

**Albert-Eden Local Board
Reports Requested/Pending**

September 2016

Date of resolution	Report Name/Issue	Resolution	Notes
4 November 2015	Resolution number AE/2015/135 Auckland Transport (AT) Quarterly Update to Local Boards	b) requests Auckland Transport to investigate and report back to the Board regarding pedestrian safety on St Lukes Road between Morningside Drive and New North Road, including the intersection of Taylors Road.	- The board's AT Elected Member Relationship Manager has provided a response in the 'AT Report, Albert-Eden Local Board, September 2016' report.
2 December 2015	Resolution number AE/2015/152 Auckland Transport Update - December 2015	d) requests Auckland Transport to; iii) to monitor the effects of implementation of the Mt Eden Residential Parking Zone on the area and in neighbouring streets and to report the results of this monitoring to the Board in a timely manner.	- The board's AT Elected Member Relationship Manager has reported that the letters outlining the next stage in implementation are being sent out to all residents. Applications for permits opened on 22 July 2016. An update on this will be provided in the AT Sept. report.
2 March 2016	Resolution number AE/2016/32 Auckland Transport Update – March 2016	c) Requests that Auckland Transport proceeds to detailed design and provides a Firm Estimate of Cost for the walkway lighting in Anderson Park.	- The board's AT Elected Member Relationship Manager has provided a response in the 'AT Report, Albert-Eden Local Board, September 2016' report. - The board's AT Elected Member Relationship Manager has advised that a Firm Estimate of Cost is being prepared by council's Parks department.
6 April 2016	Resolution number AE/2016/49 Auckland Transport Update – April 2016	b) Requests that Auckland Transport provide a Rough Order of Cost for constructing the greenway and bridge in Chamberlain Park.	- The board's AT Elected Member Relationship Manager has reported that the rough order of cost for two options have been prepared for the board and presented to the Transport portfolio leads. Noting the costs this is unlikely to progress in this electoral term.
1 June 2016	Resolution number AE/2016/92 Auckland Transport Update - June 2016	b) Requests that Auckland Transport proceed to a firm estimate of cost for traffic calming measures on Cricket Avenue.	- The resolutions were sent to the board's AT Elected Member Relationship Manager, via action memo following the June business meeting, for action as appropriate.

Date of resolution	Report Name/Issue	Resolution	Notes
