Via email

Dear Brandon, John and David

Further to our letter sent to you dated 09 October 2017, and email dated 24th May 2017. I can confirm the following:

- NZTA confirms that the surface installed at the proposed BMX site will be *Sic Surface*;
- NZTA agrees to adjust the physical works programme to reduce construction impacts (noise, dust etc) during the International Tennis Federation Wheelchair tournament (22nd – 25th January 2018);
- NZTA will continue to include tennis as a key stakeholder in the BMX track build phase (health and safety, access through tennis site, communication of project milestones to site users);
- NZTA confirms that a new road access from Oteha Valley Road to the existing tennis carpark will be constructed over the southern part of the BMX site;
- NZTA confirms that it will construct the northern carpark to a sealed standard;
- NZTA confirms that up to \$2500.00 (exc. GST) for legal fees will be funded. The legal work and resulting invoice is to undertaken by a reputable law firm.

Kind regards

Tracy Talbot
Project Manager
