

The Kids for Kids Charitable Trust

Legal status:	Charitable Trust	Activity focus:	Events
Conflicts of interest:	None identified		

Project: Kids for Kids - Auckland North

Location:	Bruce Mason Centre, The Promenade, Takapuna, Takapuna Beach 0622		
Summary:	<p>- Kids for Kids is a unique opportunity for primary aged school children to participate in an inspirational mass choir performance singing wonderful New Zealand songs (both past and present).</p> <p>- To date we have now seen an estimated 300,000 kiwi kids participate across the 24 years Kids for Kids has been running.</p> <p>- In 2018 Auckland North was one of our strongest regions, with 2095 primary aged school children (representing 58 schools) performing to friends and family across five nights at the Bruce Mason Centre.</p>		
Dates:	18/11/2019 - 21/11/2019	Rain dates:	-
People delivering:	2 Artists, 2 Music Directors, 4 Touring Team, 4 Local Helpers, 200 Teachers/Parent Helpers and 2000+ primary ages students	People reached:	2000+ kids participating, 4200 audience supporting
% of participants from Local Board	9%		
Promotion:	The event is promoted on our Kids for Kids website, flyers are passed onto schools for kids to give to parents, posters are also at venues and schools, and event information is online via ticketing websites.		

Community benefits

Identified need:

- Yes, Kids for Kids acts as a great event to help introduce children to the creative arts, with each event creating a sense of community and pride amongst all involved, teaching our kids on what it means to be a kiwi.
- In the past we only visited each region bi-annually across NZ, however, the overwhelming support of schools asking for the event to be produced in Auckland-North annually was overwhelming (evident with 50+ schools, 2000+ children participating + performing in Kids for Kids).
- Feedback from teachers thanks the Kids for Kids team on making the event so enjoyable for all involved, with comments on how valuable the event is as part of introducing their students to kiwi music and creative arts.

Identified community outcomes:

- Approximately 2000+ primary aged children from 50+ schools will participate in our Kids for Kids North Auckland event, with 56% of children involved experiencing and participating in a creative show like this for the first time.
- Introduce all primary aged children to NZ Music through our 'Big Aroha' theme. (All songs performed are written and produced by New Zealand artists).
- Assist primary school-aged children to develop self-confidence and teamwork skills through their participation in Kids for Kids concerts;
- Encourage primary school aged children to acquire knowledge and skills in choir performances, becoming musically aware and appreciative of kiwi songs;
- Educate and inform primary aged school children about global citizenship through their participation in Kids for Kids.
- Advance and promote global citizenship within the community by encouraging schools and communities to participate in the Kids for Kids concerts.

Alignment with local board priorities:

Devonport-Takapuna

- communities are empowered to deliver placemaking projects including arts, culture and events

Kids for Kids is proud to host our event in Devonport/Takapuna where we've selected the Bruce Mason Centre to host 4 days of shows. With a rich history hosting Kids for Kids at BMC for a number of years now, its an event that is enjoyed by all and makes memories associated with Bruce Mason Centre for all involved. The event of course wouldn't be possible without the incredible 200+ teachers, and 2000+ students representing the 58+ schools involved, all collaborating to create the magic that is Kids for Kids.

Collaborating organisation/individual	Role
Our Artists (Jackie Clarke and Nathan King) and Music Directors (Brooke Baker and Chris Lam Sam)	Our artists and our MD's help create the show, carefully selecting songs, re-writing music, putting together resource to be sent to schools to dive into each song as they learn ahead of the show.

Demographics

Māori outcomes:

Māori focus - tikanga (practises), mātauranga (knowledge), reo (language)

This year's Kids for Kids is all about celebrating Aotearoa's 'Big Aroha', seeing young people come together to celebrate some of the best of Kiwi music and participate in a mass choir performance. Our Artists and Music Directors aspire to integrate Te Reo language across the performance, with some song lyrics that are 100% in Te Reo like Tarakihi, and other songs that have a kiwi / te reo balance like Big Aroha by The Slacks and Whaling / We Know The Way Dave Dobbyn / Lin-Manuel Miranda & Opetaia Foa'i.

Accessible to people with disabilities

Yes - Our stage is all accessible and frequently includes young people with disabilities participating alongside their mates from school at Kids for Kids. Where needed, carers are also invited on stage to assist, ensuring the young person has a great experience.

Target ethnic groups:

All/everyone

Promoting SmokeFree: As our event champions young people, with rehearsals during school time - the venue is treated like schools grounds with all personnel involved with the event / teachers / schools smoke-free.

Zero waste minimisation All schools are asked to take any rubbish created from school lunches back with them.

Percentage of males targeted	Percentage of females targeted	All - not targeted male/female

Financial information

Amount requested: **\$12000.00**

Requesting grant for: This application requests \$12,000 from Auckland Local Boards to help cover venue hire and production costs.

If part funded, how would you make up the difference:

Its likely we could still fund any remaining shortfall within our national application to The Lion Foundation and Youthtown.

Cost of participation: School Rego is \$69 p/school (no limit to # of students involved) and tickets average for \$25+booking fees.

The Operating Theatre Trust trading as Tim Bray Theatre

Legal status:	Charitable Trust	Activity focus:	Arts and culture
Conflicts of interest:	None identified		

Project: "We're Going on a Bear Hunt" / "The Little Yellow Digger"

Location:	Th PumpHouse Theatre, Manurere Avenue, Takapuna		
Summary:	"We're Going on a Bear Hunt" will be a world premiere for this particular production as it is a new script by Tim Bray with new songs by Marshall Smith and Tom Fox of The Sound Room, Takapuna. This is a hugely popular international title and it has taken some time to secure the rights from the UK publisher. 'The Little Yellow Digger' is based on the best selling series of NZ picture book stories by Betty and the late Alan Gilderdale. Both professional productions will cost more than \$200,000 +GST to stage and ticket sales (at school/family-friendly level) only go so far in creating the income required, hence our request for funding to assist us.		
Dates:	29/06/1919 - 12/10/2019	Rain dates:	-
People delivering:	100	People reached:	10249
% of participants from Local Board	50%		
Promotion:	<p>These two shows have been widely promoted across Auckland schools/preschools and to our database since Sept 2018. We already have bookings from public, schools/pre-schools.</p> <p>In promoting these shows we'll follow our comprehensive promotional timetable including social media, email campaigns to our extensive databases and digital marketing campaigns. We have a database of over 5,000 families.</p> <p>Our new Marketing Manager, Rachael Penman has brought PR in house and will contact long-lead as well as weekly and daily publications and media outlets.</p> <p>Advertising will be booked in local and regional media.</p> <p>\$10,000 a month free in Charity Google AdWords.</p> <p>Paid boosted posts on Facebook.</p> <p>MORE FM is our media partner and offer a range of activations with MORE FM and The Breeze.</p>		

Community benefits

Identified need:

For 28 years, our ever-growing audience indicates there is a desire for our theatre productions for children. Annually we attract over 20,000 children and their teachers, parents, grandparents to our shows at The PumpHouse Theatre. This is more than the annual patronage of a full-time professional theatre, such as Centrepoint Theatre in Palmerston North.

The associated full-day Theatre Workshops we offer attracts 75 children each holidays.

Numerous studies around the world have shown that access to theatre helps boost literacy and cultivates imaginative thinking in children. A study conducted at UCLA in the US, for instance, which looked at 25,000 students involved in the performing arts, showed consistent participation helped improve academic performance and even bumped up standardised test scores.

Identified community outcomes:

To understand the power-the importance-of children's theatre, watch children watching a Tim Bray production. On the edge of their seats, these children are immersed: precisely as intended, they are playing their part in the performance. Engaging their imaginations.

Imagination powers progress. Nothing changes until someone imagines a better way and governments, business leaders and social agencies all agree that creativity and innovation are what the world needs most from future generations. At Tim Bray

Theatre Company we fire young imaginations and ignite the creative minds of tomorrow, deepening and expanding their cultural awareness as we do so. It's our contribution to their success in school, life and future work.

Over 50 employment short-term contracts for creatives/technicians

Students participate in a learning experience outside the classroom, assisted by our free Teachers' Resource Guide which has cross-curricula activities

improvements in the children's own performances at schools, churches and with kapa haka.

Our shows allow for a shared family recreation time.

Active participation of children through associated "Break a Leg!" Theatre Workshops.

Economic impact of our audience in the local Takapuna area

Volunteers and interns (local/overseas) involved across show activities

Subsidised Gift a Seat™ tickets provided to low decile schools, KDEC, BLENNZ , Make-A-Wish

Alignment with local board priorities:

Devonport-Takapuna

- communities are empowered to deliver placemaking projects including arts,culture and events

Our professional performing arts company has been based in two offices at the Lake House Arts Centre in Takapuna since 2012.

We are a registered charitable trust and for 28 years have been creating world-class theatre most often based on New Zealand literature. We've had the honour of having authors such as Margaret Mahy, Joy Cowley and Lynley Dodd attend the shows at The PumpHouse.

Our shows for children at The PumpHouse Theatre bring 20,000+ people annually from across the Auckland region and beyond. The economic impact of our shows on the Takapuna area have never been formally measured but we know that this significant sized audience buys petrol, lunches, shopping, books that the plays are based on etc and we have an annual turnover of \$800,000.

However, we are facing increasing competition from Auckland Live (Auckland Council) who bring in shows to the Bruce Mason Centre from overseas with an astonishing amount of marketing spend that we can't compete with.

Our world-class shows involve trained creatives/technicians with short-term employment contracts, volunteers, children and young people.

We ensure that our shows are accessible to all children and our Gift a Seat™ programme means that tickets that have been subsidised by Gift a Seat™ donations are available to those who need them.

Our Youth Theatre programmes have term time classes running at St George's, Takapuna and we also offer day-long school holiday Theatre Workshops around our shows at The PumpHouse Theatre.

We are the most regular hirers of the historic PumpHouse Theatre and so our hireage and ticketing fees bring in a solid and reliable income to them.

We're a long-term tenant at the historic Lake House Arts Centre and we enjoy the camaraderie and creative energy there.

Local Board funding would help a local theatre company continue presenting placemaking theatre events which have been proven to be incredibly popular but in recent times are now struggling with the new competition brought by Auckland Live.

'We're going on a Bear Hunt' is a brand new production with original songs composed for the show by Marshall Smith and Tom Fox of The Sound Room, Takapuna.

'The Little Yellow Digger' was written by Betty Gilderdale, a long term North Shore resident, currently living in Forrest Hill. Betty attended the Gala Opening of our original production of 'The Little Yellow Digger' in 2014.

Collaborating organisation/individual	Role
Volunteering Auckland	Assisting with aligning volunteers with our theatre company - mailouts, data entry, ushering
Giant Leap Charitable Trust	Guiding us with our NZ Sign Language interpreted performances and connecting us with deaf community and interpreters
Kelston Deaf Education Centre	Beneficiaries of free Gift a Seat™ tickets for students attending our NZSL performances
BLENNZ (Blind and Low Vision Education Network of NZ)	Beneficiaries of free Gift a Seat™ tickets for students attending our Audio Described performances
Audio Described Aotearoa	Provide Audio Description service so that children from BLENNZ and other blind and sight impaired children and adults have access to live theatre
Make-A-Wish (NZ)	Since 2005 we have provided free tickets to children and their families under the care of Make-A-Wish. Now formerly offered through our Gift a Seat™ programme.

The PumpHouse Theatre	Venue since 2004 - sponsor of our Educational Seasons and provide 10% discount on services
Wairau Valley Special School	Assisting their teenage students into workplace environment with us - mailouts, ushering Project
Arts Access Aotearoa	Guiding us on our delivery of our accessibility programmes

Demographics

Māori outcomes: None identified

Accessible to people with disabilities Yes - In 2017 we were given an award in the Creative New Zealand Arts Access Aotearoa Awards -
 "Tim Bray Productions is Highly Commended for pioneering NZSL interpreted performances for Deaf children and providing audio described performances for blind and low-vision audiences. The company is an outstanding model of inclusion."

Since 2004 we've offered New Zealand Sign Language interpreted performances and we were at the forefront of this arts accessibility amongst New Zealand theatre companies.

Since 2015, we have provided Audio-Described performances for blind and visually-impaired audiences.

Our Gift a Seat™ programme allows these children to attend with pre-paid tickets

We offer discounted Companion Tickets to carers.

PumpHouse Theatre is accessible by wheelchairs

Wairau Valley Special School teenage students volunteer as ushers.

Target ethnic groups: All/everyone

Promoting SmokeFree: We request that any of our cast or crew who smoke do not smoke in view of the audience coming to see our shows as they are role models to our young audiences.

The PumpHouse Theatre is a smoke-free environment.

Zero waste minimisation The set, props and costumes for The Little Yellow Digger have been stored since we did the show in 2014, so it will be reused. In 2018 we stopped the printing and mailout of our quarterly newsletter that was sent out to the 4,000 families on our database as a way to reduce paper.

Financial information

Amount requested: \$20000.00

Requesting grant for: Towards various costs - hosting volunteers, rehearsal room, venue and ticketing costs from The PumpHouse Theatre, additional lighting hire, costume materials, set materials, prop materials, royalties, printing, envelope/mailout costs, Opening and Closing Night functions, and advertising/promotional costs in various media for 'We're Going on a Bear Hunt' (29 June - 20 July 2019).

And towards various costs – hosting volunteers, rehearsal room, venue and ticketing costs from The PumpHouse Theatre, additional lighting hire, costume materials, set materials, prop materials, royalties, printing, envelope/mailout costs, Opening/Closing Night functions and advertising/promotional costs in various media for 'The Little Yellow Digger' (21 September- 12 October 2019).

If part funded, how would you make up the difference:

Theatre for children costs as much as creating and presenting theatre for adults (eg ATC, SiLo Theatre) but we can only charge family/school friendly prices. A reduction of costs might be possible but we already pay our design team, actors, crew below ATC/SiLo Theatre/market rates. We would try and secure funding from other sources although we seem to be applying to all the known funding agencies. We are constantly reviewing our costs to remain as lean as we can without affecting quality or sales. We have brought Public Relations in house to save \$6,000 per year.

Cost of participation: Yes. Various ticket prices from \$12 for a school or Early Childhood Centre or Home School Groups of 50+ at \$12 each up to \$30 for the Gala Opening which includes lucky prizes, giveaways and a catered function afterwards. We also offer subsidised purchased seats via our Gift a Seat™ programme to children from low decile schools, Kelston Deaf Education Centre, BLENNZ (Blind and Low Vision Education Network of NZ) and families under the care of Make-A-Wish (NZ).

Location:	Albany CMA - Albany Community Hub, 575A Albany Highway, Albany. Belmont CMA - The Rose Centre, School Road, Belmont. Birkenhead CMA - Northcote/Birkenhead Rugby Club, Recreation Drive, Birkenhead. Glenfield CMA - War Memorial Hall, Hall Rd, Glenfield. Mairangi Bay CMA - Presbyterian Church Hall, Penzance Rd, Mairangi Bay. Sunnynook CMA - Sunnynook Community Centre, Sunnynook Rd, Sunnynook. Red Beach CMA - Methodist Church Hall, 76 Red Beach Rd, Red Beach. Stanmore Bay CMA - Stanmore Bay Community Centre, Wairoa Rd, Stanmore Bay.		
Summary:	North Shore CMA runs 8 centres weekly during primary school terms offering companionship and morning activities to isolated seniors. Each centre offers a community activity programme based on the PIES programme which centres on Physical, Intellectual, Emotional and Social activities. The focus is on social participation and maintenance of strength and mobility through activities relevant to the needs and abilities of older people with a focus on building resilience. An ACC accredited strength and balance exercise program is run weekly at the majority of our centres. Our emphasis is to enable our 'guests' to remain as independent as possible and re-integrate them into their local communities.		
Dates:	01/07/2019 - 31/12/2019	Rain dates:	-
People delivering:	57 - 6 paid staff members and 51 volunteers	People reached:	1977 - the no of centre attendances expected during the 6 month period applied for.
% of participants from Local Board	37.5%		
Promotion:	We have a brochure detailing our services that is widely available to our target community. It can be obtained from the WDHB, other healthcare providers, the CAB as well as the community centres that we operate in. We advertise in local community papers in the communities where our centres are based. We publish a quarterly newsletter that is distributed to all guest and volunteers. Once they have finished with it we encourage our guests to pass it onto friends and family or leave it in the waiting rooms of service providers i.e doctors, dentists etc for others to enjoy and become aware of our service and what it offers. Our supervisors regularly update our Facebook page with happenings in their centres.		

Community benefits

Identified need:

People are living significantly longer and healthier lives than they did 50 to 100 years ago. In 1966, just over 8 percent of New Zealand's population was aged 65 or older. By 2035 the number of

people aged 65 and over is projected to almost double from 675,000 today to around 1.2 million. Alongside this, the number of people aged 80 or over is projected to increase by 130 percent.

Source: Research on Ageing in New Zealand published March 2016 by the NZ Ministry of Social Development

CMA has successfully been providing our much needed service to isolated older people for over 50 years.

Identified community outcomes:

Longer life-expectancy combined with the dynamics of modern day family life mean more seniors are living alone, often away from the support of family and therefore isolated. Our service benefits the community as it reduces social isolation, leading to older people having more fulfilled lives and improved health. Attendance at our Sunnynook centre where the ACC approved strength and balance exercises are provided weekly has increased and is regularly at capacity. Our Sunnynook guests are enjoying the benefits of improved strength and balance which helps reduce the risk of falls and fall related injuries like fractures in older people. We are in the process of providing strength and balance exercise training to staff and volunteers at our remaining CMA centres in order to offer these exercises to all our guests. It is our aim to achieve ACC accreditation at our remaining centres this year, increase our membership and reach a wider section of the elder community. Thereby improving their quality of and enjoyment in life for as long as possible in their remaining years.

Alignment with local board priorities:

Devonport-Takapuna

- our communities celebrate diversity and feel a sense of belonging

We can help the Devonport- Takapuna Local Board to achieve the priority of communities celebrating diversity and feel a sense of belonging by continuing to provide a regular, appropriate, well run and well established program at our centres in Belmont and Sunnynook, offering companionship and morning activities to support isolated and vulnerable older persons in the community. An ACC accredited strength and balance exercise program is being rolled out at all our centres this year to improve our guests strength and balance and help prevent falls. This will enable guests to live in their own accommodation for longer with less hospital admissions and better quality of life. For many of our guests this is the only social interaction they have and is a much valued aspect of their week. Our centre supervisors are supported in running their centres by dedicated volunteers, many of whom are new New Zealanders from many walks of life who bring cultural diversity to the lives of our guests and in return receive a sense of belonging and connection to their local communities. As reflected in our policies NSCMA is non discriminatory and inclusive of all.

Demographics

Māori outcomes:	<p><i>Māori focus - tikanga (practises), mātauranga (knowledge), reo (language)</i></p> <p>CMA recognises the four cornerstones of Maori health – Whānau (family health), Tinana (physical health), Hinengaro (mental health) and wairua (spiritual health) as well as Whānau, Hapu and Iwi structures, and the role the Service User, particularly of Koroua and Kuia, plays within these structures.</p> <p>Positive intervention for Māori Service Users can help to introduce healthier lifestyles, change habits and enhance positive social and functional activities.</p> <p>To this end we also have a Maori representative on the North Shore CMA staff and Governance Team.</p> <p>Also this year our head office staff are enrolled in Papa Reo NZ Certificate in Te Reo run by Te Wananga o Aotearoa and are due to complete level 1 in May.</p>
Accessible to people with disabilities	<p>Yes - Our centres are easily accessible to people with all disabilities. Many of our guests are referred by the WDHB through the needs assessment service, by their GP's and/or other health professionals. We provide training to staff annually on caring for and interaction with older people with a diverse range of needs and requirements. This helps ensure our staff and volunteers have a greater appreciation and ability to care for guests with disabilities. Along with this we also offer First Aid Training relevant to carers of older people, to all staff and volunteers .</p>
Target ethnic groups:	None identified
Promoting SmokeFree:	<p>CMA has a Smoke Free Policy which states:As part of its wider role in promoting health and wellbeing, CMA has a responsibility to encourage and support members, staff and their families/whanau to become smokefree.CMA is required to ensure that no person smokes at any time while they are working to keep employees and visitors to CMA's centres free from the health risks of smoking.The purpose of this policy is to outline CMA's expectations regarding the health and safety of all individuals within CMA's premises and environments to enhance the health of employees and those who access CMA's services.Promote a smokefree environment.Encourage a smokefree workforce.Compliance with the Smoke-free Environments Act1990 and Amendments2003 and the HealthandSafety in Employment Act (HSEA)1992 and Amendments2002.</p>
Zero waste minimisation	<p>CMA is ever mindful of waste minimisation initiatives. To this end all staff, volunteers and guests are encouraged to follow the three R's – reduce, reuse and recycle – to help to cut down on the amount of waste we throw away that contributes to increased landfills.</p>

Financial information

Amount requested: **\$30000.00**

Requesting grant for: A contribution towards operational costs excluding wages, calculated on a proportional representation basis, for 8 CMA centres for the 6 month period 1 July 2019 to 31 December 2019 from the Hibiscus and Bays, Kaipataki, Devonport Takapuna and Upper Harbour Local Boards who cover the areas our centres operate in.

If part funded, how would you make up the difference:

The project will go ahead as planned and we will approach other community funders and private business to make up any shortfall.

Cost of participation: We ask for a contribution of \$6 from guests attending a centre to cover the cost of morning tea, lunch and activities. If transport is provided by CMA we ask for further donation of \$2 each way. However guests are not excluded if financial hardship precludes them from contributing. Annual membership costs \$25 enabling guests to attend and vote at our AGM.

Community benefits

Identified need:

Growing numbers: nearly 1 in 4 New Zealanders live with disability. In StarJam's age range (6 – 25 years) over 150,000 young people face barriers in their daily lives through intellectual, behavioural, physical, sensory, emotional disabilities (or combination).

Many participants have experienced disappointment/exclusion from other organisations due to high/complex needs. StarJam is different: no discrimination/exclusion by disability so often Jammer(s)' only community outlet, offering freedom from isolation/inactivity plus learning, socialising.

Workshops mostly full, with some waiting lists. Regular inquiries show need for our programme. StarJam is donation-based, recognising economic disadvantage disability can bring to families.

Referrals from disability agencies (eg IDEAS services, Disability Connect) recommend StarJam to their members.

Jammer, parent/caregiver feedback and surveys confirm the transformative impact of StarJam.

Identified community outcomes:

- a) Community: young people with disabilities previously marginalised, isolated or inactive due to disability, will feel connected to their community because they have access to a regular, welcoming and inclusive recreational outlet that is designed to meet their needs and interests.
- b) Well-Being: young people with disabilities will experience well-being through a programme that helps them to get physically, socially and mentally active, fostering not only their musical interests, but also their personal growth.
- c) Feeling Valued through Performance: young people with disabilities will feel valued through the experience of performing for local community audiences. Through the public's response they will experience confidence, pride and the motivation to set goals within/beyond StarJam.

Alignment with local board priorities:

Devonport-Takapuna

- our communities celebrate diversity and feel a sense of belonging

Devonport-Takapuna: 2 StarJam workshops (singing, dance) support 20 young people with disabilities ('Jammers').

Diversity: StarJam accepts all young people with disabilities (including high needs) between 6 and 25 years, with no discrimination by:

- Disability, ethnicity, background, ability or prior experience

Across Auckland's workshops estimated 30 different disabilities, including:

- Physical, intellectual, behavioural, sensory, emotional

All are welcome to participate in StarJam's weekly workshops, community social events, performance opportunities.

Belonging: many Jammers have had previous experiences of failure/rejection in other community groups. Reasons vary but include: (their) needs/behaviour too high and/or challenging.

- 1) Workshops: StarJam accepts all-comers, offering:

- Participant-centred workshop where:
 - a) New Jammers supported to participate when ready: not forced to join in (may feel initially overwhelmed)
 - b) Volunteers available to assist according to Jammer needs (1:1 if necessary)
 - c) Input encouraged from Jammers in: choosing songs/leading activities etc. At StarJam, they have a voice
- Workshop protocols based on: inclusiveness, positive interaction, acceptance without judgement. Jammers learn to give/receive praise – to ‘Spot the Talent’ in each other’s efforts. Result: they feel valued for their efforts
- Personal skills, team-bonding as important as music skills. Result: close-knit workshop groups. StarJam often Jammers' first experience of friendship.
- 2) Community Social Events: people with disabilities experience belonging in safe environment where they can socialise, dance, have fun without judgement (all ages welcome)
- 3) Community Performances:
 - Jammers experience belonging, connectedness - feel valued for their performance efforts
 - Audiences learn people with disabilities belong in the community. They too can contribute to life of community.

Collaborating organisation/individual	Role
Volunteer Auckland	Source of volunteers for workshops, community social events (discos) and performances
35-40+ Individual Volunteers	a) 26 volunteers contribute 2 hours per week at StarJam music workshops, assisting with safety of up to 12 young people with disabilities, plus delivery of tutor-led programme of activities, b) Up to 10 volunteers contribute 4 hours per quarter at StarJam community discos, ensuring people with disabilities (Jammers, wider community) kept safe and have fun. They also assist with merchandise, drinks sales, face-painting, set up/clean up before and after disco.
Disability Connect	Refers potential Jammers (particularly school leavers)
RecreateNZ	Informal partner in disability support: mutual referrals and information-sharing about each other's programmes.

Demographics

Māori outcomes: None identified

Accessible to people with disabilities Yes - StarJam is an organisation set up primarily for the benefit of young people aged 6-25 years, who are living with disability. Indirect beneficiaries are their families and the wider community through the support we provide to this vulnerable sector of the population.

StarJam participants, or Jammers, can participate in the weekly music workshops, community social events (discos) and year-round performance opportunities.

People of all ages with disabilities from the wider community have the possibility of attending StarJam's community social events: quarterly discos and (new) monthly musical get-togethers, or 'SaturJams.'

In this way, StarJam is providing longterm support and community connections to all people in the community who are living with disability.

Target ethnic groups: All/everyone

Promoting SmokeFree: All venues (workshops, discos, performances) selected are smoke-free (signage checked).

No smoking permitted within workshop venues/environs.

No smoking permitted at StarJam community events or performances.

No smoking permitted within vehicles driven by StarJam personnel for a purpose related to the organisation's work.

All smoking bans strictly enforced.

Zero waste minimisation None identified

Financial information

Amount requested: **\$23950.00**

Requesting grant for: For up to 10 weeks' funding within the project period (Jun 2019 - Feb 2020), towards:

a) StarJam Auckland Regional Programme Coordinator (salary)

b) Tutor Fees

c) Venue Hire Fees

d) Contribution to: Equipment/Resources/Services + Travel costs for Regional Coordinator to visit workshops, discos, performances + Regional Office costs + Tutor/volunteer Training

If part funded, how would you make up the difference:

Until we have secured the necessary funds, we may have to rein in some of our workshop and performance activities. Programme development (numbers, opportunities) may need to be delayed until we are confident we have the financial means to continue moving forward. Meanwhile, we would continue to seek the necessary funding via following channels:

a) donations and sponsorship

b) national fundraising efforts

c) local fundraising efforts

d) further grant applications.

To note: StarJam keeps firm lid on workshop spending:

2 out of 3 personnel volunteer their time.

Venues sourced for accessibility, suitability and affordability.

Resources recycled/shared between workshops (as practicable)

Cost of participation: Participation is by donation. A suggested donation is approximately \$30/family/month. Less than one third of our families are able to contribute regularly.

Total expenditure	Total income	Other grants approved	Applicant contribution

Children's Autism Foundation

Legal status:	Incorporated Society	Activity focus:	Community
Conflicts of interest:	None identified		

Project: Empowering Our Communities - North

Location:	Families own homes across the North Shore region, north shore hospital, head office in Albany, community halls across the area		
Summary:	Empowering communities is a project designed to meet the growing needs of our communities around Autism Awareness, embracing diversity for all and strengthening families through fostering resilience, providing support through a range of Outreach services. Extending these services across North Shore, as and when they are needed, greatly improves positive outcomes for children and youth and reduced stress and isolation many families face.		
Dates:	01/06/2019 - 01/05/2020	Rain dates:	-
People delivering:	12	People reached:	500
% of participants from Local Board	35%		
Promotion:	<p>The project would be promoted in the following ways:</p> <ol style="list-style-type: none"> 1. Through our large internal database / email list 2. Flyers and handouts to information centres / expos / community groups 3. Through the CAF website and Facebook page 		

Community benefits

Identified need:

CAF are currently working with approximately 600 North Shore families with a further 200 currently wait listed.

Feedback from CAF services is overwhelmingly positive and the organisation have recently received significant feedback from the WDHB, from sitting in on community workshops delivered in North Shore Hospital and through feedback they're hearing from local families. The CAF clinical team have robust best practice systems in place including weekly team meeting and ongoing professional supervision. The team work alongside other service providers and community partnerships to ensure our families needs are being met and to support one another in reaching the best outcomes possible for community members most at risk.

Identified community outcomes:

The community outcomes of this project include:

1. Enhancing, celebrating and strengthening diversity in all forms, for the benefit of the wider community

2. Strengthening children and young people and developing resilience to improve outcomes in education, behaviour, sleep/eating/routines, interpersonal dynamics and important social and life skills.
3. Supporting families through early intervention, education and resources to improve understanding around autism spectrum disorder, reducing stress on families and improving community engagement and participation opportunities.
4. Connecting local families through workshops and intensive 10 week programmes empowering participants to learn alongside on another, trial evidence based strategies, with the opportunity to feedback to the group and gain further input from clinical staff.
5. Supporting other service providers and community partners to improve outcomes for families at greater risk of isolation and exclusion.

Alignment with local board priorities:

Devonport-Takapuna

- our communities celebrate diversity and feel a sense of belonging

This project has been designed with the needs of our community in mind.

Families dealing with autism spectrum disorder are at risk of social isolation and exclusion.

This project will target wider community understanding of autism and will foster a more inclusive community, for the benefit of all.

The multi-faceted approach to service delivery provides local families with greater choice and autonomy over service delivery to best meet the needs of their individual families.

Children/young people and their families that are supported and resourced to engage and participate enjoy a greater sense of belonging and safety in their local communities. Workshops and intensive 10 week programmes bring families together from the community, fostering natural support systems and key relationships, further enhancing a sense of belonging.

Neighbourhood Support North Shore

Legal status:	Incorporated Society, Charitable Trust	Activity focus:	Community
Conflicts of interest:	None identified		

Project: Connecting neighbours for safer communities (50 new groups in 2019)

Location:	10 Bayview Road, Browns Bay, Auckland		
Summary:	We aim to set up 50 new Neighbourhood Support street groups this year on Auckland's North Shore (approximately 12 in each local board area), connecting approximately 1500 more neighbours. Once connected, neighbours look after and support one another, and regularly receive local crime prevention and emergency response information. Each street group is led by a volunteer street leader, so we leverage community participation in order to expand our reach and attain high impact and good value for money.		
Dates:	01/07/2019 - 30/06/2020	Rain dates:	-
People delivering:	151 (150 volunteers and 1 employee)	People reached:	10,500
% of participants from Local Board	20%		
Promotion:	Via facebook, Neighbourly, our Neighbourhood Support North Shore website, and by speaking at local community events.		

Community benefits

Identified need:

Due to perceptions of safety on the North Shore, residents can be complacent about crime. However, with a population of over 280,000 and with over 32,000 crimes recorded in the Waitemata district per year, there is a high need for the vigilance, support and information offered by Neighbourhood Support. In addition, 40% of North Shore residents were born overseas, with many lacking wide social networks, resulting in feelings of isolation. We are also home to many vulnerable people including the elderly, victims of crime and the economically disadvantaged. Neighbourhood Support introduces a "village feel" to our busy streets, including offering targeted support to senior communities and low-decile neighbourhoods, thereby enabling feelings of inclusion, safety and enhanced wellbeing.

Identified community outcomes:

Neighbourhood Support works to make our homes, streets and communities safer, more caring places in which to live. This project will achieve the following community outcomes: 1) Neighbours feel connected and look after one another; 2) Neighbours feel safer and prepared to respond in the event of an emergency; and 3) Community organisations work together effectively.

Alignment with local board priorities:

Devonport-Takapuna

- our communities celebrate diversity and feel a sense of belonging

We set up and train street leaders who go on to connect their diverse neighbours, establishing a sense of belonging, connection and community on their streets.

Collaborating organisation/individual	Role
North Shore Police	Partners-- sharing local crime information and providing office space
Civil Defense	Sharing emergency response information

Demographics

Māori outcomes:	None identified
Accessible to people with disabilities	Yes - We are an inclusive organisation, setting up groups in senior citizen communities, and encouraging street leader volunteers to include all neighbours in their groups, including those with disabilities. Neighbours with disabilities are supported with access to street meetings and events as required.
Target ethnic groups:	All/everyone
Promoting SmokeFree:	We are happy to distribute Smoke-Free Auckland information in our welcome packs, or to post relevant messaging in our newsletter which reaches 3,500 North Shore households.
Zero waste minimisation	No

%	%	%	%	%	%	100%

Financial information

Amount requested: \$20000.00

Requesting grant for: We are requesting funding to enable the manager to maintain and grow Neighbourhood Support in your area-- specifically we require additional budget to fund for our Manager's hours and operating expenses to enable her to get out and about, engage and recruit street leaders, and support victims of crime.

If part funded, how would you make up the difference:

In the first instance we would seek more grant funding elsewhere, but if that is not possible, we would have to cut all "growth" funding (signage, new member packs, flyers) and possibly cut our Manager's hours back to 20 hours per week, meaning we would focus on maintaining current membership rather than growing.

Cost of participation: No

Total expenditure	Total income	Other grants approved	Applicant contribution

PHAB Association (Auckland) Incorporated

Legal status:	Incorporated Society	Activity focus:	Community
Conflicts of interest:	None identified		

Project: Diversity For All - North Shore

Location:	8 Auburn Street, Takapuna, Hibiscus Coast Youth Centre (Orewa), Whangaparoa, Albany Community Hub, North Shore community		
Summary:	Diversity For All is a project where PHAB will capture the uniqueness of PHAB members through varied and interactive methods with the aim of raising public awareness for the value diversity in all forms. The project will embrace and celebrate what is special about members in an empowering way. Methods for capturing this will include art, storytelling, SpokenWord (highly popular in PHAB), film and photography.		
Dates:	03/06/2019 - 20/12/2019	Rain dates:	-
People delivering:	40	People reached:	820
% of participants from Local Board	35%		
Promotion:	Advertising would happen through social media and the PHAB website. Further advertising will happen through email list and community contacts.		

Community benefits

Identified need:

Feedback from PHAB members demonstrates a clear need to further educate our communities to recognise diversity and to see the important contribution that PHAB members bring to their communities. The project will provide opportunities for meaningful participation and engagement within a variety of community settings for people at risk of exclusion and isolation.

Identified community outcomes:

Community Outcomes for this project include:

1. Communities that embrace diversity, including those with disabilities, fostering a sense of place and belonging for all.
2. Young people and adults with disabilities who recognise their talents and unique contributions and have a tangible way to share this with the wider community.
3. Young people and adults whose voices are heard, who have community events and activities that meet their needs.
4. Young people and adults with greater resilience, who are strengthened and supported to be their own best drivers of success.
5. Families who are strengthened and supported through appropriate social service delivery.

Alignment with local board priorities:

Devonport-Takapuna

- our communities celebrate diversity and feel a sense of belonging

This project strongly aligns with the selected priority of providing opportunities to celebrate diversity and enhance a sense of place, belonging and safety within the local community. PHAB Takapuna are proud to be such an inclusive part of the local community and have fostered significant trust based relationships over many years. PHAB has been honoured to be consulted on numerous times regarding the future development of Takapuna/Devonport and making it the most accessible council board in New Zealand.

PHAB is proud to be incredibly diverse, and this is represented in all forms - from members/families/whanau to staff and governance members. This was demonstrated recently during a SpokenWord poetry workshops where members said:

PHAB Sounds like Yay! Welcome back. Laughing. Friendly. A Place you want to come

PHAB Feels Like: Safe, Happy, Surprise, Being Seen, Loved, Dancing

PHAB Tastes Like: Everybody is Welcome.

Celebrating diversity and providing opportunities for greater community inclusion benefits everyone. Youth and adults with disabilities that are connected and supported enjoy greater resilience, develop independence and have an increase in positive outcomes regarding education, employment, independent living, social opportunities and more able to access further community supports.

When adults and young people are confident and independent families report that they are strengthened with improved interpersonal relationships, benefiting the immediate and wider family/whanau unit.

Collaborating organisation/individual	Role
N/A	

Demographics

Māori outcomes:	<i>Māori focus - tikanga (practises), mātauranga (knowledge), reo (language)</i> There will be a Maori focus to several areas of this project including storytelling/art/weaving from an external facilitator (Auckland Council parks/environment staff member Kuruho).
Accessible to people with disabilities	Yes - All PHAB services are 100% accessible for people with disabilities. All external facilitators are experienced in using multiple techniques to engage participants despite individual needs. PHAB support staff are all trained to support this as well. PHAB are committed to delivering projects that accessible in other ways: Financially, Location wise (services delivered in members' own communities), ease (we work with schools, education providers, families, support staff, residential homes).
Target ethnic groups:	All/everyone

Promoting SmokeFree: All PHAB services are 100% smokefree

Zero waste minimisation None identified

Hearts & Minds NZ Incorporated

Legal status:	Incorporated Society	Activity focus:	Community
Conflicts of interest:	None identified		

Project: Support Services Directory 2019-21 - North Shore, Waitakere and Rodney

Location:	Hearts & Minds Hub, Level 1, 65 Pearn Crescent, Northcote, Auckland 0627		
Summary:	Hearts & Minds will update the Support Services Directory for the North Shore, Waitakere and Rodney communities, ensuring that important support information is easily accessible to diverse populations across the region. All services listed in the directory offer no-cost support, this information will be made available to communities both online and in hardcopy form.		
Dates:	01/05/2019 - 30/09/2019	Rain dates:	-
People delivering:	5	People reached:	50,000
% of participants from Local Board	12.5%		
Promotion:	The Support Services is promoted extensively across the region through community, health, social and education networks. The directory is also promoted on our website, receiving 50,000+ hits per year. Hard copies of the directory are distributed widely across the region.		

Community benefits

Identified need:

Now in its 22nd edition, the Support Services Directory is widely recognised as the only community resource of its kind in our region. Over 50,000 people accessed the directory's information in the past year, with access rates continuing to grow. Feedback from community members and professionals alike remains consistent: the directory is an invaluable tool for supporting, connecting and empowering individuals, family/whanau and communities.

Identified community outcomes:

Communities are informed, resourced and supported to improve individual and family/whanau wellbeing at a local level. Communities are aware of the support in their local area and can exercise greater choice in achieving their wellbeing objectives. The Community Sector is strengthened and promoted through their free listings in a reputable resource that is distributed extensively across the region.

Alignment with local board priorities:

Devonport-Takapuna

- our communities celebrate diversity and feel a sense of belonging

The Support Services Directory contains 400+ listings of free community services, support and activities offered at a local level across 20 categories, including: Migrants & Refugees, Language Support, Children & Young People, Maori, Pacific Island People, Older Adults, Disability and more.

The directory is available at no cost to communities both electronically and in hardcopy form, making an important contribution towards informing, supporting and engaging diverse populations.

Financial information

Amount requested: **\$3000.00**

Requesting grant for: Hearts & Minds is requesting a small contribution from each of the Local Boards who feature in the 'Local Board Promotion' page of the directory (please see attached - separate full-colour page) towards to costs of updating and publishing the directory. The total cost of production is approx. \$50,000 - we receive funding from the Waitemata District Health Board and the Kaipatiki Local Board towards the directory (\$30,000 combined) and are requesting a contribution from the Local Boards operating in the North Shore, Rodney and Waitakere areas to meet the cost of publication.

If part funded, how would you make up the difference:

If we do not receive the full funding requested from each Local Board, we will necessarily have to reduce the level of distribution in those Local Board Areas.

Cost of participation: no

Summary:	<p>Our team will visit the 38 clubs to install energy efficient light bulbs, fridge timers, hot water cylinder and pipe insulation, water-saving devices and a waste minimisation programme. Our Sustainability Adviser assesses the buildings looking for efficiency opportunities beyond the immediate changes we make, ie. heating, ventilation, and appliance efficiency. These ideas are then turned into an Efficiency Action Plan, which sets out a list of specific actions the club could take to further reduce its environmental impact and running costs. We also reach out to club members by installing posters and light switch stickers to inspire members to take the same positive actions at home. We offer support and advice to clubs on an ongoing basis.</p>

Focus specific:	Environmental benefits: Less pressure upon national electricity, water and landfills systems; reduced carbon dioxide emissions from electricity generation; reduced methane emissions from compostable waste; decreasing consumption of heavy impact materials and non-reusable/recyclable packaging; improved reuse of materials. The environmental benefits are first realised at the implemented clubs and then at club members' homes in the wider community as members are encouraged to adopt sustainable practices, as seen at their club.		
Dates:	01/06/2019 - 31/12/2019	Rain dates:	-
People delivering:	17000	People reached:	17000
% of participants from Local Board	11%		
Promotion:	we work closely with the local sports organisations and national sports organisations to promote the programme to eligible community sports clubs.		

Community benefits

Identified need:

The demand for LiteClub is huge: 137 clubs registered and are waiting for our service, including 19 of the 38 nominated clubs in this application. Community sports clubs are facing difficult financial times. Many are experiencing membership decline, decreasing profits from bar facilities, and club operating costs are rising. Leading scientists conclude that we're depleting Earth's resources faster than nature is able to replenish them. LiteClub is measuring genuine impact reductions by reducing electricity consumption and emissions from waste sent to landfills.

Identified community outcomes:

By implementing the 38 community sports clubs across the Henderson-Massey, Howick, Hibiscus & Bays, Devonport-Takapuna, Albert Eden, Orakei, Papakura, Upper Harbour, Waitakere Ranges, Whau and Franklin Local Board areas approximately 17,000 club officials and club members will be exposed to our messages. We believe these people and their clubs will benefit in terms of: Improved infrastructure for community sport; reduced electricity, water and waste disposal costs for clubs; improved human health and safety; improved aesthetics and functionality; enhanced 'feel good' via Litefoot Ambassadors inspiring change; enhanced cultural awareness of sustainability issues; increased awareness and uptake of electricity, water and waste minimisation practices.

Alignment with local board priorities:

Devonport-Takapuna

- support for our sports clubs and recreation facilities
- LiteClub helps reduce overhead costs of community sport facilities, enabling clubs to spend more on sports, thereby lowering barriers to participation, encouraging an active and healthy lifestyle; LiteClub physically improves clubroom facilities - they are warmer, dryer, healthier and safer places for communities to gather as well as being more efficient.
- LiteClub's Waste Minimisation Programme helps clubs capture recyclables and reduce the amount of waste sent to landfill; members are educated on environmental and financial benefits of good recycling practices.

- LiteClub identifies larger efficiency opportunities and supports clubs in future-proofing their club rooms, while further reducing sport's impact on the environment.

Financial information

Amount requested:	\$31591.00
Requesting grant for:	So far, we have secured \$72,712 towards the general costs of the implementation from Auckland Council's RENH grant, New Zealand Community Trust, The Trust's Million Dollar Mission, and donated materials by a variety of suppliers. In this application we request that the respective Local Boards consider funding a contribution towards the overall costs of the project. The costs include salaries, materials installed at the club, administration costs, travel costs, and promotion.

If part funded, how would you make up the difference:

If we cannot raise the full amount that we require to implement 38 clubs into our LiteClub programme, then we will reduce the number of clubs we visit based on the amount of funding that we are able to raise. Each club implementations costs \$3,515.

Cost of participation: Our service is completely free for community sports clubs.

Environmental Education for Resource Sustainability Trust

Legal status:	Charitable Trust	Activity focus:	Environment
Conflicts of interest:	None identified		

Project: Paper4trees

Location:	Auckland schools and preschools		
Summary:	Paper4trees is a waste minimisation and tree planting programme for schools and preschools. We provide the schools and preschools with 30 litre recycling bins to help encourage recycling within the classroom. As an incentive to recycle all of the paper and cardboard they generate, we reward them with one native plant for every two cubic metres of paper and cardboard they recycle.		
Focus specific:	Environmental benefits: Paper and cardboard is diverted from landfill, landfill space is saved, carbon dioxide is reduced in landfill, native trees are planted. Sustainable habits instilled in youth therefore benefitting the environment now and in the future.		
Dates:	22/07/2019 - 31/12/2019	Rain dates:	-
People delivering:	3	People reached:	260000
% of participants from Local Board	1%		
Promotion:	We will send out a press release to the local paper around tree planting time (September).		

Community benefits

Identified need:

Prior to the implementation of the Paper4trees programme, schools and preschools were sending paper and cardboard to landfill because they didn't have the infrastructure required to recycle in the classroom. Waste audits in schools have shown that approx 70% of schools waste is paper and cardboard, which is a lot of resource to be sending to landfill. The Paper4trees programme was developed to provide that infrastructure, and also provide an incentive to report in how much paper and cardboard they are recycling and therefore diverting from landfill.

Identified community outcomes:

- Students and staff take home the recycling message and set up similar systems within their own homes.
- Some schools donate their plants to local community restoration projects for the whole community to enjoy and benefit from.
- Local businesses, nurseries, transfer stations, and recycling contractors also benefit as they are receiving business.
- More native trees are being planted throughout local communities, which attract birds and beautify spaces etc.

- Recycling preserves local landfill space and reduces carbon dioxide in landfill. Recycling is also turned into a valuable resource, which prevents natural resources from being depleted.

Alignment with local board priorities:

Devonport-Takapuna

- activities that protect and enhance our natural environment

Paper4trees is a waste minimisation and tree planting programme for schools and preschools. Students are taught to separate

their paper and cardboard within the classroom for recycling as we provide them with classroom recycling bins to help them do so. By recycling, these schools and preschools are reducing the amount of waste that is being sent to landfill. We then we reward them with native trees to plant on their grounds for their efforts which helps protect the local environment.

Collaborating organisation/individual	Role
Te Whangai Trust	Providing native plants to the schools at a good rate. We also support their objectives by working with them.

Demographics

Māori outcomes:	None identified
Accessible to people with disabilities	Yes - The programme is accessible to all students within schools and preschools signed up to Paper4trees.
Target ethnic groups:	All/everyone
Promoting SmokeFree:	None identified
Zero waste minimisation	Yes, our programme is centred around waste minimisation. Schools can't avoid using paper and cardboard so we encourage them to divert it from landfill. We also encourage them to record their paper consumption so they can monitor their usage and aim to reduce this amount where they can.

%	%	%	%	%	%	100%

Financial information

Amount requested: **\$40881.00**

Requesting grant for: The purchase and delivery of 7,433 native trees to Devonport-Takapuna, Hibiscus and Bays, Kaipatiki, Manurewa, Albert-Eden, Maungakiekie-Tamaki, Otara-Papatoetoe, Papakura, Upper Harbour, Waiheke, and Franklin schools and preschools participating in the Paper4trees programme. Also, to replace 825 classroom recycling bins in these schools and preschools.

If part funded, how would you make up the difference:

If we could at least get funding to send out native trees that would be great. If need be, we can apply to other funders or local business to help with funding the bins. It is preferred to have less sponsors and funders to maximise exposure for your organisation, which is why we have applied for both parts.

Cost of participation: The programme is free for schools and preschools

Harbour Sport Trust

Legal status:	Charitable Trust	Activity focus:	Events, Sport and recreation
Conflicts of interest:	None identified		

Project: Mud Monster Mud Rush

Location:	Massey University, Albany		
Summary:	The goal of the Mud Monster Mud Rush is to promote a healthy active lifestyle for children and families with a strong focus on community engagement and unity amongst neighbours. The event provides an opportunity for participants to let loose and have fun while engaging in physical activity together without the pressure of competition. The 2.5km muddy obstacle course features 15+ obstacles and encourages participation and physical activity amongst all demographics and age groups.		
Dates:	06/09/2019 - 08/09/2019	Rain dates:	06/09/2019 - 08/09/2019
People delivering:	60	People reached:	2500
% of participants from Local Board	16%		
Promotion:	<ul style="list-style-type: none"> - Community Awareness Billboards in schools - Flyers and posters distributed around the shore - School assemblies delivered and sports clubs visited with mascot Muddy the Mud Monster - Radio ads on "The Hits" - Social media promotion on Facebook, Twitter, Instagram - Northshore Times Ads 		

Community benefits

Identified need:

There is a lack of activities for families and youth to participate in together, especially ones that encourage physical activity. With the outstanding and growing response in the 6 years the event has been running, there is clearly interest and a need for this type of outlet in the community. It is a chance for participants to enjoy themselves and tackle a challenge together, building community unity.

Identified community outcomes:

The Mud Rush will bring over 2,500 people from different boards and cultures across Auckland to the North Shore. The goal is to continue the trend of increasing participant numbers each year the event runs and reach more members of the community. The community benefits include community engagement and making events for families and children to take part in together available and accessible. Another outcome is to introduce those who do not regularly take part in physical activity to do so at the event without the pressure of competition.

Alignment with local board priorities:

Devonport-Takapuna

- our communities celebrate diversity and feel a sense of belonging

Harbour Sport is a local community organisation that delivers quality programs and events that promote community engagement and participation. The Mud Monster Mud Rush connects people to their neighbourhood and community to encourage place-making and involvement of all. Anyone who has made this community their home is welcome to take part, and the beauty of the event is there is no competitive aspect so anyone can take part in some good old fashioned dirty fun. With community-based involvement at its core, this event capitalises on the local community's assets, inspiration, and potential, and it results in the creation of a unique annual event that contributes to people's health, happiness, and integration through active recreation.

North Harbour Hockey Association

Legal status:	Incorporated Society	Activity focus:	Sport and recreation
Conflicts of interest:	None identified		

Project: Fun Sticks

Location:	Orewa College, Millwater Hockey Turf, Takapuna Grammar, Beach Haven Leisure Centre		
Summary:	<p>Fun Sticks is our grass roots hockey programme that is designed to give interested and keen kids a chance to have a go at hockey. It is aimed at pre-primary grade players and new entrants.</p> <p>Year 1, 2 & 3 (ages 5 – 7)</p> <p>Have fun, play, learn, explore and make new friends!!</p> <p>The programme runs during Term 2 & 3. Registrations are now open, see below.</p> <p>Develop basic hockey skills and create an understanding of the game Build essential motor and fundamental movement skills Skill based activities and small-sided games Highly engaging environment that keeps players active and involved throughout the programme</p>		
Dates:	18/05/2019 - 31/08/2019	Rain dates:	-
People delivering:	11	People reached:	52
% of participants from Local Board	95%		
Promotion:	<p>All funsticks programmes are advertised on www.harbourhockey.org.nz and our facebook page.</p> <p>We also use some paid advertising targeted to these areas on Facebook to increase the reach.</p> <p>Additionally all local schools are asked to promote the funsticks programme and we also reach out to previous participants.</p>		

Community benefits

Identified need:

- North Harbour Hockey have looked at Competition numbers for these areas due to the following:
- Team entry numbers from these areas are lower compared to other areas
 - An opportunity to promote sport to youth in this area so that when kids get to year 3 at school they are happy to give hockey a go.

- These areas are further away from our home hub venue where other development opportunities occur so we are trying to provide a local opportunity to meet the needs of the community
- A local opportunity helps us keep the price point lower for these areas while they explore the sport
- The local venue reduces the time commitment required for parents and therefore ease of transport

Identified community outcomes:

Localized Fun Sticks will provide an opportunity for young people to participate in a healthy physical activity. Fun Sticks also develops fundamental movement skills that are essential for long term participation in sport and recreation.

Harbour Hockey believes that by providing young people a positive experience at a young age they will transition into local & existing hockey competitions after participating in Fun Sticks.

As Fun Sticks is about community development Harbour Hockey will be training more coaches and volunteers.

Alignment with local board priorities:

Devonport-Takapuna

- support for our sports clubs and recreation facilities
- Fun Sticks is a Youth Introduction to hockey programme aimed at kids aged 4-7 years, parents are encouraged to participate. This programme is available for all genders and ethnicity.
- The Devonport Fun Sticks Programme is designed to teach hockey to youth and therefore encourages active recreation, it is targeted at the local community with local coaches and co-ordinators.
- The programme allows youth to explore a new sport learning fundamental movement patterns in a safe and protected environment. The use of a satellite venue (Takapuna Grammar School) allowed us to provide this opportunity in any open space (outdoor tennis courts) and made this programme easily accessible for the youth and their parents.
- Coaches are either secondary school or university students this helps create ties between young adults and youth in this area will over time allow increased capability in this area. Some of these coaches may end up coaching youth teams that Fun Sticks programme participants end up playing in.
- Kids that participate in the Fun Stick programme and have a positive experience are likely to tell their friend at their local schools increasing the chances of growth of Hockey at the Primary School Level

Community benefits

Identified need:

Evidence demonstrates that crime is most often experienced by those who are in some way already marginalised and are also at the highest risk of repeat victimisation. It's widely accepted that victims of crime who are not provided adequate support in the immediate

aftermath, are at greater risk of experiencing post-traumatic stress disorder, depression and repeat victimisation. Figures show (NZ Crime and Safety Survey 2013) that 4 out of 10 New Zealanders will experience some form of crime in a given year. This demonstrates a pressing need to ensure adequate support is provided. People who receive adequate support and information are more likely to remain positively connected with family and local community and are better placed to re-build their lives.

Identified community outcomes:

Fatal accidents, suicide, sexual attacks, and other serious crime can all turn people's lives upside down, disrupt families and careers, and leave people battling through a justice system which can feel bureaucratic and indifferent at a time when compassion is needed most.

Our Volunteers provide quality practical and emotional support 24/7, 365 days a year, to help people cope through trauma and participate fully and fairly in the justice system.

Our service means:

- Victims have access to free, in-home emotional support after trauma
- Victims have access to practical support and advice to confront the many challenges and processes which happen after a serious incident.
- The justice system is fairer and more accessible to victims, they have independent support to deal with Police and the Courts, and they are supported to find strength to participate.
- Community services are more accessible, we refer victims to a wide range of government and non-government agencies.
- The long term social costs of harm are reduced – our work helps to identify and address risks of poor mental health and repeat harm, violence, and loss.

We're a vital community service. We help people to get through the most challenging times of their lives.

Alignment with local board priorities:

Devonport-Takapuna

- our communities celebrate diversity and feel a sense of belonging

By putting the right support in place, and ensuring families have access to support, we help victims to manage the impacts of a crime or loss. This helps them to retain their livelihoods, jobs, and connections to the whole community. Such connections give everyone a sense of belonging.

Victim Support's volunteers are critical to our service. They are men and women of different ages, cultures and socio-economic backgrounds who come together in our local communities to give back to those who need their help to get through some of the worst times of their lives.

Involvement of diverse communities in our programmes also enables new communities to build connection, trust, and understanding about the New Zealand justice system and ensure those with additional needs for support and advice have access to it.

Tuileapa Youth Mentoring Service

Legal status:	Charitable Trust	Activity focus:	Community
Conflicts of interest:	None identified		

Project: Youth Mentoring; breaking the cycle of disengagement for Pasifika/Māori youth.

Location:	across Auckland		
Summary:	We want young people feel a sense of pride and belonging in our communities, living their full potential. We do this through supporting young males at risk of exclusion from school. TYMS wants the young people we work with to become strong, empowered, confident and passionate learners, who have good, positive relationships with their peers and adults (including teachers, family and wider community). Developing strong trusting mentoring relationships with the boys in our service is vital and often achieved through engaging in activities they do not have the opportunity to participate in. These young men have a high rate of completion of our programmes, due to the sense of belonging that is developed.		
Dates:	01/06/2019 - 31/05/2020	Rain dates:	-

% of participants from Local Board	25%		
Promotion:	<p>Many of our clients come to us through referral from schools and agencies that are already aware of our service. A few come from referral by their family, but all have to want to engage with us.</p> <p>If we can successfully increase our mentor funding we will be actively promoting the service at community notices and events, via facebook, with schools and posters in the community</p>		

Community benefits

Identified need:

The need for this project was established when the need for culturally appropriate support for Pasific communities was identified. Holistic models of engaging boys at risk of disengagement from education were not widely available or research based. Rather than waiting for the problem to be fixed after someone has been excluded from school we aim to intervene at a point where they may still be able to remain at school or move to another one more smoothly. Equally, the education system does not fit everyone and we aim to ensure that these boys move on to other suitable training or employment if appropriate. Statistics still show Māori and Pacific students in Auckland as having the lowest achievements in education
<http://www.cometauckland.org.nz/wawcs0162148/Snapshots.html> .

Identified community outcomes:

We expect that the community outcomes of our project are that young people:-
 have greater confidence and self esteem.

are positively engaged in their education pathway.
 are more active.
 have a positive influence on their family and peers.
 are more involved in their community, improving the overall well-being of the area.

Alignment with local board priorities:

Devonport-Takapuna

- our communities celebrate diversity and feel a sense of belonging

The common perception of the Devonport Takapuna community would suggest that there are few to no Māori or Pasifika in the area. However, the more we celebrate our community diversity, the more our minority communities will feel a sense of belonging. One way this is achieved is when our young people feel a sense of pride in where they live and that it is a place they belong, they engage in positively contributing to their family, peers, school and community; living their best potential.

Demographics

Māori outcomes:	<i>Māori focus - tikanga (practises), mātauranga (knowledge), reo (language)</i> We provide our Māori youth with a holistic model that references Māoritanga that better caters to young Māori people's needs. We are developing a youth advisory group in 2019 that will be made up of both Pasifika and Māori youth to feed into our practice and governance.
Accessible to people with disabilities	Yes - No person is excluded from our services on the basis of any disability. We will work with them to ensure that appropriate spaces are available and accessible to them should they be needed.
Target ethnic groups:	Specific ethnic group Māori, Pacific Peoples
Promoting SmokeFree:	All of our work promotes the benefits of being smoke, alcohol and drug free.

Financial information

Amount requested: **\$40000.00**

Requesting grant for: We are requesting funding for a contribution towards mentor salaries across the region as identified. These grassroots roles are the most vital within our organisation in supporting youth at risk of disengaging with their education or employment pathway.

If part funded, how would you make up the difference:

We would have to look at either increasing funding requests from other funders or reducing the available service.

Cost of participation: There is no cost involved to the client for the mentoring service.

Total expenditure	Total income	Other grants approved	Applicant contribution
\$310,850	\$0	\$155,000	\$15,542
