INTRODUCTION

Regional Facilities Auckland (RFA) presents exciting, engaging, and accessible experiences to those who live in and visit our city. We are a council-controlled organisation charged with delivering exciting and creative event programming, high-quality venues and facilities and exhibition of collections and wildlife.

This Statement of Intent represents the objectives, nature, and scope of activities undertaken and the performance metrics by which we are measured. It takes into account Auckland Council's expectations as noted in the Mayor's Letter of Expectations, revised CCO Accountability Policy and refreshed Auckland Plan.

Supporting this is our Strategic Plan, which will enable us to further the work of building a single organisation with six brands that deliver exceptional customer/visitor experiences, grow our commercial revenue base, maintain our assets, develop our people, create future opportunities and address challenges facing the business.

The priorities for 2018-2021 are:

ENHANCE CUSTOMER EXPERIENCES

With over four million customers, visitors and fans to our venues every year, our customer experience initiatives are focused on delivering a better experience at all touchpoints of the customer journey. The expected outcomes of increased visitor satisfaction and visitation to our venues and events will help maximise commercial returns.

OPTIMISE SECTOR NETWORKS

The industry sectors we operate in – performing arts, culture & heritage, natural environment, sports and leisure – contribute to Auckland's social, cultural and environmental wellbeing. Continuing to identify and leverage the strengths in these sectors and across the Council group will allow us to deliver greater opportunities for our customers, Maori and better returns and efficiencies for RFA and the community.

INVEST IN OUR VENUES AND SERVICES

RFA is the trusted steward of assets with a combined value of \$1.3 billion. The renewal of these assets and strategic redevelopment of the zoo's infrastructure, Aotea Centre and the stadiums network is central to our vision to providing Aucklanders with fit-for-purpose venues and creating economic growth.

IMPROVE ORGANISATIONAL SUSTAINABILITY

The improved integration of our operations will contribute to efficiencies resulting in a more secure and viable future for RFA. We will progress the mayoral priority to generate sustainable long-term revenue growth through exploring strategic investment beyond 2020.

We will work with Auckland Council to secure sustainable long-term funding for operational and capital needs, including investment into Gallery's operations to ensure it continues the delivery of high-quality services, meeting increasing health and safety legislative requirements, and advancing visitor security initiatives

The main challenges facing our business are:

1. Auckland growth
 - Increasing population and demands on infrastructure
 - Population diversification and inequality
 - Increased funding pressures
2. Aging infrastructure and legacy underinvestment
 - Increasing costs to operate
 - Poor asset and network performance
 - Compromised customer experiences
3. Multiple mature businesses / brands becoming 'one' organisation
 - Segregated operating models
 - Integration of new businesses and venues
 - Underinvestment in sustainable revenue growth
4. Increased competition in a highly volatile market
 - Significant investment by competitors into assets and services in Australasia
 - Increasing competition for events
5. Health, safety and security
 - Underinvestment in a fragmented security infrastructure
 - A rapidly evolving security threat spectrum
 - Increasing number of patrons visiting RFA venues

BOARD GOVERNANCE

RFA has a strong governance structure in place that will oversee the delivery of this Statement of Intent and our strategy. The RFA Board has in place the following sub-committees:

- Audit
- Health, Safety and Risk
- Capital Projects
- Remuneration
- Board Appointments (Auckland War Memorial Museum and MOTAT)

We have a values-based culture that is focused on the delivery of public good and value for money for the Auckland community.

Through RFA's regional and collaborative approach, we will deliver on the commitments contained within this Statement of Intent.

Sir Don McKinnon
Chair

Chris Brooks
Chief Executive

EFFICIENCY PROGRAMMES

Auckland Council has set efficiency targets for the triennium for the Council group to seek further business efficiencies and value for money. RFA will take the following approach:

MAXIMISE EXTERNAL REVENUE

RFA's external commercial revenue continues to be subject to a high degree of market volatility. RFA will continue to identify, develop and implement opportunities for increasing external revenue to minimize the cost to ratepayers of delivering activities that enhance Auckland's cultural capital.

This includes:

- Exploring other revenue opportunities through closer collaboration across the sectors we operate in, partnering with private sector businesses, and leveraging Council Group initiatives
- Enriching events programming and driving revenue growth through pursuing investment opportunities
- Working with various sectors and our business partners to develop philanthropic and sponsorship activities
- Enhancing the customer experience by gaining further customer market intelligence and market insight to connect to new audiences
- Carrying out essential renewals to meet increasing customer expectations;
- Strategic capital investment in existing facilities, and
- Growing the depth and breadth of our revenue base.

STRATEGIC PROCUREMENT

Initiatives across RFA's business divisions and with Auckland Council Group (where appropriate).

REVIEW BUSINESS MODEL

In order to ensure a more effective and efficient RFA that delivers better financial outcomes, better customer experiences and increased opportunities for staff development, a review of the business model will be undertaken.

SUSTAINABILITY

RFA is uniquely positioned to showcase sustainability leadership to a large and diverse group of Aucklanders.

RFA has had a strong record of leading sustainability initiatives on its sites, in particular Auckland Zoo and Auckland Stadiums and incorporating more sustainable operations through its renewals programme. Auckland Zoo over the last year has achieved the target of CarboNZero. The intent is for this to be delivered across all RFA venues.

RFA will require a commitment from Auckland Council to ensure that renewals include adequate investment in sustainable operating environments that further the Council group's sustainability objectives.

CONTRIBUTIONS TO MĀORI OUTCOMES

RFA's Māori Engagement Strategy was developed and implemented in 2011 and aims to enhance existing relationships with iwi and enter into business relationships in order to create meaningful engagement. This may create employment, and be either cost neutral or generate a profit, while positively increasing the visibility of iwi and enhancing the RFA brands.

The increased visibility of iwi in terms of a business, tourism and reputational perspective is consistent with the focus of the Independent Māori Statutory Board and Council's Te Toa Takitini program.

RFA is committed to continuing to develop programmes and initiatives to support Maori visibility at regional facilities, support Maori businesses to engage with RFA, and support tikanga Maori cultural expression. These include Auckland Zoo's Maori science programme, Auckland Art Gallery's Maori Advisory Group, and Auckland Live's collaborations and co-presentations with Maori writers, producers and performers.

As part of RFA's overall renewals and capital works programme, bi-lingual signage and incorporation of Maori identity and Te Aranga design principals are being incorporated where appropriate in accordance with Auckland Council's Te Reo Maori Framework.

In 2018/19 RFA will:

- Complete its Maori Responsiveness Plan to ensure it is continuing to support RFA's contributions to Maori outcomes; and
- Assist Council to develop a plan for implementing Te Reo Policy in 2018/19;

AUCKLAND COUNCIL BRANDING

RFA will ensure that Council Group branding is used appropriately at its venues and facilities to build Aucklanders' understanding of the value of Auckland Council's rates funding.

LOCAL BOARDS

RFA will continue to work on its already strong engagement and partnership with local boards, and we will participate in the development of local board plans where appropriate and as requested.
