Walking and Cycling	Carrington Road	<p>Auckland Transport (AT) is seeking feedback on a proposal to provide a new footpath in your community.</p> <p><b>What are the proposed changes?</b></p> <p>AT is proposing a new footpath connecting to the bus stop in front of the Gladstone Primary School, on Carrington Road. The footpath will be light grey coloured concrete and 1.8 metres in width. Additional improvements could include dropped kerbs to assist pedestrians, new kerb lines at the road edge and new storm water drains. AT will also upgrade existing street lighting, or install new street lighting near the proposed footpath.</p>	Circulated 9 August 2016	Supported GE and TW (16 August 2016)
