<p><b>Margaret Griffen Park</b> 16-38 Griffen Park Road, Mount Roskill</p>	<p><b>Restricted - medium protection</b> (to protect access and health and safety)</p>	<p>Hardstand parking area of approximately 4,700m<sup>2</sup> used by users of Lynfield Recreation Centre, Lynfield Playcentre, playground and sportsfields (athletics, rugby league and football). Popular with freedom campers in the past (including non-self-contained vehicles during the 2017 pilot where there were issues with overcrowding).</p>	<p>Large sports events and night time parking by users of the gym contributed to conflict during the pilot. Would want any freedom camping to be restricted to small numbers and not on weekends (due to conflict with sports). May be okay in January when gym use is lower and no sport events. This regulatory response should not be used to deal with homelessness at Margaret Griffen.</p>	<p><b>Restricted - medium protection</b> (to protect access and health and safety)</p>	<p>Reserve Management Plan in place which does not provide for camping.</p>	<p>No change to original assessment.
