

## Summary of Consultation Information Sent to the Howick Local Board in March/April 2019

Project	Description of Proposal	Dates
<p>Lady Ruby Drive intersection improvements</p>	<p>Auckland Transport are proposing to make improvements to the intersection of Kerwyn Avenue, Springs Road, and Lady Ruby Drive, in East Tamaki. Currently, the intersection experiences frequent delays and queuing on Lady Ruby Drive, particularly during the peak morning period. This is expected to improve the efficiency of the intersection, as well as pedestrian safety. The work will include:</p> <ul style="list-style-type: none"> <li>• Removal of slip lanes to and from Lady Ruby Drive, and extension of No Stopping At All Times (Broken yellow Lines) restrictions as can be seen in the proposal drawings enclosed.</li> <li>• Widening of Lady Ruby Drive and Kerywn Avenue on the southern side to provide an additional westbound through lane and two westbound receiving lanes.</li> <li>• Modifications to signal phasing for further efficiency gain on east-west traffic flow.</li> <li>• Installation of signal crossing at the slip lane from Kerwyn Ave to Springs Rd (North).</li> <li>• Modification of shared through and right turn lane on Kerwyn Ave to a through only lane, with associated road markings.</li> </ul> 	<p>2 April 2019</p>
