2<sup>nd</sup> August 2018

Kit Parkinson, Chairman  
Orakei Local Board  
25 St Johns Road  
Meadowbank

Dear Kit,

We thank you and your Board Members for your attendance at our recent Public Meeting held in the Remuera Library on Wednesday 1<sup>st</sup> August, and for your presentation.

We bring to your attention two resolutions of the meeting, both of which were passed with a unanimous vote by those present – no abstentions.

**Agenda item 1:**

“That this meeting is concerned about the loss of Community  
Facilities accessible to residents of Remuera

and

requests the Orakei Local Board commence the planning and funding  
of a dedicated Council-owned Community Centre in Remuera”

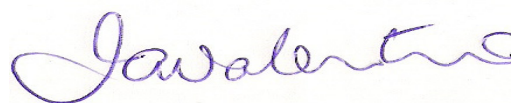

**Agenda item 2:**

“That this meeting is concerned about the adequacy of the design  
and partial implementation of the southern walkway at the Orakei  
Basin and

requests the Orakei Local Board suspend the project, re-open  
consultation, and re-design the walkway, and re-sequence its  
implementation relative to erosion control works”

We await the deliberations of the Board as you address these matters raised.

Yours sincerely

Iain Valentine, Chairman

On behalf of the Committee of Remuera Residents Association Inc [Coralie van Camp,  
Tony Anselmi, Jan Bierman, David McAuley, Sally Frengley, Lynley Olsen]
