- initiatives must not have already taken place before the board has the opportunity to consider the application (unless the board accepts there are genuine mitigating circumstances).
- activities of debt repayment and promoting particular political goals are ineligible for funding
- schools and churches will only be funded if there is a significant community benefit.

- applicants must not have outstanding accountability obligations from previous council grants
- legal costs, salaries and wages are deemed to be a low priority for funding.

### **Obligations if you receive funding**

In order to ensure that the Upper Harbour Local Board grant achieves positive results, recipients will be obligated to provide evidence that the assistance has been used for the agreed purpose and the stated outcomes have been achieved. Obligations will be outlined in a funding agreement that the applicant will be required to enter into.

The following accountability measures are required:

- The completion and submission of accountability forms (including receipts), proving that grants have been used for the right purpose.
- Any grant money that is unspent and not used for the project must be returned to the Upper Harbour Local Board.
- Recognition of the Upper Harbour Local Board's support of your initiative (e.g. using the Upper Harbour Local Board logo on promotional material).
