4 October	Attended Board Workshop Session
11 October	Attended Board Workshop Session
17 October	Attended Special Workshop on Sand Carpeting of parks
18 October	Attended Board Business Meeting
1 November	Attended Board Workshop Session

Transport Meetings and Issues

12 October	Attended Auckland Transport drop in demonstrating transport technological advances including advanced Pedestrian Crossings and Red Light Running Cameras with Chair Doig.
18 October	Infrastructure and Heritage Cluster including proposals for safer Carr and Frost Roads.
29 October	Auckland Transport Quarterly Liaison with Local Boards with Chair and Deputy Chair.

Environmental Meetings and Issues

15 October	Manukau Harbour Forum Agenda Run Through
19 October	Manukau Harbour Forum – Workshop and Business Meeting
2 November	Inaugural Meeting of Friends of Wairaki Stream with Member Fairey

A notable development as part of the Safer Swims project is that monitoring of four Manukau Beaches has resulted in permanent warnings against swimming there have been lifted. This allows swimming except when periodic tests suggest contamination risks.

Representation Review

18 October	Local Board Submission to Governing Body with Chair Doig. The final Council Proposal to go to the Local Government Commission removes Westmere and returns Lynfield to the Albert Eden Roskill ward. However it continues with a two councillor ward now to be named Eden Roskill Puketapapa. If successful this will result in a ward with a 2017 population of 177,800 – the largest in the country. An interesting comparison is with the City of Hamilton in the Waikato Region. It is proposed to have 140,900 residents and four regional councillors.
