1237	Glenfield Plan	To develop in collaboration with the community and key stakeholders a long term plan to prepare the area and community for changes that come with growth. Note: Funding to include \$8,000 carry-over from 18/19 Sunnynook Plan.	An agreed long-term local plan for Glenfield, identifying outcomes and actions that will help enhance the area as an attractive place to live and work.	Our urban centres are vibrant	CPO: Plans and Places		Q1; Q2; Q3; Q4	LDI: Opex	\$ 37,000
1282	Sunnynook Plan implementation	Implementation of Sunnynook Plan actions. Note that a number of actions could be funded through other programmes eg Sea to Sea project could be considered as part of the Kaipatiki Connections Plan review and road intersection upgrades such as Sunnynook Rd/Totaravale Drive picked up through the Transport Capital Fund.	Progressive implementation of actions to realise the Sunnynook Plan vision of building on Sunnynook, Totara Vale and Forrest Hill's many attractive and valued qualities to ensure the area prospers in the future.
