

## Thames-Coromandel District Council

*Hauraki Gulf Forum  
Strategic Issue*

### **Coastal Management Strategy Engagement Document**

On 8 August 2017 Council approved a Coastal Management Strategy Engagement Document. The development of a coastal management strategy will inform the development of the Long Term Plan, other planning and strategic documents, and how Council advocates for (eg to Waikato Regional Council and government) and funds coastal management practices into the future. Council will be seeking community feedback in October 2017 which will include a number of workshops around the peninsula. Council will also be concurrently seeking feedback on a proposed Coastal Hazards Policy.

See Thames–Coromandel District Council and Hauraki District Council Mangrove Management Bill above.
