<b>Conflicts of interest:</b>	None identified		

### Project: Mt Felix Tapestry

<b>Location:</b>	Papakura Museum 209 Great South Road Papakura		
<b>Summary:</b>	<p>Exhibition: Mt Felix Tapestry is a community tapestry that tells the story of the ANZAC Hospital at Mount Felix in Walton on Thames.</p> <p>27 thousand New Zealand wounded soldiers were welcomed into the heart of Walton on Thames and treated at this hospital during WW1. This exhibiton depicts some of the most powerful true-life stories surrounding the hospital in 44 panels of tapestry. Papakura Museum is the first Museum / Gallery in New Zealand to display this World-renowned exhibition.</p>		
<b>Dates:</b>	01/08/2018 - 24/09/2018	<b>Rain dates:</b>	-
<b>People delivering:</b>	6	<b>People reached:</b>	2000+

### Community benefits

#### Identified community outcomes:

Engagement and learning of New Zealand's participation in WW1 with a particular focus on Papakura and Districts and its connection to the Military Hospital at Walton on Thames in England. A number of local men spent time recuperating at this hospital during the First World War.

#### Alignment with local board priorities:

Papakura Local Board

- contribute to the economic and cultural attractiveness of Papakura town centre
- protect and restore our natural and built heritage

The Mt Felix Tapestry is an international exhibit. By hosting the Tapestry at the beginning of its NZ tour will showcase Papakura as a cultural destination worth visiting. The exhibition also encourages the local community and visitors to engage with the history of the area within an international context.

Collaborating organisation/individual	Role

### Project: Red Hill Original

<b>Location:</b>	Keri Downs park, Dominion road, Red Hill, Papakura		
<b>Summary:</b>	A mural project that acknowledges the people, scenery and wildlife of Papakura and surrounding areas, i.e, Pukekiwiriki Pā, Hunua ranges.		
<b>Dates:</b>	02/07/2018 - 09/07/2018	<b>Rain dates:</b>	-
<b>People delivering:</b>	2	<b>People reached:</b>	2000 - 3000

### Community benefits

#### Identified community outcomes:

By painting this building in bright attractive and inviting colours, i feel could enhance the use of this facility and fields. Community engagement and bounding by encouraging local sports teams, trusts and youth organisations to make more use of this space if not so already.

#### Alignment with local board priorities:

Papakura Local Board

- promote Papakura as a destination for sporting competitions and events
- help our young people to contribute prosper and thrive

Attracting those that participate in sports, cultural groups, trusts, youth organisations and all that aquire a large space that has plenty of room for community activities and engagement. Encouraging youth to do well and strive to be good. Be a role model to each other in a positive and productive manner.

Collaborating organisation/individual	Role
Local residents of Red Hill	Suggestions of what they would like to see painted that best represents Red Hill and Papakura in a positive light.

### Demographics

**Maori outcomes:** NA

**Target ethnic groups:** New Zealand European, Other European, Māori, Pacific Peoples, Chinese, Korean, Indian, Other Asian, Middle Eastern, Latin American, African, Other:

**Promoting SmokeFree:** This project will be a smoke free enviroment and because this facility is on the grounds of a sports field i know this message will get through to people. By exhibiting images of people playing sports i hope to encourage those that smoke to give up.

## Opaheke School

<b>Legal status:</b>	Other: School	<b>Activity focus:</b>	Arts and culture
<b>Conflicts of interest:</b>	None identified		

### Project: Opaheke School Jubilee Mural

<b>Location:</b>	Opaheke School		
<b>Summary:</b>	We would like to apply for funding to create a mural in our school to celebrate our 50th Jubilee. The mural would embody the wairua of our school and reflect our local Opaheke and wider Papakura environment. It will be unveiled to our community during the Opaheke School Jubilee celebrations.		
<b>Dates:</b>	01/10/2018 - 23/11/2018	<b>Rain dates:</b>	-
<b>People delivering:</b>	10	<b>People reached:</b>	2000+

### Community benefits

#### Identified community outcomes:

To mark and celebrate our school's place in the Opaheke community for the past 50 years. Reflect the culture and values of the whanau that are connected to our kura (current pupils, past students, teachers). Engage with local artists to create a mural that reflects the other artworks in our local community (mural at Papakura High School, mural at Papakura Art Gallery, Murals on the power boxes).

#### Alignment with local board priorities:

Papakura Local Board

- help our young people to contribute prosper and thrive
- protect Māori cultural heritage

The mural would represent an investment in our kura and the children who attend, embracing the diverse cultures of our tamariki and our connection to Opaheke and its local environment. There would be a particular emphasis on Maori reflected in the symbols and patterns used to create the mural.

Collaborating organisation/individual	Role
NA	

### Demographics

#### Maori outcomes:

- Māori focus - tikanga (practises), mātauranga (knowledge), reo (language)
- A large number of our tamariki affiliate with being Maori. We have worked hard to make connections between our school and our Maori whanau through a number of hui. We have also created a strong Kapa Haka group, who will be performing as part of the jubilee celebrations. The mural will use traditional Maori pattern and design to reflect our school's pepeha (Pukekiwiriki, Pahurehure etc)

**Target ethnic groups:** New Zealand European, Other European, Māori, Pacific Peoples, Chinese, Korean, Indian, Other Asian, Middle Eastern, Latin American, African

**Promoting SmokeFree:** Our school is absolutely smoke free. It would be possible to include a smoke free message in the mural.

Percentage of males targeted	Percentage of females targeted	All - not targeted male/female

### Project: SMASH 2018' BADMINTON TOURNAMENT

<b>Location:</b>	Li-Ning New Zealand Badminton Centre, 443 East Tamaki Rd, East Tamaki		
<b>Summary:</b>	To encourage and promote badminton, one of the favourite sport of Malayali community, Auckland Malayali Samajam organises Badminton competition every year, usually in July. This year, it will be held on 21st July at Li-Ning New Zealand Badminton Centre, 443 East Tamaki Rd, East Tamaki. Including participants, about 500 members are expected to attend the event.		
<b>Dates:</b>	21/07/2018 - 21/07/2018	<b>Rain dates:</b>	-
<b>People delivering:</b>	About 500	<b>People reached:</b>	More than 1000 members of the community are informed about the competition through email and different social media promotions could reach the message to most of the estimated 15000 Malayali community in Auckland

### Community benefits

#### Identified community outcomes:

The major objectives of the event are as follows:

Encourage sportsman spirit in the community members

Promote the traditional culture of playing badminton to the younger generation

cultivate competitive spirit among badminton players of the community

Bringing the community together for a sports event

community development, promotion of social life

#### Alignment with local board priorities:

Papakura Local Board

- Increased participation of people in sport, leisure and recreation activities
- Share and celebrate our culture through events

Many members of our community are actively involved in badminton and Malayali community, in general, are traditionally interested in this game. This is an opportunity for the community members to come and share their skills and sportsman spirit in this event.

### Project: Physio Supplies For Senior Teams

<b>Location:</b>	MClennan Park, Arimu Road, Papakura		
<b>Summary:</b>	Physio Supplies for our Senior Women's and Mens Team whilst playing for Papakura City Football Club		
<b>Dates:</b>	02/07/2018 - 04/09/2018	<b>Rain dates:</b>	-
<b>People delivering:</b>	2 to 4 physios	<b>People reached:</b>	up to 160 members from the top senior teams

### Community benefits

#### Identified community outcomes:

Players Health and Safety

Players having the essential items for when needed during games and representing Papakura Club against other clubs

Will provide our players both men and women with the essential physio items to keep them performing to their maximum during games

#### Alignment with local board priorities:

Papakura Local Board

- promote Papakura as a destination for sporting competitions and events
- improve the overall wellbeing of the Papakura community

Papakura City Football Club has over 800 members aged from 5 to 65. Our tops teams competing in the senior levels require physio supplies for their games over the football season. By having this in place it promotes PCFC as a destination club for football helps the players who play for our club and in the games and the benefit from these supplies ultimately improves the club which improves the wellbeing of our players.

Collaborating organisation/individual	Role
NA	

### Demographics

#### Maori outcomes:

- Māori participation - Māori priority group, target group, high representation or Māori staff delivering

PCFC have a huge range of ethnic groups who are part of this club and our teams. Maori are one of these groups and would benefit from the supplies when needed.

**Target ethnic groups:** Other: All groups mentioned

### Project: Innovative project

<b>Location:</b>	Proposed venue in the new Youth Space: 85 O'Shannessey St, Papakura		
<b>Summary:</b>	Currently co-founding a start-up/initiative focussing on leadership, design, and research. This is a test pilot for one of the threads we are looking at for innonative. This pop-up workshop aims to bring young leaders from the community together for a workshop to design a youth leadership programme. What does that look like?		
<b>Dates:</b>	14/07/2018 - 14/07/2018	<b>Rain dates:</b>	-
<b>People delivering:</b>	2 Founders of the start up	<b>People reached:</b>	10 Participants as a part of the pilot

### Community benefits

#### Identified community outcomes:

We currently lack youth leadership programmes as a support network. With a high population of youth in our local board area we need to provide the infrastructure for young people to work and grow together.

One of the local board outcomes is: Strong, safe and healthy communities – we have good places for communities to meet and great places to play. Our young people get a great start in life and we value the wisdom and experience of our older

I Am Auckland identifies actions to build rangatahi leadership in Auckland, and to support rangatahi to develop actions that will help all rangatahi in Tāmaki Makaurau to thrive.

This pilot supports this kaupapa.

#### Alignment with local board priorities:

Papakura Local Board

- help our young people to contribute prosper and thrive
- support innovation and social enterprise

This pilot project run by innonative is a innovative approach to social enterprise. It literally means innovation and native combined together. Co-founded by a Maori and non-maori as a partnership to focus on building capacity and capability of the young leader, designers, and researchers in our local community. From vast experience working in these spaces, I am leveraging through this pilot to match local governance outcomes to support and continue to invest in our young people. It isn't about us but it is about what we can do for other young people in our communities. We need to invest in social outcomes and this pilot project supports these priority areas.

## Demographics

**Maori outcomes:**

- Māori led - either a Māori organisation that is applying or Māori directed (came about as a request from Māori).

led by rangatahi Maori with a strong focus of Te Ao Maori threads prioritizing rangatahi Maori involvement/participation. Underlying values will inform programme.

**Target ethnic groups:** Māori, Other: All diversities with a Maori priority

**Promoting SmokeFree:** This project specifically focusses on building leadership skills with and by young people. If this needs to be integrated then it should capture how youth are encouraged to role model Smokefree behaviour and promote the importance of staying Smokefree.

## Drury Playcentre

<b>Legal status:</b>	Charitable Trust	<b>Activity focus:</b>	Community
<b>Conflicts of interest:</b>	None identified		

### Project: Oak Tree Removal

<b>Location:</b>	Drury Playcentre, 23-33 Youngs Crs, Drury.		
<b>Summary:</b>	We aim to have two old rotten oak trees removed by professional arborists which have become a health and safety hazard to our tamariki playspace. These trees cause huge mess by their leaves, the acorns are a choking hazard to our preschoolers and we want to make our playcentre safer and more welcoming to new families who will be moving into the area in the development of Opaheke and Drury subdivisions and these trees are prohibitive in that. We aim to be a place that families can come and bring their tamariki to play and build a community where together we can raise our families and support each other.		
<b>Dates:</b>	01/07/2018 - 31/07/2018	<b>Rain dates:</b>	-
<b>People delivering:</b>	12	<b>People reached:</b>	100

### Community benefits

#### Identified community outcomes:

We have had many potential families come through to visit but do not stay as they (and we) find the trees create such a visual and literal mess from their leaves and acorns. The trees are rotten and provide no shade - at least one parent spends most of the session raking and picking up leaves and acorns so that the play equipment is safe to use. The leaves invade the sandpit, have ruined our sandpit cover from the weight of the wet leaves and acorns.

By removing these trees we eliminate the mess, hazard and create a nicer space for local families to enjoy with their little ones.

#### Alignment with local board priorities:

Papakura Local Board

- help our young people to contribute prosper and thrive
- improve the overall wellbeing of the Papakura community

By providing a safe play space for our families to come together and enjoy raising families, we support our babies and preschoolers by learning with their parents and caregivers and learn to be helpful contributors to the community

Collaborating organisation/individual	Role
NA	

### Demographics

**Maori outcomes:** NA

**Target ethnic groups:** New Zealand European, Other European, Māori, Pacific Peoples, Chinese

**Promoting SmokeFree:** We have smoke free signs next to both our entry points to our playcentre.

## Youthline Auckland Charitable Trust

<b>Legal status:</b>	Charitable Trust	<b>Activity focus:</b>	Community
<b>Conflicts of interest:</b>	None identified		

**Project:** Provide free helpline counselling to support young people in need

<b>Location:</b>	13 Maidstone Street, Grey Lynn, Auckland 1021		
<b>Summary:</b>	Youthline requests funding towards the annual service delivery costs involved in providing our free crisis helpline support to youth and their families in the Papakura Local Board area. There are 7,840 young people aged 15-24 years residing in the Papakura. In 2017 Youthline received an estimated 1,985 contacts for support through our helpline specifically from the Papakura Local Board area. That is 1 in 4 young people from the local area that are reaching out for help.		
<b>Dates:</b>	01/07/2018 - 31/03/2019	<b>Rain dates:</b>	-
<b>People delivering:</b>	10 Clinical Triage Staff + Approx 400 volunteers counsellors	<b>People reached:</b>	50,000 - 55,000 young people annually nationwide

### Community benefits

#### Identified community outcomes:

Youthline services equip youth with skills and insights on how to build self-esteem and improve mental-health, how to actively problem-solve and recover from setbacks. Counsellors link them with local support services to assist their ongoing development. Through their improved emotional and self-management skills young people are less likely to fall into helplessness, depression, addictive behaviours, dangerous relationships and unemployment.

#### Alignment with local board priorities:

Papakura Local Board

- help our young people to contribute prosper and thrive
- improve the overall wellbeing of the Papakura community

Youthline's vital early intervention services give young people the opportunity to seek out information, problem solve an issue and to "talk it out". They are both a preventative intervention for young people who need to talk through stressors and concerns as well as a first point of entry for young people who are experiencing crisis such as self-harming, suicidal thoughts or behaviour, violence and other difficulties. The service is staffed by 400 helpline volunteer counsellors providing immediate support, development opportunities and referral services. In doing this we are providing a pathway forward to their wellness and wellbeing.

Collaborating organisation/individual	Role
na	

### Demographics

**Maori outcomes:**

- Māori participation - Māori priority group, target group, high representation or Māori staff delivering

All of our volunteers and staff receive training on the Treaty of Waitangi, take part in a Marae immersion weekend, use and understand Maori models of health such as Te Whare Tapa Wha, can access cultural supervision and are offered more in-depth training around understanding Te Ao Maori, Maori and Pacifica young people as well as other ethnic groups.

**Target ethnic groups:** New Zealand European, Other European, Māori, Pacific Peoples, Chinese, Korean, Indian, Other Asian, Middle Eastern, Latin American, African

**Promoting SmokeFree:** Youthline Auckland supports the Auckland Council's Smokefree Policy and its commitment to working proactively with others towards making Auckland smokefree by 2025. We have a smoke free policy in place and can offer support, advice and referrals to young people who wish to give up smoking.

Percentage of males targeted	Percentage of females targeted	All - not targeted male/female
%	%	100%

0-5 years	< 15 years	15-24 years	25-44 years	45-64 years	>65 years	All ages
%	5%	85%	10%	%	%	%

## Financial information

**Amount requested: 2,000**

**Requesting grant for:** The direct service costs of the Helpline including telecommunications, volunteer counsellor training and support and salaries for our triage staff who supervise our volunteers total \$405,000. The Papakura share of this is \$4,731 based on the proportion of young people aged 15-24 years living in the area. We are requesting a contribution of \$2,000 towards this.

**If full amount requested is not able to be funded:**

As this would be a contribution to the costs of the Helpline any amount would be appreciated.

**Cost of participation:** No

## Life Education Trust Counties Manukau

<b>Legal status:</b>	Charitable Trust	<b>Activity focus:</b>	Community
<b>Conflicts of interest:</b>	None identified		

**Project:** To purchase workbooks used to deliver Life Education's programme

<b>Location:</b>	In the grounds of 5 schools in the Papakura Local Board area: Opaheke School, Conifer Grove School, Drury School, Edmund Hillary School, Papakura Intermediate		
<b>Summary:</b>	<p>Our primary objective is to enable students in the Papakura Local Board area to reach their full potential by educating &amp; inspiring them to embrace positive choices for a healthy mind &amp; body. Our philosophy is based on three principles:</p> <p>1) You are unique: never before &amp; never again will there be another child just like you. We try &amp; make each child feel comfortable with their identity &amp; to show them how special they are.</p> <p>2) The human body is magnificent: we capture children's imagination using technology that shows them the magnificence of the human body, how it functions &amp; what its needs are.</p> <p>3) Support &amp; respect: we need to do this for each other, because of the delicate &amp; complex nature of life.</p>

### Community benefits

#### Identified community outcomes:

Our programme helps the Papakura Local Board community be involved & connected by:

- 1) providing workbooks that students take home to share knowledge on key health & nutrition areas with their families including activities to help cement positive changes
- 2) offering a parent session at every school we visit so questions can be asked & practical tips given
- 3) giving many examples to students & parents about free & easy activities they can do together to increase their participation in sport, leisure & recreation activities
- 4) being asked to take part in major community events to promote & engage every culture in the community to know & believe everyone many different skills & knowledge that they can share to encourage a more inclusive community

#### Alignment with local board priorities:

Papakura Local Board

- improve the overall wellbeing of the Papakura community
- provide opportunities for growing and eating healthy food

NZ Health Survey 2016/2017

Nearly 100,000 children aged 2-14s (12.3%) were obese. This has increased by 8.4% since 2006/2007.

Children living in the most socio-economically deprived neighbourhoods were 2.5 times as likely to be obese as children living in the least deprived neighbourhoods, after adjusting for age, sex and ethnic differences.

Our Programme Is Helping To Reduce These Statistics

As stated, we collaborate with Garden to Table to encourage Papakura schools to grow their own food which the students then cook and share together.

Collaborating organisation/individual	Role
Garden To Table 'Empower'	a joint venture between Life Education & GTT. A comprehensive & sustainable programme to help tackle child obesity through: teaching about balanced diets, meal planning & understanding their body's nutrient needs - GTT turns it into action by growing, harvesting & cooking fresh fruit & vegetables in the school's grounds.
Dove Self-Esteem project	where our educators provide training to school teachers in our area re their student's healthy development & to avoid valuing themselves & others on the basis of appearance
Body Worlds Vital	Life Education is proud to be the Education Partner of the Body Worlds Vital Millions of school aged students around the globe have visited the exhibition, which provides a first-hand experience for students to get up close with real preserved human bodies and body parts. An experience to educate students on how lifestyle choices can impact our everyday health and wellbeing.

## Demographics

### Maori outcomes:

- Māori focus - tikanga (practises), mātauranga (knowledge), reo (language)

As an inclusive organisation we use Te Reo words throughout our lessons. One of our educators speaks fluent Te Reo which enables us to teach at full immersion schools & kuras to which we have been continually re-invited. ALL Our Workbooks Are Available In Teo Reo - See Example Attached

### Target ethnic groups:

New Zealand European, Other European, Māori, Pacific Peoples, Chinese, Korean, Indian, Other Asian, Middle Eastern, Latin American, African

### Promoting SmokeFree:

'Substances' is one of the five core subjects we teach to intermediate students. We discuss & roleplay the decision-making processes they may come across & go through when seeing their friends & peers smoke or they are offered a variety of substances to smoke. We talk about the effects smoking has on your brain, body, finances & making decisions. A Pull Apart Torso - full medical school teaching standards with 28 parts) is used to illustrate points.

Latest research is used from all health sectors in our lessons.

We are the largest external programme provider working in schools and are proud of the positive trend in the reduced rate of binge drinking, smoking, bullying and marijuana use amongst NZ youth.

## Financial information

### Amount requested: 2,000

**Requesting grant for:** To purchase 2,120 workbooks that will be used to deliver our health and nutrition programme to 2,120 students aged 5-13 in five schools in the Papakura Local Board area.

### If full amount requested is not able to be funded:

Every penny granted will go directly into purchasing as many workbooks as we can with that amount and we will continually fundraise to make up the difference.

**Cost of participation:** Workbooks are used for every subject we teach with the cost varying according to the number of pages/subject. The cost of the workbooks vary from 76c to \$2 each.

### Project: Terrific Kids Awards Presentations

<b>Location:</b>	Red Hill Primary School, Mack Place, Papakura, Park Estate Primary School, Park Estate Road, Papakura, Drury Primary School, Gt.South Road, Drury.		
<b>Summary:</b>	The children who meet the criteria are selected by their teachers and receive a certificate, a Terrific Kids pencil and sticker, as well as a \$10 Whitcoull's voucher. The criteria is that the child does not usually win the academic or sporting awards but has shown other exceptional qualities in the area of good citizenship.		
<b>Dates:</b>	01/07/2018 - 30/06/2019	<b>Rain dates:</b>	-
<b>People delivering:</b>	12	<b>People reached:</b>	80

### Community benefits

#### Identified community outcomes:

The children selected are often children who slip through the cracks and do not receive acknowledgement for their efforts. The programme gives teachers the tool to ensure that these children are rewarded.

#### Alignment with local board priorities:

Papakura Local Board

- help our young people to contribute prosper and thrive
- improve the overall wellbeing of the Papakura community

The Kiwanis Club of Drury presents the Terrific Kids Programme into three local schools two of which are low decile. One child from each class is selected by the teacher at the end of the term using the criteria set down by this club. The programme is aimed at the children who do not win the academic and sporting awards and can slip through the cracks but have shown exceptional qualities such as thoughtfulness, positive attitude, good character and other aspects of responsible citizenship. Red Hill School also has two special needs classes and these children are involved in the Terrific Kids Programme...

<b>Conflicts of interest:</b>	None identified		

### Project: Premier Show Dog of the Year 2018

<b>Location:</b>	Dogs NZ 743 Papakura Clevedon Rd, Rd2, Papakura		
<b>Summary:</b>	Premier Show Dog Event held to find the Top Show Dog and Puppy in New Zealand for the 2018 Year. 3 Highly Qualified Judges are brought in to evaluate all the dogs and it is a knock out event until we come down to the final winner. The heats are held during the day and then a gala event with dinner at night.		
<b>Dates:</b>	15/09/2018 - 15/09/2018	<b>Rain dates:</b>	-
<b>People delivering:</b>	7	<b>People reached:</b>	500

### Community benefits

#### Identified community outcomes:

We want to engage to local community to come along for free and view this event during the day and the facilities available at the Dog NZ grounds. Plus we would like to open the event with the local group doing a Powhiri to welcome the guests and international judges.

#### Alignment with local board priorities:

Papakura Local Board

- promote Papakura as a destination for sporting competitions and events
- promote Papakura as a destination for sporting competitions and events

By bringing people in from other areas for this event and being an evening event they will need to stay overnight in the area.

Also promote to the community and facilities we have available to be used for other events in the Papakura area

### **Project:** Friends of Kirks Bush 25th anniversary celebration

<b>Location:</b>	377R Great South Road, Papakura, 2110 Auckland		
<b>Summary:</b>	This year marks the 25th anniversary of the establishment of Friends of Kirks Bush. We want to mark this occasion with a simple lunch for past and present members along with other interested parties including a walk through the bush to view recent developments.		
<b>Dates:</b>	03/11/2018 - 03/11/2018	<b>Rain dates:</b>	03/11/2018 - 03/11/2018
<b>People delivering:</b>	7	<b>People reached:</b>	25

### **Community benefits**

#### **Identified community outcomes:**

To promote the work that Friends of Kirks Bush has done over the past 25 years not only to those present at our event but through the Courier, E-Local and Our Auckland. To thank all those who have contributed to our environmental work in a significant way, both members and council staff. To update those present of upcoming plans and development projects.

#### **Alignment with local board priorities:**

Papakura Local Board

- protect and restore our natural and built heritage
- contribute towards a safe cycling and walking network across the south

Our project is a celebration of all the work that has been done in the past 25 years to restore and protect the natural bush area known as Kirks Bush. As a result of making this area much safer for walkers and the general public, we have made a significant contribution to safer walking networks across South Auckland.

<b>Conflicts of interest:</b>	<p>None identified Gael Ogilvie, Director of the TLC and Chairperson of the UELCT, is employed by Auckland Council - Manager Environmental Services Unit</p> <p>Katie Jones, General Manager of the TLC, is engaged by Auckland Council as an independent contractor in the Healthy Waters dept.</p>		

### Project: Tread Lightly Caravan

<b>Location:</b>	Conifer Grove Primary School, Evanda Crescent, Takanini		
<b>Summary:</b>	<p>Conifer Grove Primary School has booked the Tread Lightly Caravan from 23 - 30th October 2018, hosting their entire school. A total of 525 students will participate in the programme, over 6 teaching days. Year 3 and above students will participate in an hour and a half TLC session, and years 0-2 students in a 40 - 50 minute TLC session - all sessions taught by the qualified Tread Lightly teacher and assistant. Students will also participate in our Tread Lightly Pledge project - which includes our Family Tread Lightly Pledge activity. Through the pledge project students and families take a "pledge" to commit to one small change in their lifestyle that will make a positive difference to the environment.</p>		
<b>Focus specific:</b>	<p><b>Event producer/contractor/3<sup>rd</sup> party:</b></p> <p><b>Environmental benefits:</b> The TLC demonstrates:</p> <ul style="list-style-type: none"> <li>• why we should change our lifestyles and what is at stake;</li> <li>• how it is possible – in our day to day lives – to live more sustainably and minimize the negative impacts of our lives on the environment.</li> </ul> <p>Students and their families will be inspired - to "tread lightly" - that is to minimise the impact of their lifestyles on the environment, and will learn exactly how this can be achieved.</p> <p>The environment will benefit directly as less material/energy and water resources are used, less waste is disposed of in landfills and less littering in our streets and waterways.</p> <p><b>Building/site accessible or visible to the public:</b></p> <p><b>Building/site recognised in a council heritage schedule or the NZ Historic Places Trust: ,</b></p>		
<b>Dates:</b>	23/10/2018 - 30/10/2018	<b>Rain dates:</b>	-
<b>People delivering:</b>	8	<b>People reached:</b>	800 - including students, teaching staff, parents volunteers and families

### Community benefits

Identified community outcomes:

An engaged and motivated community (specifically associated with each school), that will have the tools to look at how they live as individuals, as a school community or as a family and how they can make changes that will have a positive effect on the environment.

At the end of the TLC session each student makes a 'pledge' to making one small change that will have a positive impact on the environment - such as saying no to plastic bags. Class teachers are provided with a pledge resource pack, including a month long pledge project to track the student's progress to achieving their pledge.

The pledge project also includes a homework activity for families to make a "family tread lightly pledge".

**Alignment with local board priorities:**

Papakura Local Board

- reduce the amount of waste taken to landfill each year from Papakura
- support environmentally sensitive use of the Manukau Harbour

One of the focus areas of the TLC programme is waste - with specific support from VISY and the Packaging Forum to deliver messages around correct sorting and recycling of household waste, how to reduce household waste and littering.

Through the Tread Lightly pledge project, students and families are encouraged to take action - which leads to support and involvement in other local environmental initiatives.

The TLC programme also includes a stormwater activity which again reinforces the message that "only rain goes down the drain" and how we can reduce the impact our activities have on our creeks and oceans

Collaborating organisation/individual	Role
Conifer Grove School	Host School

**Demographics**

**Maori outcomes:** • Māori focus - tikanga (practises), mātauranga (knowledge), reo (language)

The TLC programme is designed so that it is appropriate for all cultures and values. The TLC focus on lifestyle choices to solve current environmental problems is drawn from the maori concept of kaitiakitanga. Students from all cultural perspectives are encouraged to think more deeply about the environmental consequences of their everyday lives and what behaviours they could change to make a positive difference.

**Target ethnic groups:** Other: All

**Promoting SmokeFree:** N/a as the Tread Lightly Caravan does not communicate health related messages.

The Tread lightly Caravan is smoke free
