**Puketapapa  
Local Board Plans  
2017-2020  
Event Feedback**

---

No of Attendees	Event
2	Monday, 12th June 2017 - PKTPPLB HYSE - Mt Roskill War Memorial Hall (6pm-7.30pm)
Topic	Comment
Q1 On a scale of one to five, are we on the right track with our proposed local board plan	support all different communities coming together
Q2 Select the outcomes that you think are the most important for the local board to focus on (please select up to 3)	Support the development of any accessible parks network - it's a top priority in the parks area
Q2 Select the outcomes that you think are the most important for the local board to focus on (please select up to 3)	Support the Open Space Network Plan initiative
Q2 Select the outcomes that you think are the most important for the local board to focus on (please select up to 3)	The coastal area is very important to Puketapapa
Q2 Select the outcomes that you think are the most important for the local board to focus on (please select up to 3)	Look at Owairaka Ave development as a good model for improving the use of open space - especially in Lynfield
Q2 Select the outcomes that you think are the most important for the local board to focus on (please select up to 3)	Manukau Reserve is great for quiet sitting/sunsets etc
Q2 Select the outcomes that you think are the most important for the local board to focus on (please select up to 3)	Waikowhai Park is really good even though the landfill needs remediating
Q2 Select the outcomes that you think are the most important for the local board to focus on (please select up to 3)	The parks in Lynfield could be used more
Q2 Select the outcomes that you think are the most important for the local board to focus on (please select up to 3)	All the environment objectives/initiatives look good
Q2 Select the outcomes that you think are the most important for the local board to focus on (please select up to 3)	overhead walkways across motorways are fantastic
Q2 Select the outcomes that you think are the most important for the local board to focus on (please select up to 3)	oakley creek is looking good
Q2 Select the outcomes that you think are the most important for the local board to focus on (please select up to 3)	land intensification can overshadow natural environment
Q2 Select the outcomes that you think are the most important for the local board to focus on (please select up to 3)	Business sponsored notice boards would be good, especially on bus routes (so it relates to a particular community)
Q2 Select the outcomes that you think are the most important for the local board to focus on (please select up to 3)	the Cultural food festival was great - almost every nationality was there
Q2 Select the outcomes that you think are the most important for the local board to focus on (please select up to 3)	Full marks for the Wesley/Underwood training project
Q2 Select the outcomes that you think are the most important for the local board to focus on (please select up to 3)	Blockhouse Bay has a good business assoc (the Beacon)
Q2 Select the outcomes that you think are the most important for the local board to focus on (please select up to 3)	Oakley creek work is safe for children - good work
Q2 Select the outcomes that you think are the most important for the local board to focus on (please select up to 3)	I think Mt Roskill is a safe area - I feel safe here
Q2 Select the outcomes that you think are the most important for the local board to focus on (please select up to 3)	No problem with dogs - no major issues
Q2 Select the outcomes that you think are the most important for the local board to focus on (please select up to 3)	Societies are anxious these days. Can we help people to talk about this and not be frightened. How can we respect strangers?
Q2 Select the outcomes that you think are the most important for the local board to focus on (please select up to 3)	The number 1 objective is neighbourly connectedness - because it increases safety
Q2 Select the outcomes that you think are the most important for the local board to focus on (please select up to 3)	I like older communities that are different ethnicities, have their own character (don't want to lose this)
Q2 Select the outcomes that you think are the most important for the local board to focus on (please select up to 3)	Important to have connected communities where people know each other
Q2 Select the outcomes that you think are the most important for the local board to focus on (please select up to 3)	I like the diversity of suburbs -esp the architecture and the people
Q2 Select the outcomes that you think are the most important for the local board to focus on (please select up to 3)	The number 1 priority is connected communities, number 2 is Town Centres, number 3 is Healthy homes
Q2 Select the outcomes that you think are the most important for the local board to focus on (please select up to 3)	Agree town centres need an upgrade - mainly Mt Roskill, Lynfield is not too bad.
Q2 Select the outcomes that you think are the most important for the local board to focus on (please select up to 3)	ensuring Auckland is still pleasant with intensification - parks need breathing space
Q2 Select the outcomes that you think are the most important for the local board to focus on (please select up to 3)	like the focus on decreasing rush hour congestion to CBD in your outcome
Q2 Select the outcomes that you think are the most important for the local board to focus on (please select up to 3)	accessibility of footpaths is very important
Q4 Do you think we have missed anything in the proposed local board plan	community signboards re events would be good
Q4 Do you think we have missed anything in the proposed local board plan	wayfinding signage is needed between suburbs
Q4 Do you think we have missed anything in the proposed local board plan	support little car parking spaces
Q4 Do you think we have missed anything in the proposed local board plan	are mobility parks in the right place ? (?survey needed)
Q4 Do you think we have missed anything in the proposed local board plan	focus on interconnections in the network - provide wayfinding signage
