

## **Board Member Report – David Holm**

**1 to 31 May 2019.**

---

### **Board Workshops and Meetings Attended**

1 May            Attended Community Forum – Main topic pest plants.  
2 May            Attended Board Workshop.  
9 May            Attended Board Workshop.  
16 May           Attended Board Business Meeting.  
23 May           Attended Board Workshop.  
30 May           Attended Board Workshop.

### **Transport Meetings and Issues**

8 May            Infrastructure and Heritage Cluster Meeting. Covered footpath safety and streetscapes.  
30 May           Meeting with Board Adviser following up on footpath safety resolution.

In response to my question at the May business meeting about decisions on localities for which ride-share e-scooters would be speed restricted to 15 kilometres per hour, I am advised that the proposals as to where this would apply were made by staff under operational delegations not by elected members.

### **Environmental Meetings and Issues**

13 May           Manukau Harbour Forum Workshop and Business Meeting.

### **Other Meetings/ Functions**

3 May            Observed part of Pop Up Business School promoted by ATEED.  
18 May           Friends of Wairaki Creek weeding working bee.  
18 May           Annual General Meeting Mt. Roskill Community Patrol with Chair Doig.  
22 May           Drop in session : Draft Strategy for an Ageing Population.

### **Other organisations**

14 May           Roskill Together Board meeting.

**Declaration of interest** I am Treasurer of Roskill Together.

### **Recommendation**

That the Puketapapa Local Board:-  
receive the report from Member Holm.
