local board decisions and recommendations that need to be made in April/early-May to allow them to be considered by the Governing Body in the annual budget process.

8. Local boards also advocate to the Governing Body for funding for projects that cannot be accommodated within their local budgets. These advocacy initiatives are attached as an appendix to the local board agreement.

9. Local boards are responsible for providing local input into regional strategies, policies and plans. Local board plans reflect community priorities and preferences and are key documents that guide both the development of local board agreements and input into regional plans.

10. Auckland Council publicly consulted on the following two plans from 17 February to 17 March 2019:

- annual budget (which includes both regional issues and local board key priorities)
- the proposed amendment to the 10-year budget.

11. Across the region, 2278 people attended 65 engagement events. Feedback was received through written, event and social media channels.
12. Consultation feedback on the Henderson-Massey Local Board priorities for 2019/2020 and on regional proposals in the Annual Budget 2019/2020 and the proposed amendment to the 10-year budget regarding property transfers from people or organisations based in the Henderson-Massey Local Board area are set out in Attachment A. The feedback on local board priorities will be considered by the local board before they agree their local board agreement in early June 2019.

Tātaritanga me ngā tohutohu
Analysis and advice

Local financial matters for the local board agreement

13. This report allows the local board to agree its input and recommend other local financial matters to the Governing Body in early May 2019. This is to allow time for the Governing Body to consider these items in the annual budget process (decisions made in June 2019).

Local targeted rate and business improvement district (BID) targeted rate proposals

14. Local boards are required to endorse any new locally targeted rate proposals or BID targeted rate proposals in their local board area (noting that any new local targeted rates and/or BIDs must have been consulted on before they can be implemented).

Funding for locally driven initiatives (LDI)

15. Local boards are allocated funding annually to spend on local projects or programmes that are important to their communities. This funding is for ‘locally driven initiatives’ or LDI. Local boards can approve LDI capital projects up to $1 million; projects over that amount need approval from the Governing Body.

16. Local boards can recommend to the Governing Body to convert LDI operational funding to capital expenditure for 2019/2020 if there is a specific need to do so, or Governing Body approval may be needed for the release of local board specific reserve funds, which are funds being held by the council for a specific purpose.

17. Local boards can defer LDI projects where there was an agreed scope and cost, but the project/s have not been delivered.

Local board advocacy

18. Local boards are requested to approve any advocacy initiatives for consideration by the Governing Body and inclusion (as an appendix) to the 2019/2020 Local Board Agreement, noting that in this triennium, a longer-term approach has been taken to progress initiatives that are unable to be funded by local board budgets. The approach used the annual budget, 10-year budget and local board plan processes to progress and advise on a narrower range of local board initiatives in a more comprehensive way.

19. As part of the 10-year Budget 2018-2028, additional funding was provided to progress the priority advocacy initiative of each local board (the one local initiative (OLI)). All OLIs are progressing with funding either allocated or earmarked in the 10-year budget.

Local board input on regional plans

20. Local boards have a statutory responsibility for identifying and communicating the interests and preferences of the people in its local board area in relation to the context of the strategies, policies, plans, and bylaws of Auckland Council. This report provides an opportunity for the local board to provide input on two plans, the Annual Budget 2019/2020 and the proposed amendment to the 10-year Budget 2018-2028 regarding property transfers.

Regional issues in the Annual Budget 2019/2020

21. The annual budget sets out Auckland Council priorities and how it is going to pay for them. The regional consultation on the proposed annual budget focused on two topics:
• changes to rates and fees
  o annual waste management changes
  o food scraps targeted rate
  o Waitākere rural sewerage targeted rate
  o urban boundary rating
  o rating of religious use properties
  o regulatory fees
• draft Tūpuna Maunga o Tamaki Makaurau Authority – Operational Plan 2019/2020.

22. The consultation on the annual budget also included key priorities for each local board area. Decisions on local board priorities will be made when local board agreements are considered in June 2019.

23. The feedback form contained one question relating to changes to rates and fees. Consultation feedback received from the Henderson-Massey Local Board area on key regional issues in the annual budget are summarised in Attachment A, along with an overview of any other areas of feedback on regional proposals with a local impact.

24. Local boards may wish to provide feedback on these regional issues for consideration by the Governing Body.

The proposed amendment to the 10-year Budget 2018-2028 regarding property transfers

25. The regional consultation on the proposed amendment to the 10-year Budget 2018-2028 focused on a proposal to transfer the legal ownership of $790 million of city centre waterfront properties from Panuku to Auckland Council. Panuku would continue to manage the properties. The resulting ownership structure would reduce governance duplication, increase consistency with other development areas and maximise future flexibility.

26. The feedback form contained one question relating to this proposed amendment. Consultation feedback received from the Henderson-Massey Local Board area on the proposed amendment to the 10-year Budget 2018-2028 regarding property transfers is summarised in Attachment A.

27. Local boards may wish to provide feedback on the proposed amendment to the 10-year Budget 2018-2028 regarding property transfers for consideration by the Governing Body.

Ngā whakaaweawe me ngā tirohanga a te rōpū Kaunihera
Council group impacts and views

28. The Annual Budget 2019/2020 is an Auckland Council group document and will include budgets at a consolidated group level. Consultation items and updates to budgets to reflect decisions and new information may include items from across the group.

29. The key impact of the proposed amendment to the 10-year budget regarding property transfers on the group is the potential impact on Panuku. Panuku staff and board have been engaged in the development of these options. Governing Body will make their decision regarding this on 20 June 2019.

Ngā whakaaweawe ā-rohe me ngā tirohanga a te poari ā-rohe
Local impacts and local board views

30. Local board decisions and feedback are being sought in this report. Local boards have a statutory role in providing local board feedback on regional plans.

31. Local boards play an important role in the development of the annual budget and local board agreements form part of the annual budget. Local board nominees have also attended Finance and Performance Committee workshops on the annual budget, and a special
briefing was arranged on the proposed amendment to the 10-year budget regarding property transfers.

**Tauākī whakaaweawe Māori**

**Māori impact statement**

32. Many local board decisions are of importance to and impact on Māori. Local board agreements and the annual budget are important tools that enable and can demonstrate council’s responsiveness to Māori.

33. Local board plans, which were developed in 2017 through engagement with the community including Māori, form the basis of local priorities. There is a need to continue to build relationships between local boards and iwi, and where relevant the wider Māori community.

34. Ongoing conversations will assist local boards and Māori to understand each other’s priorities and issues. This in turn can influence and encourage Māori participation in council’s decision-making processes.

**Ngā ritenga ā-pūtea**

**Financial implications**

35. This report is asking for local board decisions on financial matters in local board agreements that need to then be considered by the Governing Body.

36. Local boards are also providing input to regional plans. There is information in the consultation material for each plan with the financial implications of different options.

**Ngā raru tūpono me ngā whakamaurutanga**

**Risks and mitigations**

37. Local boards need to make recommendations on these local financial matters for the Annual Budget 2019/2020 by 8 May 2019, in order for the Governing Body to be able to make decisions on them when considering the annual budget in May 2019.

**Ngā koringa ā-muri**

**Next steps**

38. Local boards will approve their local board agreements and corresponding work programmes in June.

39. Recommendations and feedback from local boards will be provided to the relevant Governing Body committees for consideration during decision-making, as outlined in the table below:

Henderson-Massey Local Board: Annual Budget 2019/2020 consultation feedback

This report is a summary of the feedback relating to the Henderson-Massey Local Board, received through the Annual Budget 2019/2020 consultation. This includes:

- feedback on the local board’s priorities for 2019/2020.
- feedback on regional proposals in the Annual Budget 2019/2020 from people or organisations based in the Henderson-Massey local board area.

The feedback received informs the local board’s decisions on allocation of local budgets in their local board agreement for 2019/2020. It also informs input and advocacy on regional budgets and proposals that will be agreed at their business meeting on 16 April and subsequently discussed with the Finance and Performance Committee on 8 May.

Key proposals in the regional consultation were:

- Changes to rates (including ending the Waitakere septic tank pump-out scheme which has not achieved the desired water quality improvements, introducing a targeted rate to continue the food scraps recycling that has been trialled in parts of the North Shore ahead of a regionwide roll-out next year, and not charging rates on land used by religious organised for a range of non-commercial purposes)
- Changes to legislative fees (increasing fees for some aspects of resource consents, building consents, harbour master fees, and animal management)

There was also consultation around a proposal to amend Auckland Council’s ten-year budget (2018-2028) in respect of legal ownership of properties within the council group. This proposal would see the transfer of the legal ownership of about $790 million of city centre waterfront properties currently held by Panuku Development Auckland to Auckland Council in the interests of reducing governance duplication, increasing consistency and maximising flexibility.

The local board consulted on the following priorities:

- Strengthening community services that support diverse communities
- Better engagement and advancing the aspirations of our Māori community
- Making it easier to get around without a car
- Developing an ecological restoration plan for Harbourview/Orangihina

126 submissions were received on local board priorities for 2019/2020, showing that the majority of people either partially support (49%) or support (39%) the local board’s priorities.

60 submitters made specific comment on a variety of issues, ranging from local road congestion to general remarks about reducing costs. No specific theme emerged from the feedback.

Feedback on regional proposals

Auckland Council consulted on its Annual Budget 2019/2020 and a proposed Amendment to the 10-year Budget 2018-2028 regarding property transfers between 17 February and 17 March 2019. The Annual Budget 2019/2020 must include a Local Board Agreement for the Henderson-Massey Local Board which sets out Council’s priorities and how these will be funded.

Overall Auckland Council received feedback from 5,250 people in the consultation period. Feedback was received in person at community engagement events, through written forms (including online and hard copy forms, emails and letters) and through social media. Auckland Council also consulted on
the Our Water Future discussion document at the same time. Feedback on this discussion document will be presented at a later date.

Out of the 5250 submissions received on the regional proposals in the Annual Budget 2019/2020, 126 submissions were from people living in the Henderson-Massey local board area. These submissions made up 2.4% of submissions from across the region. Most of the submissions addressed at least some of the regional proposals.

**Changes to rates and fees**

The proposal for changes to rates attracted few general comments from people living in the Henderson-Massey local board area. The proposal to change rating of religious use properties attracted the largest response.

Although submitters ticked “do not support”, most of the comments showed that they considered that religious properties should not get any special dispensations on rating.

The proposal to increase some regulatory fees relating to resource consents, building consents, harbour master fees and animal management received a low number of responses from people in the Henderson-Massey local board area. The majority opposed fee increases.

104 of the 126 submitters from the Henderson-Massey local board area responded to the proposed amendment to the 10-year Budget 2018-2028 regarding transfers of legal ownership of properties within the council group. 63 were in support and 25 were in partial support. 14 did not support the amendment and two did not specify in their comments.

Feedback received on Henderson-Massey Local Board priorities for 2019/2020

The local board consulted on the following priorities:

- Strengthening community services that support diverse communities
- Better engagement and advancing the aspirations of our Māori community
- Making it easier to get around without a car
- Developing an ecological restoration plan for Harbourview/Orangihina

126 submissions were received on local board priorities for 2019/2020, showing that the majority of people either partially support (48%) or support (38%) the local board’s priorities.

60 submitters made specific comment on a variety of issues. There was no specific theme that came through the feedback.

The local board held a “have your say” event as part of the 19 February business meeting. No feedback was received.

Information on submitters

Of the 126 submissions from the Henderson-Massey local board area, 120 were from individuals and six were from organisations. 96 submissions were made online and 29 were hard copy.

The charts below show the age, gender and ethnicity demographics of the submitters.

Purpose of the report

1. To allocate the $7,920 of 2018/2019 Locally Driven Initiatives (LDI opex) remaining in the Community Response fund line.

Whakarāpopototanga matua

Executive summary

2. In 2018/2019 Henderson-Massey Local Board apportioned $58,000 LDI opex to a ‘Community Response Fund’ to provide a resource so that initiatives or requests for funding from the community that occurred outside of the work planning process could be responded to after consideration.

3. There is a balance of $7,920 remaining following previous allocations made by resolution;
   i) $5,000 to Waitakere Central Community Arts Council to assist with costs for two annual exhibitions.
   ii) $3,000 to Papaya Stories to provide a series of street events in Henderson-Massey.
   iii) $5,000 to the West Auckland Historical Society to develop activities during the Henderson Anniversary in 2019.
   iv) $7,000 to commission an independent contamination report on Matipo Reserve in Te Atatu Peninsula.
   v) $15,080 for artworks on unused billboards facing the platform of Henderson train station.
   vi) $15,000 for the completion of Te Atatū South Plan in 2018/2019.

4. Formal resolution is sought to allocate this balance of $7,920 to the following community groups to progress initiatives closely aligning with objectives in the local board plan:
   i) $5,920 to Ranui Action Project (RAP) as a contribution to pay for unscheduled staff time.

5. In October 2018, Ministry of Social development funding for the nearby Western Park Village Hub ceased. As a result, RAP stepped up and provided administration support to the hub and support to the users of the social work services offered there. Since, two staff members from RAP visit the hub twice a week to give the support required. This staff time has been unfunded.
   i) $2,000 to Ranui 135 to test and pilot a new leadership programme for Māori and Pacific boys and young men.
   The funding will contribute to identifying the development of the overall programme and cost options. The programme will focus on leadership using an indigenous lens and may include creative workshops, pro social activities during school holidays, engaging with arts workshops and story-telling sessions.

6. Henderson-Massey Local Board discussed the items at a workshop on 19 March 2018 and indicated support to resolve on the allocations.
Recommendation/s

That the Henderson-Massey Local Board:

a) allocate $7,920 from the Community Response Fund to the following groups:

i) $5,920 to Ranui Action Project as a contribution towards unscheduled staff time in support of the Western Park Village Hub.

ii) $2,000 to Ranui 135 to test and pilot a new leadership programme for Māori and Pacific boys and young men.

Whakarāpopototanga matua

Executive summary
2. The governance forward work calendar for the Henderson-Massey Local Board is in Attachment A. The calendar is updated monthly, reported to business meetings and distributed to council staff.

3. The governance forward work calendars aim to support local boards’ governance role by:
   - ensuring advice on meeting agendas is driven by local board priorities
   - clarifying what advice is expected and when
   - clarifying the rationale for reports.

4. The calendar also aims to provide guidance for staff supporting local boards and greater transparency for the public.

## Update on Project Streetscapes contracts

Tery Everett  
Jenny Gargiulo  

- Project Streetscapes involves the transfer of services from Auckland Transport (AT) and Waste Solutions (WS) to Community Facilities (CF). The project was established to recognise the collective responsibility and collaboration across the road corridor.  
- Staff discussed the problems and potential solutions.  
- Escalation process of project streetscapes was also discussed.  
- The streetscapes contracts come down to population size and the socio-economic stance of the centre.  
- Berm mowing, edging and weed management, and vegetation management goes live on April 1st. (transitions from Auckland Transport to Community Facilities’ Full Facilities Suppliers)  
- Town Centre cleaning and loose litter collection goes live Transitions from Waste Solutions to Community Facilities.  
- Weed management methodologies are plant-based herbicide, synthetic herbicide, hot water treatment, mechanical and high-pressure steam.

## Options for the future use of Massey Library Space

Kathy O’Connor  
Bex Ah Fook  

- Staff discussed the criteria for deciding the future use of this space.  
- Small business hub, employment hub, gymnasium and boxing academy were suggested as potential users.

### Kelston Community Centre (KCC) Project update

- Peter Loud
- Sharon McGinity

- Community centre operates as a venue for hire.
- Staff undertook a community consultation in order to inform a planned operational review of the Kelston Community Centre by the Henderson-Massey Local Board as a priority in its FY19 work programme.
- The aim is to use this understanding to refine the form of the building, the services it will offer and how it will be known.
- Some findings from the consultation were:
  i. The Kelston Community Centre is primarily a venue for hire, other than for two Council-coordinated (partnered) activities.
  ii. As a venue for hire, Kelston Community Centre is relatively busy and has had a number of long-term booking clients
  iii. Types of use are fairly varied from religious events, sports activities to events of special interest.
  iv. At present, many users of the Kelston Community Centre are not local to either Kelston, Glendene or Sunnyvale
  v. Feedback from current users is that the Kelston Community Centre is fit for purpose and is in a great location with plenty of parking.
  vi. Feedback from current users is that the Kelston Community Centre is fit for purpose but is also run-down and is in need of refurbishment (as opposed to any significant redevelopment).
- Staff also discussed options for renaming the centre.
- Members suggested a monolingual naming for the centre.

**Actions/Outcomes:**

### Improving the process on developing regional policies

- Theresa Stratton
- Pramod Nair

- Staff discussed local board’s involvement in developing regional policies.

**Legislation provides:**

- GB responsible for regional decisions, LBs responsible for local decisions
- LBs identify/communicate preferences of local community in relation to strategies, policies, plans, by-laws
- GB considers views/preferences of LBs where affects responsibilities, operations of LB or wellbeing of its community

- Staff discussed recent progress of the centre plan.
- Two key moves: community and heart, connected and open and people and activity.
- The board is concerned that project staff require more funds to complete this project.
- The additional expanded area was driven by Auckland Transport and the feedback from the community.
- Board supports allocating additional $15,000 for this project.

**Actions/Outcomes:**
- Decision report to approve the additional funds will come to the next business meeting on 19th March.

The workshop concluded at 3.40 pm
