**Subject:** FW: Resignations from Committees

Dear Mayor Goff,

It is with regret that I tender my resignation from the following 3 committees;

- The Strategic Procurement Committee
- The Audit & Risk Committee
- The Structure Planning Political Reference Group

I would like to thank you all for your support and your confidence in appointing me to these Committees. As you eluded to at the time of asking me to join 10 Committees, I was being asked to consider a very heavy workload.

Having fulfilled my duties since the start of the term, the start of this calendar year seems an appropriate time to evaluate the workability of so many committees along with my comfortability of their operations. Having carefully considered the situation I have come to the above decision.

I would ask that the resignations be effective as of today, being the day of my notification to Your Worship.

I remain honoured to continue as a member of the following 7 committees;

- The Governing Body
- The 3 Committees of the Whole (3)
- The Rural Advisory Panel
- The Te Poari O Kaipatiki Kaipara Group
- The Kaipara Moana Working Party

The remainder of this term is looking to be increasingly busy for the above Committees and I look forward to being able to constructively contribute as a member of each.

Kindly yours,

Cr. Greg Sayers
