### **Community benefits**

#### **Identified need:**

At the moment most of the equipment used at the Marae is privately owned, which impacts on the family's providing the equipment as replacement or break downs are at their own cost. Lockable Storage is a necessity to provide safety and also provide a longer life for the equipment

The maintenance always fall on the same few as there a limited Whanau available to do it. These family's are struggling to keep up, age and injury being a large part.

Access and parking are necessary to the use of the Marae.

Power saving is always paramount at the Marae.

#### **Identified community outcomes:**

It will enable the Community continued access to a well maintained and safe and environmentally friendly Marae.

#### **Alignment with local board priorities:**

##### **Great Barrier**

- Our infrastructure is future-proofed
- Our environment is protected and enhanced

By maintaining our Infrastructure and upgrading the safety aspects.

By constantly striving towards sustainability and power saving projects.

### **Project: Theatre/Dining Lounge and Kitchen Upgrade**

<b>Location:</b>	Barrier Social Club, 21 Medland Road		
<b>Summary:</b>	The ongoing upgrade to the club needs the Theatre/Dining Lounge old carpet to be removed and the floor to be sanded. This will continue to be our main events area. A permanent stage will be created using club funds. The kitchen upgrade is an ongoing effort to raise the kitchen to a high level enabling us to cope with larger functions and provide the ongoing meals the club delivers. This will also ensure our ability to fulfill our designation as a Civil Defence emergency centre.

### **Community benefits**

#### **Identified need:**

There is no other large community facility on the Tryphena side of the island. This will also open the club to earn revenue from larger functions and events. The Civil Defence requirements also add to the need.

#### **Identified community outcomes:**

Continued improvements to the club facilities and the services we provide the surrounding community and visitors to the island.

#### **Alignment with local board priorities:**

##### **Great Barrier**

- Our infrastructure is future-proofed
- Our people thrive and life is good

The Barrier Social Club is an island based group providing facilities and services to the local population. It provides the residents with opportunities for social interaction, participation in sporting activities, music events, movies for both kids and adults, and more. It is home to St Johns ambulance service and hosts School Holiday Programme events, workshops, fishing competitions, and the biennial Art Auction Fundraiser for Mulberry Grove School.

### Project: Bathroom Refurbishment

<b>Location:</b>	Motairehe Marae		
<b>Summary:</b>	The Bathrooms are in dire need of an upgrade as the drainage is backing up and the Bathrooms are old and tired and are unusable.. A new septic was installed previously but the drainage was not upgraded at the same time. There is also rotten timber and the ceiling tiles are falling off which is a safety issue. There are no doors on the shower cubicles and they therefore offer little privacy.
