Papakura Park and Ride Ron Keat Drive, Papakura	Not scheduled in bylaw	Parking area for commuters.	One member considered that the park and ride facilities may be appropriate for use on weekends, but during the week they would need to be out by 6am.	Not scheduled in bylaw	N/A	No current known use of area by freedom campers. Rules to enable freedom camping at park and ride facilities would be complex and require monitoring at all times to address potential conflict with commuters. Time for campers to leave the area is not suitable for most campers based on pilot findings. Area to be monitored.
