

REGULATORY COMMITTEE FORWARD WORK PROGRAMME 2018 / 2019							
This committee is responsible for regulatory hearings, appointing independent commissioners and for the development of regulatory policy and bylaws.							
Area of work	Reason for work	Regulatory Committee role (decision or direction)	Budget/ Funding	Expected timeframes Highlight financial year quarter and state month if known			
				FY18	FY19		
				12 April 10 May 14 June	12 July 9 Aug 13 Sept	4 Oct 8 Nov	Feb Mar
Alcohol Licensing	Report on the revenue received and the costs incurred for the alcohol licensing process – required by regulation 19 of the Sale and Supply of Alcohol (Fees) Regulations 2013.	Note that the majority of alcohol licensing costs were recovered from the existing default licensing fees regime for the twelve months to July 2017. Confirm continuance of the default licensing fees regime. Review the default licensing fees regime after a suitable period of time has elapsed following the implementation of the Local Alcohol Policy.	Within current baselines.	Q4	Q1	Q2	Q3
Animal Management	Report on Animal Management activities for the year ending June 2018 as required by s10a of the Dog Control Act 1996	Note that the Animal Management Annual Report is required under Section 10A of the Dog Control Act 1996 and staff will provide the 2017/18 report to the Secretary of Local Government 4 October 2018 Report 2017/2018 Animal Management Annual Report prepared pursuant to s10A of the Dog Control Act 1996 minute REG/2018/70	Within current baselines.	Q4	Q1	Q2 (Oct)	Q3
Earthquake Prone, Dangerous & Insanitary Buildings Policy 2011-2016 Review	2011 - Auckland Council was required under s131 of the Building Act 2004 to adopt a policy on earthquake prone, dangerous and insanitary buildings 2018 – Due to the Building (Earthquake-Prone Buildings) Amendment Act 2016, Auckland Council's management of earthquake-prone buildings now falls under the national policy and methodology set by MBIE. Our ongoing work programme for issuing statutory EPB notices, receiving seismic assessments, and identifying residual potential EPBs is being carried out on this basis. Note that dangerous and insanitary buildings continue to have their own local policy that is now under the management of Regulatory Compliance.	Update the Committee on the progress made in implementing Auckland Council's regulatory obligations with regard to earthquake-prone buildings within its jurisdiction.				Q2 (Nov)
