**37A KIWI ESPLANADE, MANGERE BRIDGE**

At our meeting on 1<sup>st</sup> December last year you advised that you would provide feedback from your workshop as to whether an amendment to our submission was required to indicate that the preferred option following our meeting was to purchase the land rather than lease the land.

The writer will be overseas from 10<sup>th</sup> February to 27<sup>th</sup> February inclusive. If an amendment to the submission is required could you please advise urgently so we can lodge this with you prior to the writer's last day at work on Thursday next week.

Yours faithfully
