Subject: Minor Change to the Māngere -Ōtāhuhu Grants Programme 2019/2020

The Māngere-Ōtāhuhu Local Board adopted the 2019/2020 Grants Programme on 17 April 2019. (see Attachment A).

The “Event Grants” section of the grant programme, identifies the events work programme which will be administered by the events team in Arts, Community and Events. However, the list of events did not include two events which will be supported by the local board in 2019/2020.

Therefore it is requested that the local board endorse and approve the new grants programme for 2019/2020 (see Attachment B) with the addition of two events:

- Māngere Bridge Santa Parade
- Ōtāhuhu Christmas Celebration
