Counties Manukau Sport

Inspiring lives through sport

Manurewa Local Board
2019
• 2018 — Kiwisport (via CLM/ Aktive) funded CM Sport and Manurewa Principals Group $50000 for delivery to 26 Manurewa Schools. ($1800 each for a full years work!)  
• Participating schools were asked to contribute $2000 plus GST to ensure the project went ahead  
• (DIA funded CM Sport part time Primary Sport Advisor) to lead and manage the program, coordinate schools and coaches and report on the delivery.  
• Only 15 of the 26 Manurewa schools were willing to participate under the new funding requirement.  
• CM Sport Pedal Power (2017-2018 ) 2 Manurewa schools, part funded by Kiwisport  
• Weetbix Tryathlon 2018 cost of entries covered by funding raised through CMSport $21400, plus loan of 130 bike and helmets.  
• A total 22 Manurewa schools were offered free entries to the 2018 Weet-Bix TRYathlon. The number of entries offered was based on the number of entries the school received in 2017. We decided to approach four new schools to see if they would be interested in participating in the 2018 TRYathlon. Of the four schools we approached two schools accepted the offer. For various reasons seven schools out of the 22 schools that were offered entries could not participate. These ranged from clashes with other events to running out of time to organise students and entry information.  
• Bikes and Helmets  
• Schools participating in the 2015, 2016 and 2017 Weet-Bix Tryathlon received free bikes and helmets which were funded through The Trusts Communities Foundation. As a result not owning a bicycle was no longer a barrier to participating in the Weet-Bix TRY. As most of these bikes (including CMSport fleet bikes) were still available to be used for the 2018 event there was a total of 130 bikes loaned out to schools who received the free registrations with a further 40 bikes loaned to other schools in the wider South Auckland area. This was all coordinated by the Bike coordinator at Counties Manukau sport, prior to event.  
• Outcome  
• Overall thirteen schools from the Manurewa area received free entries to the Weet-Bix Kids Tryathlon event in 2018.  
• The free entries enabled 535 Manurewa students aged between 7 and 14 years to participate in the event. The extra 35 entries were funded by the Weetbix Tryathlon Foundation  
• 2019 — Kiwisport CM Sport applied for $162000 targeting 60 schools region wide. Received $66920 for the whole region, and delivery restricted to Fundamental Movement Skills Year 1-4 students,  
• Offered to 6 Manurewa Schools (2 x 5 week modules of coaching)  
• 2019 CMSport Primary Sport Programme  
• Schools contribute $1000 plus GST, one third of direct coach delivery costs for 4 x 5 week modules of coaching Years 1-8. Ten Manurewa Schools have joined this programme which is funded by CM Sport / and PYPD funding partnership. ($3200 delivery cost per school, plus CMSport Advisor costs)  
• BLENNZ delivery – one day per week delivering FMS and Physical Activity Support ($12000 pa )  
• 2019- Pedal power Kiwisport funded $84000 for 2 years delivery CM region wide 220 schools
