<b>Auckland Council and/or Local Board Priority</b>	<b>Performance Measure</b>	<b>Target</b>	<b>Achievements</b>
<b>Auckland Plan – Strategic Direction 1</b>			
<i>Create a strong, inclusive and equitable society that provides opportunity for all Aucklanders</i>			
<b>Priority Area One –</b> <i>Put victim survivors of domestic violence safety needs first</i>	Support children, youth and families with the provision of family violence intervention services. This includes casework management and legal support	The Shakti drop in centre will be a safe place for children, youth and women to access our support services	Annual Report
<b>Priority Area Two –</b> <i>Empowerment of Women</i>	Empower women to lead their lives with reduced dependency on others	Referrals to Programmes offered to the community through our education and training arm in Henderson	Annual Report
<b>Priority Area Three –</b> <i>Awareness and Prevention of Family Violence</i>	Support youth and women with family violence prevention/awareness services. This includes, counselling and home safety programs	The Shakti drop in centre will be a safe place for youth and women to access our support services	Annual Report
<b>Local Board Plan</b> <i>Programs that enable agencies to work together to ensure well-being of the community</i>	Work alongside other community organisations such as the local CAB, Police and DHB to increase awareness and cultural understanding about family violence and the unique cultural dynamics faced by our clients	Hold regular workshops, presentations and training sessions with local allied agencies to strengthen community awareness and capability to identify and address family violence in ethnic migrant and refugee communities	Annual Report
